

## **Notice of a Community Governance Review**

### **Local Government and Public Involvement in Health Act 2007**

In the light of the response to the first stage of the consultation a further consultation will be carried out with electors and other interested parties to gauge their views on the future of Britwell, Colnbrook with Poyle and Wexham Court Parish Councils. This will include an advisory poll in each parish area.

The Council is recommending that Britwell Parish Council and Wexham Court Parish Council are abolished and is asking for views on whether Colnbrook with Poyle Parish Council provides effective services and engages effectively with local people.

If there is support for the retention of Wexham Court Parish Council, the Council is recommending changes to the Parish boundary (as shown on a map which may be inspected on the Borough Council's website), reducing the number of Councillors and changing the name of the Parish Council.

The Council has published further information on its recommendations which can be obtained by visiting the Council's website at:

<http://www.slough.gov.uk/council/consultation/community-governance-review-2018.aspx>

or by request to the Council's offices.

The Council welcomes representations from any residents and interested organisations who may wish to comment on the Council's recommendations or on any other aspect of the matters under review.
