<p>Redeployable CCTV Camera Privacy Impact Assessments (PIA's) From time to time a redeployable CCTV camera will be installed into the community for a specified purpose and only in collaboration with police or other law enforcement agencies. When this occurs, an individual PIA for that deployment will be completed. This will be available for viewing by contacting the CCTV Centre Manager</p>						
<p>Example Notes: During time of assessment all deployable CCTV Cameras were in use for a specific purpose, (A, N, E-J). This 'specific' purpose is to monitor areas that are subject to anti-social behaviour and crime & disorder. The residents were consulted via street meetings and door to door discussions to advise the cameras were in use. Proper signage (R) is in place and all other considerations, (E-J) were considered prior to installation.</p>
