Notes to assist with completing the form:

Please note you have 20 working days from receipt of the local authority’s stage one written decision notification to make a written request to escalate the matter to stage two.

1. Your appeal will be considered in the light of the Council’s published policies on Home to School/College transport.

2. If you are appealing on medical or financial grounds it would be helpful to provide evidence of this, e.g. a letter from your doctor, payslip, Child Tax Credits notice. If possible please provide a copy when submitting this form.

3. If you wish to appeal against the length of the walking route to school the Sub-Committee determining your appeal will be advised of the route and the measurement taken from your home to the school entrance. The route will be the shortest safe walking route and will not necessarily use a route which can be driven by car.

4. If you wish to appeal against the safety of the walking route to school a professional and independent assessment will be made about the route before the date of the appeal. Routes are considered to be safe if there is a footpath of reasonable width and condition. The Appeals Sub-Committee will determine your appeal on the basis of the assessment.

5. If you believe that the transport being provided is inappropriate to the needs of your child please give a clear indication as to why you believe this to be the case.

You must provide consent for the Authority to use your information for the purpose of processing and administering your appeal form. If you do not wish to provide consent, you can not proceed with the appeal application.

Under the Data Protection Act 2018, we are required to gain your permission to keep your personal details. Slough Borough Council will only use the personal information you provide:

1. To administer your appeal application
2. To provide the service you have requested from the Council
3. In accordance with the law

You have the right to withdraw your consent at any time. You may do this by contacting the Clerk to the Appeal Panel.
