38. Review of Premises Licence - 100 Lounge, High Street, Slough

The Chair welcomed all parties to the meeting and outlined the procedure for the hearing. It was confirmed that all parties had received a copy of the agenda for the meeting and subsequent information that had been distributed by Thames Valley Police following publication of the agenda.

Introduction by the Licensing Officer

Mrs Rumney, Senior Licensing Officer informed the meeting that 100 Lounge operated under a premises licence, the directors of which were Mr Imran Hafeez and Mr Jagdeep Singh. The relevant licensable activities were outlined and it was noted that the licensable activities were permitted between 1100 hours and 0130 hours from Monday to Sunday.

Members were reminded that on 27th November 2011, Thames Valley Police had submitted an application for the review of the premises licence on grounds of the Prevention of Crime and Disorder and the Protection of Children from Harm. Representations to the review application had also been received from the Local Safeguarding Children's Board and the Council's Neighbourhood Enforcement Team and the Food and Safety Team.

The relevant guidance and policies were outlined for Members consideration. Options available to the Sub-Committee were also highlighted.

Questions to the Licensing Officer

Clarification was sought with regard to when 100 Lounge began operating. The Licensing Officer informed Members that the premises licence had been transferred on 15th July 2011 from the previous business, Green Chilli, to 100 Lounge. A Member commented that within the paperwork, reference was made to a Mr Jagdeep Singh and also a Jagdeep Singh Phull. Counsel representing the premises licence holders stated that Jagdeep Singh was a

Licensing Sub-Committee - 24.01.12

director of the company and Jagdeep Singh Phull was a friend of the owners of the business.

Representations by Thames Valley Police

Police Licensing Officer, Debbie Pearmain stated that Thames Valley Police had requested a review of the premises licence under the prevention of crime and disorder and protection of children from harm licensing objectives. It was brought to Members attention that several meetings had been held with the designated premises supervisor, Mr Sandeep Sharma, Slough Borough Council Licensing Department and the Police to discuss a number of issues. The premises licence holders had also been invited to the meetings but had failed to attend. However, Mr Jagdeep Singh Phull had attended a number of meetings and contacted Thames Valley Police Licensing Officer by telephone to discuss the premises.

Mrs Pearmain advised that there had been numerous incidents of crime and disorder in relation to the premises and invited Inspector Boomer to address the Sub-Committee with regard to an incident on 28th November 2010.

Inspector Boomer stated that on 28th November 2010 at 3.45 am a fight took place outside of the premises where individuals had just left the venue. Members were informed that the emergency button had been activated by a police officer in attendance at the scene due to fear of personal safety as the crowd had become hostile towards the police. During the investigation, staff (including door staff) were uncooperative by not providing witness statements. CCTV footage of the incident had been requested by Thames Valley Police which had not been provided.

Mrs Pearmain stated that reports had also been received that the premises licence was being breached and licensable activities were taking place after the terminal hour of 0130 hours. On the 14th January 2012 it was recorded that an event was taking place at the venue at 0313 hours.

Members attention was also drawn to the incident on the 28th October 2011 where following an incident outside the venue, individuals were stopped and checked by police officers. It was found that there were several underage individuals who had been drinking. The aggrieved was a 17 year old who was intoxicated and had been bottled. This individual had been drinking in the premises. It was noted that the incident had caused criminal damage to a vehicle and the matter had not been called into the police by security at the venue.

Sub-Committee Members were informed that Thames Valley Police had attempted to work in cooperation with management of the premises in an attempt to resolve issues and that a meeting had been held on 10th August 2011 between the Council's licensing officer, the Designated Premises Supervisor, Mr Sandeep Sharma and the Police Licensing Officer. It was noted that the meeting had been called as a result of the drugs operation that had been carried out at the premises on 5th August 2011. A number of issues

Licensing Sub-Committee - 24.01.12

were raised including lack of respect shown to police officers by staff, inability to operate the CCTV system, lack of drugs policy and an unlicensed person operating as door staff. Members were informed that advice was given that if things did not improve at the venue a premises licence review would be sought. It was also noted that the drugs policy as requested in August 2011 had not been received to date.

Mrs Pearmain stated that Thames Valley Police were of the strong opinion that the premises licence be revoked due to the high risk presented by the management of the premises in undermining the licensing objectives. However should the Sub-Committee not be minded to revoke the premises licence it was requested that the licence be suspended for a period of time and a number of conditions as outlined in the report be added to the premises licence.

Questions to Thames Valley Police Licensing Officer

A Member requested clarification with regard to the incident on 30th August 2011. It was noted that the aggrieved had been knocked unconscious and that although CCTV had been requested between the hours 0100 to 0400 hours from New Years Eve, the recording provided to Thames Valley Police was for between the hours of 1300 to 1600 hours. Inspector Boomer stated that staff at the premises were very uncooperative and that a number of meetings had been arranged but the premises licence holders did not attend any of these meetings. Inspector Boomer submitted that staff were often the best witnesses to an incident and in not assisting the police in their inquiries, staff were preventing violent alcohol related offenders being brought to justice, as highlighted following the incident on 27th September 2011. Inspector Boomer also stated that there were three other clubs in Slough all of whom were cooperative in assisting the police following any incidents and staff had on occasions detained individuals until the police had arrived at the scene.

Mr Oscroft, legal representative for the premises licence holders asked a number of detailed questions for clarification. Referring to the incident of 30 August 2011 Mr Oscroft stated that the incident had occurred outside of the premises. Inspector Boomer referred to the 'field notes' taken by the officer at the scene and confirmed that the assault had taken place in the premises.

Mr Oscroft commented that often crime incident reports included the nearest geographical location to which Inspector Boomer confirmed that although this was possible, the incident reports that had been provided for inclusion in the premises review related to 100 Lounge.

Mr Oscroft stated that information regarding a 14 year old being served alcohol at the venue had been received via an anonymous complaint. The Sub-Committee in considering anonymous information ought to give little or no regard to such information. Mr Oscroft asked whether any test purchase operations had been carried out at the venue. Mrs Pearmain stated that no test purchase operations had been carried out at the venue.

Licensing Sub-Committee - 24.01.12

Representations by Food and Safety Team

Ms Whitham, Senior Environmental Health Officer stated that a Food Hygiene Inspection had been carried out at the premises on 18th July 2011. Members were informed that upon arriving at the premises Ms Whitham met Mr J Khan who she recognised from managing the former premises, Green Chilli. Ms Whitham informed Members that Green Chilli had had a pending prosecution for numerous food hygiene offences, however this prosecution was lost as the company went into liquidation prior to 100 Lounge Limited opening.

Members were informed that food hygiene and health safety standards found during the inspection were seriously deficient with no food safety management, standards of cleaning were poor and numerous food items were covered in mould and out of date. A warning report was given and a report sent. Further revisits were undertaken on 4 October 2011 and 28 November 2011 to check compliance. It was found that matters had not improved.

Questions to Environmental Health Officer, Food and Safety Team

Ms Whitham confirmed that no cases of food poisoning were reported. Commenting on the inspection carried out in January 2012 it was noted that although there had been a slight improvement, a number of matters were still outstanding and a follow up inspection was scheduled for July 2012.

Representations by Neighbourhood Enforcement Team

Miss Byrne, Environmental Health Officer informed Members that a noise complaint was received by the Neighbourhood Enforcement Team on 13th September 2011 alleging that noise from 100 Lounge was causing a nuisance in a nearby residential property. A noise recorder was installed in the complainant's property for a week beginning 16th September 2011. Based on the noise recordings it was determined that the noise witnessed in the complainant's property was a statutory nuisance.

On 26th September 2011 a Noise Abatement Notice was served on 100 Lounge requiring that noise from amplified music from the premises and noise associated with customers talking, shouting and singing outside the building and the rear yard did not cause a nuisance to the nearby properties. It was noted that since the Notice was served no information had been received with regard to the breach of the notice. Members were informed that the noise abatement notice was still open and if the complainant or other nearby residents were to inform Council with regards to breach of Notice then the Notice would be enforceable.

Questions to the Environmental Health Officer

Mr Oscroft asked for information relating to any other complaints regarding noise. Ms Byrne stated that there had not been any other complaint with

Licensing Sub-Committee - 24.01.12

regard to noise that had been received by the Neighbourhood Enforcement Team in relation to 100 Lounge.

Representations by the Premises Licence Holders

Mr Oscroft, Counsel representing the Premise Licence Holders and Mr Sharma, Designated Premises Supervisor were in attendance. Mr Oscroft reminded Members that the current management had taken over the premises on 15th July 2011 and that reference to any incidents prior to this date should not be considered by the Sub-Committee.

Mr Oscroft stated that management at the venue had always attempted to assist Thames Valley Police and security at the premises was provided by a local firm who provided security to other establishments in the area. It was submitted that many of the allegations made against the premises were anonymous and that the Sub-Committee must give little weight to this evidence. Furthermore, there was another nightclub in close proximity to 100 Lounge and anti-social behaviour on the High Street could not be solely linked to his client's premises'.

It was explained that following the incident of 28 September 2011, where a door supervisor was assaulted, the matter was not pursued with the police as the door supervisor knew the individual who had assaulted him and had decided not to take the matter further.

It was highlighted that in the six months 100 Lounge had been operating, only five incidents involving violence had been recorded that could be related to the venue and that of those, some had taken place outside of the premises. Furthermore, no significant violent incidents had take place at the venue and no formal action had been taken against the premises.

Whilst accepting that the door supervisors were not in attendance at the premises, as specified in the premises licence, it was stated that this had been a misunderstanding and that the matter had now been resolved. Mr Oscroft stated that Mr Jagdeep Singh Phull was a close friend of Mr Hafiz and Mr Singh who were Directors of 100 Lounge but that he was not formally involved in the running of the business.

Questions to the Premises Licence Holders

Mrs Romney stated that the date of transfer for the premises licence from Green Chilli to 100 Lounge was 18 May 2011. The transfer of the Designated Premises Supervisor licence had taken place on 14 July 2011. Mr Oscroft submitted that in practice the change of management at the premises took place in mid July 2011, although it acknowledged that the paperwork formally stated that a transfer had taken place in May 2011.

In the ensuing discussion a number of questions were asked regarding clarification regarding Mr Jagdeep Singh Phull and Mr Jagdeep Singh. The

Licensing Sub-Committee - 24.01.12

Legal advisor to the Sub-Committee stated that the issue was not relevant for the purposes of hearing.

Summing Up

All parties were given an opportunity to provide a brief summary. The Licensing Officer reminded Members of the options available to them and that the matter needed to be determined based on all the information presented to them at the hearing.

Mrs Pearmain stated that management at 100 Lounge had seriously undermined the licensing objectives relating to Crime and Disorder and Protection of Children from Harm. The incidents as reported stated clearly that the management were not running the venue in a responsible manner and requested that the premises licence be revoked.

Mr Oscroft stated that the current management had taken over the premises in July 2011 and any incidents prior to that were not relevant. Members were requested to give little weight to anonymous complaints and were reminded that no prosecutions had been made with regard to breach of conditions of the premises licence. Representations made by the Food and Safety and Neighbourhood Enforcement officers were not a concern as improvements had been made at the venue. It was submitted that sufficient information had not been presented at the hearing for a revocation of the premises licence. Members attention was drawn to section 182 of the guidance that any decision must be necessary, relevant and proportionate.

All parties were asked to leave the meeting whilst the Sub-Committee deliberated.

Decision

Having carefully considered all the information available, the Sub-Committee decided to **revoke** the premises licence. In reaching this decision, Members were of the view that the licensing objectives relating to crime and disorder and the protection of children from harm were being undermined.

The Sub-Committee accepted that on 28 October 2011 a 17 year old had been drinking at the venue and subsequently hit on the back of the head with a bottle.

Members of the Sub-Committee also looked at crime and disorder incidents relating to the venue. It was noted that although the transfer of the premises licence to 100 Lounge was made on 18th May 2011, consideration was given to incidents from July 2011 when the current management took over responsibility at the premises.

Members accepted that the crime and disorder objective was being undermined and in reaching this conclusion had regard to the following:

Licensing Sub-Committee - 24.01.12

- No evidence of a Drugs Policy in place.
- Door Staff not on duty at the premises from 1900 hours as in accordance with premises licence condition.
- Breach of premises licence - 31 December 2011 door staff letting customers in/out of the venue after 0200 hours.
- Staff, including door staff, not assisting police in enquiries:
 - (a) 3 July 2011 – Door Staff not assisting police with details of offence
 - (b) 27 September 2011 – Door Supervisor and management not assisting police with enquiries
 - (c) 6 November 2011 – Door Staff not disclosing information to the police
 - (d) 17 December 2011 – Door Staff not intervene in incident or detain suspect. Not provide account of incident to the police.
- CCTV not being properly recorded, inability of staff to operate the system and recordings not being provided to police on request:
 - (a) 5 August 2011 – Designated Premises Supervisor unable to operate CCTV
 - (b) 27 September 2011 – Incident involving assault on member of door staff, CCTV not provided to police.
 - (c) 26 November 2011 - CCTV timecode showing 1414 hours at 0120 hours
 - (d) 17 December 2011 – Incident at the venue, CCTV not provided to police
 - (e) 4 January 2012 - Complaints of unlicensed activity following which CCTV footage requested – not provided to police.
- 23 December 2011 - failure to exercise responsibility in allowing an intoxicated female into the venue, who subsequently purchased an alcoholic drink.

It was also noted that meetings were held on 10 August 2011 and 10 October 2011 between the Police Licensing Officer, officers from the Council's licensing department, the premises' licence holder and current designated premises supervisor raising a number of issues. Advice was given that if matters had not improved a review of the premises licence would be sought.

Sub-Committee Members decided that revocation of the premises licence was a proportionate, necessary and reasonable response to promote the licensing objectives relating to protection of children from harm and the prevention of crime and disorder.

39. Review of Premises Licence - Pit Stop, Farnham Road, Slough

All parties were welcomed to the meeting and following introductions, the procedures for the hearing was explained. It was confirmed that all parties had received a copy of the relevant paperwork.

Licensing Sub-Committee - 24.01.12

Introduction by the Licensing Officer

Mrs Rumney informed Members that Pit Stop operated under a premises licence which authorised the sale by retail of alcohol for consumption off the premises between 0900 hours and 2300 hours Monday to Sunday. In November 2011 Thames Valley Police submitted an application for the review of premises licence on the grounds of the protection of children from harm.

The review primarily related to alcohol being sold to a minor during a joint test purchase operation involving Council Trading Standards Officers, Licensing Officers and Thames Valley Police. It was noted that no representations had been made by any other responsible authorities.

An outline of the relevant guidance and options available were highlighted for Members consideration.

Mrs Pearmain, Thames Valley Police Licensing Officer stated that a review had been sought following alcohol being sold to a minor during a test purchase operation on 13th October 2011. It was requested that a number of conditions be placed on the premises licence and that the premises be issued with a 'Yellow Card' warning.

6. Refusals Register to be in place, kept up to date and made available upon request of Police, Trading Standards or Slough Borough Council Licensing Officers.
7. To participate in Bottlewatch or UV marking scheme if requested by Police or Trading Standards.

The Sub Committee also agreed that the premises licence be suspended until conditions 1 to 7 as outlined above had been implemented and checked to the satisfaction of Thames Valley Police and the Licensing Authority.

In accordance with Central Government guidance and due to the seriousness of the incident highlighted the Sub-Committee also decided to issue the premises with a "Yellow Card".

Licensing Sub-Committee - 24.01.12

The Sub Committee considered the conditions imposed to be necessary, reasonable and proportionate to address concerns relating to protection of children from harm.

Following consultation with the responsible authorities, businesses and residential properties within a 100 metres of the proposed site, ten objections were received from local residents.

Options available to the Sub Committee were outlined and Members were reminded that the Council was not under any duty to grant a street trading consent. The matter to grant or refuse an application was at the discretion of the Council. However, should Members be minded to grant the application, standard conditions would be imposed on the street trading consent as outlined in the report.

Questions to Applicants

In response to a Member question, the Licensing Officer stated that other food outlets were approximately a five minute walk away. The applicants confirmed that they were willing to amend their terminal trading hour to 1700 hours.

Licensing Sub-Committee - 24.01.12

Representations by Interested Party

Mr Hussain, on behalf of Petersfield Residents Association, stated that should the application be granted there would be an increase in traffic problems and anti-social behaviour in the area. Dear Sirs

Licensing Application: 54 Park Street
To remain open until 5.00 am

I am an elderly tenant residing at _____ I am very worried about the criminal element that may be attracted by this type of "through the night" opening. I am concerned by the potential noise caused by customers leaving the premises, and the parking problems that may arise. What possible reason can there be to grant a license to open until 5.00 am? I am very worried that my quality of life will be severely affected by this.

Dear Sir

**LICENSING APPLICATION: 54 PARK STREET
Change of Use and Open Until 05.00am**

I am writing to absolutely object to the licensing application by Godari Foods to turn the former Queen of England pub at 54 Park Street into a venue for live music, recorded music, dancing and food until 5am. How this can even be contemplated in a residential area is beyond my comprehension. I can only presume that planning permission was granted for the extension that has been erected at the back of the property, but surely this change of use at these hours cannot be granted. I would suggest 11pm in the week and 12pm on a Friday and Saturday are acceptable closing hours for such a highly populated residential area. Why on earth is this license requested until 5am?

Whilst I do not object to a new restaurant in the area, I am concerned about the disposal of cooking waste into the drainage system which already suffers from regular blockages due to the number of fast food outlets in the street. Parking and congestion is another concern, as there is not sufficient parking space at 54 Park Street; therefore customers will be taking residents' spaces or just blocking the street. This will be a public nuisance. I wholeheartedly object to the proposed opening hours, whether or not there is music. The venue physically adjoins a row of 5 cottages, and noise easily passes through the walls and windows. Why should these residents be disturbed until 5am? Then, when people leave, there is the inevitable noise of groups talking and car doors slamming. I also believe there is the potential to attract undesirable characters into the street with such a proposal.

I implore you to do whatever you can to block this proposal, which will only cause misery for the good residents of Park Street. As someone who has lived in Slough all my life (nearly 50 years), and a council tax payer who has never defaulted, surely it is my human right to have a good night's sleep in my own house?

Imagine how you would feel if this came to your quiet neighbourhood street.....

Yours faithfully

Julie Brown

Subject: Premises formally the Queen of England pub

Dear Sirs,

I write to complain and contest the recent license application for the proposed use of the premises formally known as the Queen of England public house.

The middle section of Park Street is a residential cul-de-sac with both elderly and very young children amongst its residents. It already experiences problems with limited parking, late night noise and litter due to an overly high concentration of fast food take away outlets. The aforementioned planning application for a restaurant venue for live and recorded music, dancing and food open to the public until 5 am is proposterous and will have a very negative effective on the environment and quality of life of Park Street residents. A license beyond midnight will cause undue noise and disturbance to the residence through amplified noise spilling from inside the premises, increased traffic noise throughout the night, increased ambient human noise through comings and goings of clientelle, external smokers' noise, and drunken revelry and the negative side effect of arguments, violence and crime caused by extended alcohol consumption. Slough Borough council cannot possibly ignore the wellbeing of its residents by granting a license beyond midnight especially not until 5 am, as this contravenes all four license criteria.

1. Public Safety - Due to increased activity in the area, increased traffic, drunken behavior, threats of violence, car and dwelling crime.
2. Child Harm - Due to sleep deprivation through night time disturbance and increased traffic and pollution.
3. Nuisance - Due to increased noise, traffic, human activity, drunken behavior, increased parking problems, pollution, sleep disturbance.
4. Noise - Due to increased vehicle and parking noise, increased human activity throughout the night, drunken behavior, smokers, taxis.

I trust this provides a strong and practical argument against this ridiculous application and hope to see the application declined forthwith.

Yours Faithfully

Dear Sir,

We have just found out that there is a planning application for the former Queen of England pub on Park Street which is requesting a license for live music until 5am. This is a residential area so we do not think this is an acceptable request. There is also no parking at all in the area which will cause all sorts of other issues such as taxis picking up clients in the early hours and the associated noise and disturbance. As a businessman myself I am all for new businesses starting up and it will be nice to see the pub opened again as a restaurant and we wish them all the success with that but not with a 5am license. I know other restaurants and pubs that have been refused a 2am application even though they are in non residential areas so if this is approved it clearly would be dubious and I will ask for it to be investigated.

The pub that was there before created serious noise and disturbance but at least that was confined to friday and saturday nights and closed around midnight anyway. Most of the noise was caused by the fact that clients now have to come outside to smoke and therefore stand in the street outside our bedroom talking and shouting rather than staying inside as they would have done before. There was continuous banging of the door for the same reason. However we knew there was a pub there when we bought our house so we accepted that. Most of the noise was as a result of the stupid smoking ban in pubs which actually moved the problem from inside the pub (where people chose to go or work) to outside our house where we had no choice!!! A 5am license is going to make that even worse than before.

Kind Regards
Adrian Jones

Subject: Objections on the ground of public nuisance

Dear Sir/ Madam,

I live in Park Street, Slough and recently they closed down a pub down the road now they want to open a new restaurant so for me it was fine but yesterday I received a leaflet through my mail box explaining that it is not just going to be a restaurant: it is a venue for live music, dancing... open to the public until 5am!!! Now that I know about it I'm not happy because we will have problems such as noise pollution, parking... so I would like to express my objection to the opening of this restaurant. Thanks.

Dear Sirs,

Representation: Application for a premises licence for Godari Restaurant 54 Park Street Slough SL1 1PS

I live at [redacted] and I would like to make a representation as an interested party on above application.

I welcome the opening of a restaurant in this disused property. However, the premises is in the middle of a residential street and hours and activities applied have clear potential for noise nuisance, crime and disorder, vehicle noise, odour nuisance, parking problems and public safety.

The grounds for my representation are related to a) The Prevention of Crime and Disorder b) Public Safety and c) The Prevention of Public Nuisance licensing objectives.

I object the hours applied for Regulated Entertainment, Late Night Refreshment, Supply of Alcohol and Opening Hours.

5. Noise emanating from the premises as a result of regulated entertainment shall not be clearly audible at the boundary of any adjacent residential property. 6. During operating hours, the licensee or a nominated representative shall be available to receive and respond to nuisance-related complaints. A contact number shall be readily available to residents upon request.
7. Prominent, clear notices shall be displayed at all exits / in the garden requesting that customers respect the needs of local residents and leave the premises and the area quietly.
8. The placing of refuse (such as bottles) into receptacles outside the premises shall only take place between the hours of 08.00 and 20.00.
9. Deliveries to the premises shall not be made between the hours of 20:00 and 06:00
10. Extract and ventilation system must be in place to prevent noxious smell causing nuisance to nearby properties.
11. The premises licence holder shall direct patrons' vehicles to the car park.
12. Intoxicating liquor shall not be sold or supplied on the premises otherwise than to persons taking table meals there and for consumption by such a person as an ancillary to his meals.

This register should record the name of the person responsible for the premise on each given day. The Premises Daily Register shall record all calls made to the premises where there is a complaint made by a resident or neighbour of noise, nuisance or anti social behaviour by persons attending or leaving the premises. This shall record the details of the caller, the time and date of the call and the time and date of the incident about which the call is made and any actions taken to deal with the call. SLOUGH

REF: Licensing Application for 54 Park Street, Slough – Formally known as “Queen of England”

To whom it may concern,

I am writing to inform you of my objections to the application for a trading license for 54 Park Street, Slough.

Park Street is a residential street, the occupants vary from single persons, to families with children and the flats next to 54 Park Street are sheltered housing with many elderly residents.

Parking is for residents and also has single yellow lines to prevent illegal parking.

My objections therefore are:

It is unreasonable to expect residents to accept high volume noise from the venue after midnight considering that there are young children and elderly residents very nearby.

There is very limited parking in Park Street and is always busy, the parking after 7.00pm weekdays and on a Sunday are horrendous due to drivers using Park Street as a car park and very often results in damage to badly parked vehicles.

Public Safety would be put at risk because of increased traffic and parking and this would increase the risk of incidents to pedestrians and residents.

This proposal would have a detrimental effect on the value of property in Park Street.

Yours sincerely

Sandra Jones.

Subject: Licensing at the former Queen of England Pub in Park Street Slough
Follow Up Flag: Follow up
Flag Status: Orange

Dear Sir,

We are writing this letter regarding the application for a licence to serve food, play live music and recorded music and dancing up to 5 am in the morning in the former premises of the Queen of England pub in Park Street, Slough.

We wish to object to the licence being granted for the following reasons

1) The area surrounding the venue is residential, housing both young families and old people. Both groups of people are particularly sensitive to noise such as noise from running engines, taxi pick-ups, slamming car doors, people calling out & shouting, live music from the venue itself. The young children need sleep and having music playing till 5 am will not be conducive to this. Old people tend to be light sleepers, and once again, disturbing them will mean that they will find it difficult to get back to sleep, resulting in inadequate rest for them

2) The road infrastructure around the venue is not able to support the increased traffic that will result should the licence be granted. There is inadequate parking on the site itself. Park Street has Residents Parking on one side and a single yellow line on the other. When cars park on both sides of the road, both traffic flow and pedestrian access is impeded. An increased number of cars parking or picking up visitors to the venue will increase the difficulty for residents to access their homes late at night either by car or by foot (particularly residents of Bembridge Court).

3) Park Street is a No Through road. To exit the road it is necessary to do a three point turn. Currently, there is only one suitable turning point in the road - the entrance to Bembridge Court opposite nos. 33 and 35 Park Street. We are concerned that increased numbers of cars/taxis visiting the venue will cause traffic congestion and noise right up until 5 a.m. and beyond, should this licence be granted. Many residents leave for work around 6 a.m. and this congestion could impede their departure.

4) As it is now an offence to smoke in a public place, groups of people will be hanging about outside smoking, drinking and conversing right up to 5 am in the morning. This acoustic and environmental pollution we find unacceptable and can be prevented by not granting the licence.

In summary, we wish to object to the licence being granted on the grounds of increased acoustic pollution (noise), traffic congestion and inadequate parking at the venue which will all cause disturbance to residents at least until 5 o'clock in the morning, should this licence be approved. This area of Park Street is a residential area and residents are entitled to a period of rest and quiet between the hours of midnight and 6 a.m. in the morning.

We would be grateful if you would take these points into consideration when deciding on the licence,

Yours sincerely,

Noel Lobo and Sarah Gardner

Dear Mick

I visited 295 -297 High Street re licence application last Thursday and spoke to Rajiv Kapor

I have no adverse comments to make concerning ASB or noise from the proposals.

I also visited 54 Park Road Internally there are no adverse comments However, there is potential for a beer garden and so I spoke at length to the proprietor Shailendar Cambampaty re potential complaints re general customer noise and also piped music should he develop this part of the business

If you would like me to add anything im not sure of your procedures being a contractor here so please let me know and I will comply as appropriate in terms of how youd like me to deal with the latter

We have gone through the recommendations from Thames valley police with ref to our application .I would like to discuss with you in person for some clarifications.

May we ask for the suggested timing to be extended upto 1.00am Every day.

-- The timing for special occasions upto 2.00 am

-- Providing of DSA's would be expensive for us.ours is a regular restaurant and not a PUB.

-- We will co-operate with the government agencies to maintain the law and order .--

We would also like to clarify any concerns about our application in person
