1. Click on the link to the map you want to view:

 - b. [Map for infrastructure sites and other proposals](#)
2. All the sites are shown with a red line around them. You can move around and zoom in to areas using your mouse (or the + - box in the bottom right of the screen).
3. You can look for a specific location by writing the address (or part of it) in the white box at the upper left corner and then selecting one of the results.
4. Alternatively you can click within the red boundary of a site and then click on the arrow next to the sub-heading in the white box on the upper left corner and the details will 'drop down'.
5. Click the 'X' if you need to look for another address.
