The Chair presented the final 2010/11 Annual SACRE Report. It was confirmed that this would be sent to NASACRE and the Secretary of State for their consideration.

In the discussion that followed, Members noted the GCSE and A-Level results achieved in 2010/11. Members also expressed concern over whether the requirement for schools to teach Religious Education up to Key Stage 4 was being followed, particularly in schools where the number of entrants in the GCSE Religious Education exam was low. Members also discussed the services provided to Academies and Voluntary Aided schools in Slough and which services could be provided to these schools by the Local Authority.

**Resolved –** That the 2010/11 Annual SACRE Report be noted and a copy be sent to NASACRE and the Secretary of State for Education.

**17. NASACRE - verbal update - Jo Fageant**

The Chair updated the committee on the recent meetings held by National Association of SACREs (NASACRE). The Chair informed the Committee that she would be appointed Secretary of NASACRE in the coming months.

The main areas of discussion held by NASACRE was concern over the relationship between SACREs and schools with Academy status, which do not have to follow the locally agreed RE syllabus. The Department for Education had written to the RE Council reiterating their view that RE would remain a locally determined issue and thus determined by the Local Authority or School themselves. It had been suggested by NASACRE that schools with Academy status, such as those in Slough, should be supported by the respective SACREs in the local area.

It was queried whether RE would be included in the English Baccalaureate. It was noted that RE had not been considered a central subject for inclusion, though schools could elect to choose RE as part of the qualification.

**Resolved –** That the verbal update be noted.

**18. RE Teacher Weekend - Jo Fageant**

The Committee noted the minutes of the RE Teacher Weekend held on 1-2 October 2011.

**20. Development Plan - to include discussion on available underspend**

This item was not taken as there was no officer present from the Local Authority to confirm how large an underspend remained. It was agreed that, one further information had been received from the Local Authority, an additional meeting would be arranged for further discussions about how remaining funds could be used by the SACRE.

It was noted by Members that the SACRE was receiving no direct support from the Local Authority. This was highlighted by members as an area of major concern and it was requested that the Chair write to the Local Authority expressing these concerns.

- Resolved** – a) That the Chair request further information about remaining funds in the SACRE budget and arrange a further meeting.
- b) That the Chair write to the Local Authority expressing the views of the SACRE and requesting that further support be given at future meetings.

**21. Joint SACREs Conference 2012**
