**11. Application for a Premises Licence - 'Godari' 54 Park Street, Slough.**

The Chair welcomed all parties to the meeting and explained the procedure for the hearing. It was confirmed that all parties had received a copy of the relevant paperwork.

Introduction by the Licensing Officer

The Licensing Officer reported that an application had been made by Mr Cambampaty for a Premises Licence for 'Godari' at 54 Park Street, Slough with the premises to be run as a restaurant serving freshly cooked food and alcohol. The application was made for a range of licensable activities as detailed in the report.

Following the application being made, a total of ten written objections had been received from local residents. These were made on the basis that the premises licence outlined in the application could lead to an increase in noise levels and noise pollution, an increase in parking problems, unacceptable extended hours of operation, possible increase in violent and drunken behaviour resulting in crime and disorder, and an increase in disposal of cooking waste causing further drainage problems. Members were informed that the matter had been referred to the Licensing Sub Committee due to these objections.

Members also noted that objections had also been raised by Thames Valley Police who had requested that a number of alternative timings and conditions be imposed on the licence. Members were informed that following concerns raised by Thames Valley Police, a mediation meeting had taken place between the applicant and Thames Valley Police, following which the applicant responded with alternative timings. Mr Cambampaty had also agreed with the recommendations made by Thames Valley Police and written confirmation was forwarded to relevant parties stating that he was in

## **Licensing Sub-Committee - 08.03.12**

agreement with all the recommendations. Following this confirmation, Thames Valley Police had raised no further objections.

The options available to the Sub-Committee were outlined and Members reminded that they must have regard to the relevant legislation and the Council's Statement of Licensing Policy. However the overriding principle was that each application should be determined on its own merits.

### Questions to Licensing Officer

None.

### Representations from the Environmental Health Officer

The Environmental Health Officer presented a short summary of his findings. It was highlighted that there were no adverse comments on the grounds that granting the premises a licence to play recorded music would lead to increased noise pollution. However, it was noted that there was a potential for an overspill of customers into the garden area, particularly in the summer months.

### Representations made by the Applicant

Mr Cambampaty, outlined the reasons as to why the application had been made. The Applicant stated that the restaurant would be aimed at families and was not likely to cause disturbance to the local area. He explained that the proposal for extended opening hours had caused a misunderstanding and the terminal hour for opening hours of the premises was until 1.00am. Regarding complaints about playing recorded music, the Applicant stated that this would be intended as background music inside the restaurant and would not cause noise pollution. It was however noted that part of the agreement between the Licensing Officer and Thames Valley Police was that the premises would be able to extend certain licensable activities until 1.00am for holidays or international sporting events, subject to 10 days written notice to be given to Thames Valley Police Licensing and Slough Borough Council Licensing Department.

### Questions to the Applicant

Members requested clarification on a number of points raised by the objectors. These regarded extended opening hours, whether alcohol would be served in the outside area and concerns about the noise levels that this may create. The applicant answered the queries with reference to the conditions which had been outlined previously. Mr Cambampaty confirmed that there would be a staff manager on site at all times to prevent all outside activity at 10.00pm every night.

### Objectors

An objector, Ms Jones attended the meeting to make representations on behalf of local residents. Ms Jones explained that her initial objections had

been on the the proposed extended opening until 05.00am. The Applicant advised that he had withdrawn his request to open until 05.00am and opening hours would cease at 1.00am.

#### **16. Application for Street Trading Consent - Chris 'Anthimums' High Street, Slough**

The Chair welcomed all parties to the meeting and outlined the procedure for the hearing. It was confirmed that all parties had received a copy of the paperwork.

## **Licensing Sub-Committee - 11.04.12**

Prior to commencement of the hearing, the Licensing Officer, Mrs Sagar, informed Members that the applicant was the son of the Licensing Manager at Slough Borough Council. It was noted that the Licensing Manager had had no involvement with the preparation of the report and had declared his interest to the Monitoring Officer.

### Introduction by the Licensing Officer

The Licensing Officer reminded Members that Slough High Street was limited to five trading sites and earlier during the year, one of the sites became vacant. Due to the location of the vacant pitch, it was considered necessary that the matter be determined by the Licensing Sub-Committee.

Members were informed that the application was for a florists stall between the hours of 08:45 and 17:30 Monday to Saturday. It was noted that the current street trading consent holders had been consulted and no representations had been made.

Options available to Members were outlined for their consideration.

### Questions to Licensing Officer

A Member asked with regard to the type of trading that was carried out by the previous stall holder and was informed that previous street trading consent was for a flower stall and that the consent holder had not renewed their consent for the pitch.

### Representations by the Applicant

Mr Sims submitted that he had made an application for a florists stall at the vacant street trading pitch in the High Street and that in his opinion this would benefit the high street. It was highlighted that the application would be suitable for the high street as there weren't any other street traders or retail outlets providing this service in the immediate area, which would in turn benefit the local economy.

### Questions to the Applicant.

Responding to whether he had any experience of working on a stall, Mr Sims stated that he had previously worked on a fruit and vegetable/florists stall in London. Mr Sims confirmed that the stall would only be selling flowers but that depending on demand, he may branch out and also sell small garden ornaments.

### Summing Up.

Both parties provided a brief summary, following which they were asked to leave the meeting whilst the Sub-Committee deliberated.

## Licensing Sub-Committee - 11.04.12

### Decision

All parties were asked to return to the meeting.

After careful consideration, the Sub-Committee

**Resolved** – That the application for a Street Trading Consent for Chris ‘Anthimums’ in the High Street, Slough be allowed.

### 17. **Exclusion of the Press and Public**

**Resolved** – That the press and public be excluded from the remainder of the meeting as the items to be considered contain exempt information relating to individuals as defined in Paragraph 1 of Part I of Schedule 12A to the Local Government Act 1972 (as amended).

### 18. **Application for Combined Hackney Carriage/Private Hire Driver Licence (Reference 10-11)**

Following introductions, the Chair explained the procedure for the hearing. All parties confirmed that they had received the relevant paperwork for the hearing.

The Licensing Officer, Mrs Sagar, stated that Appellant 10-11 had made an application for a combined Hackney Carriage/Private Hire Driver’s licence. The matter had been referred to the Sub-Committee to determine as the Appellant had been convicted in December 2008 for driving or attempting to drive then refusing to supply a specimen for analysis. The Appellant had received a disqualification from driving for a period of 24 months.

Members were reminded that the Council’s policy regarding convictions and cautions stated that “an application with one conviction on the DVLA driving licence under this category will not be considered until a period of 36 months has elapsed since the restoration of the DVLA licence.” It was noted that the Appellant’s driving licence was restored in December 2010.

A Member queried as to whether the Appellant had been made aware of the Council’s Policy on Convictions and Cautions at the time of submitting his application. Mrs Sagar confirmed that her colleague had advised the Appellant of the policy.

The Appellant provided an explanation with regard to the incident and stated that he had served his driving ban. It was submitted that he required a combined driving licence to enable him to work full-time. Members were informed that he had previously held a Private Hire Driver Licence with a neighbouring local authority.

Sub-Committee Members asked a number of questions regarding the incident which had led to the disqualification.

## Licensing Sub-Committee - 11.04.12

In summing up, Mrs Sagar reminded Members of the Council's Policy regarding convictions and cautions but stated that Members needed to take into account the information presented by the Appellant.

The Appellant stated that he was a changed person and was aware of the responsibilities that came with being a licensed taxi driver.

Having carefully considered all the information available the Sub-Committee

**Resolved** – That Appellant Reference 10-11 not be issued with a combined Hackney Carriage/Private Hire Driver Licence.

### 19. Private Hire Driver Conduct Hearing (Reference 11-11)

All parties were welcomed to the meeting, including a translator for the Appellant, and the procedure for the hearing was outlined. It was confirmed that all had received a copy of the paperwork.

Mrs Sagar, informed Members that the matter had been referred to the Sub-Committee for them to consider whether the Appellant was a fit and proper person to continue to hold a Private Hire Driver's licence. It was outlined that the Licensing Office had received two separate complaints from members of the public regarding the Appellant's standard of driving and conduct. Details of the incidents were highlighted and included driving down a one way street, driving dangerously and over-charging passengers for their fare.

A Member asked whether details relating to the badge number had been provided by the complainants with regard to the complaint submitted on 29 January 2012. The Licensing Officer confirmed that no details were provided in connection with the private hire driver's badge number.

Mrs Sagar summarised the options available to the Sub-Committee, which included issuing a warning, suspension or revocation of the private Hire Driver's Licence.

Prior to making submissions, the Appellant distributed copies of further written submissions and a character reference from his employer. The Appellant provided details relating to the incidents and a copy of his Private Hire Driver's badge was shown to the Sub-Committee. The Appellant stated that the passengers on the 28<sup>th</sup> January 2012 had not offered him any financial reimbursement for the journey, contrary to what had been reported in the written complaint.

In summing up, Mrs Sagar reminded Members that public safety was paramount in deciding whether the Appellant was a fit and proper person to continue to hold a private hire driver licence.

The Appellant submitted that he was not a dangerous driver and he took his responsibilities as a private hire driver seriously.

## Licensing Sub-Committee - 11.04.12

### Decision

Having considered all the written and oral information at its disposal, including the additional information submitted by the Appellant, the Sub-Committee

**Resolved** - That Appellant 11-11 be issued with 6 penalty points on his private hire driver's licence and for the points to remain on the licence for a period of 12 months from the date of the Sub-Committee hearing and that Appellant 11-11 be issued with a strict warning with regard to his future behaviour and compliance with the conditions of the private hire driver's licence.

**100 LOUNGE**

100 High Street, Slough, SL1 1HI

Objection to requested variation of Designated  
Premises Supervisor for Premises Licence –

**Number PL007365**

Objection made by Thames Valley Police

**1. CURRENT POSITION**

- 1.1 100 Lounge operates under a Premises Licence number **PL007365** which is held by a company called 100 Lounge Ltd at 100 High Street, Slough, SL1 1HI.
- 1.2 The proposed new Designated Premises Supervisor (DPS) is Mr Barneet Singh who holds a Personal Licence number **PA007750** with Slough Borough Council.
- 1.3 The DPS is responsible for the day to day management of the premises.

**2. BACKGROUND INFORMATION**

- 2.1 On 26<sup>th</sup> April 2012 Debie Pearmain, Thames Valley Police Licensing Officer, forwarded an email to the Licensing Team from Sandeep Sharma, previous DPS for 100 Lounge. In his email Mr Sharma states he no longer wishes to be the DPS for 100 Lounge and has not been working at 100 Lounge since 31<sup>st</sup> January 2012. A copy of the email is attached at **APPENDIX 1**.
- 2.2 On 3<sup>rd</sup> May 2012 Barneet Singh submitted, on behalf of 100 Lounge, an application to vary a premises licence to specify an individual as designated premises supervisor under the Licensing Act 2003. The application requests that the change of DPS is to have immediate effect under section 38 of the Licensing Act 2003. In these instances the Police have 14 days to submit an objection which has been done in this case. A copy of the application form and consent of individual form are attached at **APPENDICES 2 and 2(i) respectively**.
- 2.3 On 15<sup>th</sup> May 2012 Thames Valley Police submitted an objection to the proposed variation to the DPS of the Premises Licence on grounds of the Prevention of Crime and Disorder. The full objection is contained at **APPENDIX 3**.
- 2.4 The grounds for the objection although contained fully within the objection attached at **APPENDIX 3** can be summarised as follows:
  - Mr Singh has failed on two occasions to produce suitable identification to the Police to enable them to conduct a person search on the Police National Computer (PNC) to ensure he has no relevant offences recorded against him.

- To date Mr Singh has failed to contact either Mrs Pearmain or Sergeant Simpson, Town Centre Sergeant, as requested by Mrs Pearmain on 10<sup>th</sup> May 2012, with regard to their request for relevant identification.
- Until relevant identification is produced Thames Valley Police cannot conduct the required PNC check to confirm Mr Singh is fit and proper to be appointed as DPS the Police feel that there is potential for the Prevention of Crime and Disorder licensing objective to be undermined.
- In January 2012 100 Lounge had their Premises Licence revoked by a previous Licensing Sub-Committee as Members were of the view that the licensing objectives relating to crime and disorder and the protection of children from harm were being undermined. The review was brought by Thames Valley Police.
- 100 Lounge have lodged an appeal with the Magistrates Court and date for the appeal to be heard is 4<sup>th</sup> and 5<sup>th</sup> September 2012.
- Additional information has been forwarded by Thames Valley Police - a witness statement from Acting Sergeant 7486 Daniel Simpson, as set out in Appendix 4. This information is considered to be of a confidential nature and should the Sub Committee consider it necessary to discuss details of the statement, the press and public may be excluded from the hearing in accordance with the requirements of Paragraphs 1 and 2 of Part I of Schedule 12A to the Local Government Act 1972 (information relating to an individual).

### 3. **APPLICATION – OBJECTION TO PROPOSED DPS**

- 3.1 The Licensing Authority is satisfied that this objection meets the appropriate legislative requirements within the Licensing Act 2003 and is therefore a valid objection to be considered by the Licensing Sub-Committee.
- 3.2 The objection requests that due to failure of the applicant to produce suitable identification to Thames Valley Police Mr Barneet Singh should not be approved as DPS for 100 Lounge.

### 4. **Options Available to the Sub-Committee**

- 4.1 The options available to the Sub-Committee are to either grant or refuse the application and that clear reasons for the decision must be given.

**Police objection - DPS Variation application - Mr Barneet Singh - 100 Lounge, High Street, Slough**

Thames Valley Police object to the above application as Mr Barneet Singh has failed to produce suitable identification in relation to this application. He attended Windsor Police Station on Wednesday 9<sup>th</sup> May 2012 at 10.00am and was requested to contact me on Thursday 10<sup>th</sup> May 2012 with appropriate identification.

Mr Barneet Singh did not contact me or Sergeant Simpson, Town Centre Sergeant. Failure to produce this identification has resulted in Thames Valley Police being unable to conduct a person check on Barneet Singh, to ensure that he has nothing recorded against him on the Police National Computer.

Until this check has been conducted we feel that the crime and disorder licensing objective could potentially be undermined.

Submitted for your information and necessary action.

A copy of the current Premises Licence is attached at **APPENDIX 1.**

2. **BACKGROUND INFORMATION**

- 2.1 On 15<sup>th</sup> February 2012 Slough Borough Council Trading Standards Service submitted an application for the Review of the Premises Licence on grounds of the Prevention of Crime and Disorder, Public Safety and the Protection of Children from Harm, the full Review Application and supporting evidence are contained at **APPENDIX 2.**

2.2 The grounds for the Review Application although contained fully within the application itself can be summarised as follows;

- Selling alcohol to an underage person
- Found in possession for sale of counterfeit alcohol on two separate occasions

2.3 The Review Application has been scheduled for determination at two previous Sub-Committee hearings (11<sup>th</sup> April 2012 and 26<sup>th</sup> April 2012). However, consideration of the matter was adjourned on both occasions at the request of the Applicant.

### 3. **APPLICATION – REVIEW OF PREMISES LICENCE**

3.1 The Licensing Authority is satisfied that this application for Review meets the appropriate legislative requirements within the Licensing Act 2003 and is therefore a valid application to be considered by the Licensing Sub-Committee.

3.2 The Review Application requests that due to the catalogue of incidents and non-compliance at the premises, the Premises Licence should be **revoked**.

### 4. **REPRESENTATIONS RECEIVED**

4.1 Responses to the Review Application from relevant Responsible Authorities have been received.

4.2 Response from John Ellis – Royal Berkshire Fire and Rescue Service attached at **APPENDIX 3**.

4.3 No further responses were received from any other Responsible Authorities.

4.4 On 28<sup>th</sup> February 2012 Jaspal Singh, Senior Technical Enforcement Officer, Slough Borough Council Trading Standards Service received a letter from Charsley Harrison LLP Solicitors stating Mr Avtar Singh 'is taking urgent steps to dispose of the business Alexandra Wines on an arms length basis'. This letter was passed to the Licensing Department on 29<sup>th</sup> February 2012 and a copy of this is attached at **APPENDIX 4**.

### 5. **RELEVANT GUIDANCE AND POLICIES**

5.1 The proceedings set out in the 2003 Act for Reviewing of Premises Licence represent a key protection for the community where problems associated with the licensing objectives are occurring after the grant or variation of a Premises Licence. Where a request to Review the licence is made by a Responsible Authority, the Licensing Authority will hold a hearing in respect of this, unless it, the applicant and the Responsible Authorities agree that a hearing is not necessary

5.3 Section 52 of the Licensing Act 2003 provides that the Sub-Committee must, having regard to the Review application and any relevant representations, take

such of the steps listed below as it considers necessary for the promotion of the licensing objectives. The steps are:

- (a) to modify the conditions of the licence, (which includes adding new conditions or any alteration or omission of an existing condition), for example, by reducing the hours of opening or by requiring door supervisors at particular times;
- (b) to exclude a licensable activity from the scope of the licence, for example, to exclude the performance of live music or playing of recorded music (where it is not within the incidental live and recorded music exemption);
- (c) to remove the designated premises supervisor, for example, because they consider that the problems are the result of poor management;
- (d) to suspend the licence for a period not exceeding three months;
- (e) to revoke the licence.

5.4 However, the Sub-Committee may consider it is not necessary to take any of the steps listed above to promote the licensing objectives. These are matters for the Sub-Committee to determine having regard to the evidence of all parties.

5.5 There is nothing to prevent a licensing authority issuing an informal warning to the licence holder and/or to recommend improvement within a particular period of time. However, where responsible authorities like the Police, Environmental Health or Trading Standards Officers have already issued oral or written warnings requiring improvement, licensing authorities should not merely repeat that approach.

5.6 Licensing authorities should also note that modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months. Temporary changes or suspension of the licence for up to three months could impact on the business holding the licence financially and would only be expected to be pursued as a necessary means of promoting the licensing objectives. So, for instance, a licence could be suspended for a weekend as a means of deterring the holder from allowing the problems that gave rise to the review to happen again. However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is necessary and proportionate to the promotion of the licensing objectives.

5.7 In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns which the representations identify. The remedial act taken should generally be directed at these causes and should always be no more than as necessary and proportionate response.

5.8 The Sub-Committee should also consider and make use of the 'Yellow and Red Cards' system as directed and recommended by The Department of Culture, Media and Sport (DCMS).

**Please state the ground(s) for review (please read guidance note 1)**

The grounds for the review are;

- a) The trader has breached the licence conditions by selling alcohol to an underage person,  
and
- b) Has been found to have in possession for sale counterfeit alcohol on 2 separate occasions.

Prosecutions are currently being taken out against the business for the underage sale as well as for possession of counterfeit alcohol.

**Please provide as much information as possible to support the application (please read guidance note 2)**

Having looked through the history of this business, it seems that the owner of Alexandra Wines, Mr Avtar Singh, has not taken the advice given to him by both the Police and Trading Standards with respect to underage sales and the sale of counterfeit alcohol very seriously.

A joint visit by Police and Trading Standards was made to the business on 14<sup>th</sup> January 2004, following a complaint from a member of the public that he had sold alcohol to an underage girl. A retailer pack, which contained advice on underage sales, was given to the Premises Licence holder and Designated Premises Supervisor (DPS) Mr Avtar Singh. A letter of advice on underage sales was also sent to Mr Singh on 15<sup>th</sup> January 2004.

Since then, Trading Standards has received numerous complaints from members of the public that the trader is selling alcohol and cigarettes to minors as well as selling counterfeit alcohol and duty free cigarettes.

The business was given further advice by way of a trader pack, which contains advice on underage sales, on 4 October 2005 which was again given to Mr Avtar Singh.

On 19<sup>th</sup> November 2007, following an inspection of the traders' premises, 5 bottles of counterfeit Glens Vodka were found and seized. These were examined by the Trade Mark Holders and confirmed as being counterfeit.

The contents of the bottles were not as stated on the label and no duty would have been paid on these bottles either. There is always the possibility of public harm if the contents are not as described. This can vary from fiscal detriment to health issues. In addition, there are revenue issues to be considered as there will be no excise duty, tax or VAT paid on this kind of product.

The trader received a caution for this because of the relatively small number of bottles seized.

The business was again given advice on underage sales, again by way of a trader pack, on 24 January 2008 and was given to Mrs K Kaur.

On 27<sup>th</sup> April 2011, following another inspection, 15 bottles of counterfeit Jacob's Creek wine were found on the traders premises. These were seized and examined by the trade mark holders and again confirmed to be counterfeit. The contents of the bottles are not as stated on the label, but are a cheap Italian wine. No duty will have been paid on these bottles. Again there are possibilities of the contents causing public harm, both fiscal and with respect to health and again there are revenue issues such as non payment of excise duty, tax or VAT.

A prosecution report is being compiled for these offences.

Furthermore, on 16 November 2011, during an underage test purchase exercise by Trading standards, alcohol was sold to an underage volunteer by the trader.

A prosecution report is being compiled for this offence.

It is clear from the history of this business that the operators do not adhere to or take notice of any or all advice it receives from the Trading Standards of Licensing Team and continues to carry on the operation of the business with total disregard for their legal obligations and of the Mandatory Conditions and of other conditions imposed on the Premises Licence.

I recommend that there is no alternative other than revocation of the licence.

APPLICATION FOR A NEW STREET TRADING APPLICATION FOR  
'ZORBAS KEBABS', LOCATED IN THE SERVICE ROAD OFF LONDON  
ROAD / DRAKE AVENUE, SLOUGH

**1. The Application**

- 1.1. An application is being made by Mr Ahmad Al Amin for a Street Trading Consent for 'Zorbas Kebabs' in two parking bays which are located in the service road of London Road / Drake Avenue (Opposite Castle View Grocers).

A copy of the application is attached at **Appendix A**, a location map is attached at **Appendix B** and photographs of the site are attached at **Appendix C, D, E**.

- 1.2. The application is for Street Trading Consent at the specified pitch between the hours of;

Monday to Thursday: **17:00pm - 01:00am**

Friday to Saturday: **17:00pm – 03:00am**

Sunday: **17:00pm – 01:00am**

**2. Background**

- 2.1 In February 2011 the Licensing Committee recommended changes to the Council's Street Trading Protocol and Guidance. This would make all streets in Slough, Consent Streets, allowing anyone to apply for a Street Trading Consent and have it granted subject to consultation with local residents and in line with the Council's Policy.
- 2.2 On 19<sup>th</sup> April 2011, a meeting of the Full Council approved the recommendation of the Licensing Committee and made all streets within the Borough Consent Streets.
- 2.3 'Zorbas Kebabs' is to be situated in two parking bays which are located in the service road of London Road / Drake Avenue (Opposite Castle View Grocers) – Site plan is attached at **Appendix B**
- 2.4 The Licensing Office has consulted with all of the relevant responsible authorities, businesses and residential properties within 100 metres of the proposed site.

### **3. Objections**

As detailed in point 2.4 above the responsible authorities, businesses and residential properties within 100 metres of the proposed site have been consulted on the new application.

A total of 9 individual objections have been received from local residents objecting to the granting of this application. All of the written objections are attached to the report (**Appendix F**). The stated grounds for objecting to the application can be summarised as follows:

- Increase in noise pollution
- Increased disturbance to local residents
- Pollution including smells and odours
- Increase in anti-social behaviour
- Increase in litter
- Parking issues

In addition an objection has been received from an Environmental Health Officer which is also attached at **Appendix G** stating that there is significant potential for noise disturbance from;

- Running car engines
- Music systems in cars
- Slamming of car doors
- People congregating and talking

Slough Borough Council's Highways department have also objected to the application (attached at **Appendix H**) which can be summarised as follows;

- Obstruction of 2 parking bays which are designated for public use
- The area is classified as a residential area and therefore such activity is highly undesirable and unsuitable
- Noise and littering issues

### **Human Rights Act 1998**

Article 6 of the Human Rights Act 1998 applies:

Article 6 – That in the determination of civil rights and obligations everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.

### **5. Grounds for Refusal**

5.1 Section 7 sub-paragraph (2) of the Act details – Subject to sub-paragraph (3) (*Mandatory grounds for refusal*) the Council may grant a Consent if they think fit.

- 5.2 In essence the Council is not under any duty to grant a Street Trading Consent and need not specify statutory grounds for refusal. Therefore the matter to grant or refuse an application for a Street Trading Consent is at the total discretion of the Council.

## 6. **Appeals**

- 6.1 There is no right of appeal against the Council's decision to refuse to grant or renew a street trading consent or against the revocation or variation of a consent.

## 7. **Standard Conditions**

- 7.1 The Council has already approved a set on Standard Conditions which are attached at **Appendix I** and which will apply to and will be imposed on any Street Trading Consent that is granted.
- 7.2 The Council may also attach such other conditions they consider reasonably necessary.

## 8. **Options Available**

The Sub Committee may:

1. Grant the application as it stands in which case it will be subject to the Council approved Standard Conditions.
2. Grant the application with any variation deemed reasonably necessary subject to the Council approved Standard Conditions and any other specific conditions or restrictions the Committee deem reasonable and necessary.
3. Refuse the application.

**(Options 1 and 2 above will be subject to the full application procedure being completed)**

## 9. **The Sub-Committee must have regard to:**

- The Local Government Miscellaneous Provisions Act 1982
- Slough Borough Council Street Trading Consent Policy
- Slough Borough Council Street Trading Consent Standard Conditions.
- The nature of the business e.g. product sold
- The appearance and suitability of the trading unit.
- Any other condition the Members may feel necessary
- The overriding principle is that each application will be determined on its merits.

Hi,

In addition I am objecting to this trader because:-

1. The trader will will sell food which will cause child hood obesity, a big problem in the western world.

People like me who have children try to make sure our children dont eat this stuff and the governerment is spending millions to prevent this happening.

Hello,

I am objecting to this application because:-

1. SL3 post code area is a quiet residential area which I do not want change. The Donner Kebab Trader will change this, bringing

unwanted people to this location at unsociable hours. Research has shown such trading activities bring additional criminal

elements to the area, Slough has national high violent, sexual offence, robbery, burglary, theft of motor and theft from motor crime

rate already and so we do not want this.

2. Noise pollution will increase, noise of the van, bringing in noisy people and cars in the area at early hours in the morning.

3. Donner Kebabs / hot / cold drinks are already well served by traders in Slough Town Centre, Trelawney Ave, Langley High St

fast food is served by the chippy next to the grocers. There is no need for this Donner Kebab Trader as this type of fast food is

available already. We do not need another one.

4. Slough has a bad image nationally, we are trying to improve the image Slough, we are spending millions in 'The Heart of Slough'

project so do not spoil prime areas of slough which are well perceived by people (in/out of Slough). We want to improve the image of

Slough/SL3 not bring it down. The kebab van will damage the image of SL3 being a prime residential area.

5. Pollution, emission of green house gases will be increased because to run a petrol or diesel engine would be required for power generation

for cooking food and keeping drinks cold. We are all trying to reduce carbon emissions, this trader will increase carbon emissions

A map showing the exact location of 'The Street Trader' would clear the confusion of the exact location, a failure in part

of the Assistant Licensing Officer because the description of the proposed location is very confusing and conflicting?

Drake Ave is not opposite Castle View Grocers.

I want you to send me a google map of the proposed location.

Please confirm receipt of this email.

Re: Consultation – Application for a Street Trading Consent – Drake Avenue,  
Langley (Opposite Castle View Grocers)

Dear Licensing Team,

I absolutely object to the above licensing application of trading of donner kebabs, drinks etc. How this can even be contemplated in a residential area is beyond my comprehension.

I implore you to do whatever you can to block this proposal, which will only cause misery for the good residents of the street and neighbours. I wholeheartedly object to the proposed opening hours, and noise easily passes through the walls and windows. Why should we residents be disturbed until 5am? Inevitable noise of groups talking and car doors slamming from passing trade will be a definite problem. I also believe there is the potential to attract undesirable characters into the street and the area with such a proposal.

Imagine how you would feel if this came to your quiet neighbourhood area.

I trust this provides a strong and practical objection against this ridiculous application and hope to see the application declined forthwith.

Dear Sir / Madam

I strongly object to the application for the street trading opposite Castle View Grocers. We already have got fish and chips in the trade and everyday I have to collect rubbish from my front garden and there is so much more rubbish on Sunday morning. We have children at school so with the extra noise and traffic they will not be able to sleep if there is noise until the early hours of the morning. I am working on early shift so I have to get up early in morning. I will not be able to sleep if people making noise and continuous noise from the van generator till late night. We have not got street light and there is a more chance for vandalism and street crime. Castleview Grocers is only 100 yards from my house. Also the amount of cars will be increased, therefore more traffic will be caused and not to mention the noise. This could cause a major issue for us as we will not be able to sleep or rest due to the traffic and disturbance.

Hi,

I am writing about my concerns on opening a mobile kebab van opposite castleview grocers.

- 1) There is already a shortage of parking to get to the popular grocers, and the local chippie with blockages at various times of the day.
- 2) I do not want this area to become an alternative to the high street where the kebab van is more welcome.
- 3) This is a residential locality does not want to be disturbed after 10:00 pm, beyond which I do not believe the kebab shop is catering to the local residents.
- 4) This would create a hike in anti-social behaviour, noise and litter, with a nearby park to run down.

What is the benefit to my area, How much money is he bringing to the Councils coffers for running the area down further.

I am quite sure that my concerns will be ignored as all the council cares about is the money the licence will bring.

Here's to another feeble and futile attempt to convincing the licensing department.

Please try to park your car at the said location before you approve, to see what you are trying to force down our throat.

**Subject:** App for Street Trading Consent, Drake Ave, (opp Castle View Grocers) Langley

I am writing to oppose the application of street trading on Drake Avenue, Langley.

My reasons are:

# I feel there is already too much trouble in the alley which is about 50 yards from the area concerned

# The police are constantly being called to problems arising from the flats above the shops or from fights occurring in the alley nearby

# There are too many problems in this area, we see people urinating and arguing throughout the night, having a late night refreshment area where people can meet will only add to these issues

# My lounge window would overlook the premises, this could cause a lot of noise impact and disturbance to my usual serenity

# As Slough refuse collection arrives around 6.15am, I feel that having a kebab van there until 3.00am will result in Royal Court never have any peace and quiet

Kind regards,

Julie

Dear Sirs,

Please see email attached where I have just been made aware of the proposal. I live at [REDACTED] and am shocked at not being consulted.

I **ABOSOLUTELY OBJECT** to this proposal. This is a residential area and you will be disturbing the residents right to peace and sleep if this proposal were to be allowed.

The residents already suffer the effect of alcoholism by drinks being bought from Castleview Grocers. I am continually picking up empty drink cans, bottles, and paper begin disposed by the public on the street. My cars are at times attempted to be broken into and my front door is rung for no apparent reason during the early hours of the morning.

In addition to this there is already grave congestion concern from car congestion in the area and the public continually park on the pavement opposite the chip shop and on the double yellow lines and on the grounds of the firestation.

The area cannot cope with the additional traffic this will bring to the area. There will also be the unsociable behaviour this proposal will bring while people drink and loiter around the area up to 3am daily. This is a residential area and this must **NOT** be allowed to go ahead. This sort of proposal should only be permitted and considered around a high street or non-residential areas where necessary facilities exist to cope.

Please accept this e mail as our response

In view of the location of the proposed pitch , and based on past experience of similar ventures we consider that there is significant potential for noise disturbance from

- Running car engines
- Music systems in cars
- Slamming car doors
- People congregating and talking

In summer months residents may well have windows open and this will magnify the problem and will interfere with residents sleeping patterns and young children getting to sleep and we would also ask "how would you feel if such a pitch was set up outside your front door"

The proprietor will be unlikely to have much control of the actions of his customers and so we would object to this location and suggest a pitch more removed from dwellings be selected.

**Subject:** FW: New Street Trading Application - Zorba's Kebabs (Drake Avenue)

Michael,

My first concern with this is noise for local residents. Cars will park late at night so we will have engine noise, music, talking etc. My view is we refuse or object on those grounds. You may take a differing view.

Let me know.

Ian

 Hi,

I confirm that Highways have now had the opportunity to review this proposed location for a Kebab van and in this instance we would be objecting to the application.

The proposed location of the kebab van is within the public highway, in unrestricted and unenforced parking bays which are designated for public use, in particular the retail units within the shopping parade. Within this parade of shops is an existing take-away which operates until late in the evenings. The kebab van would be obstructing two of these bays and with customers (and staff vehicles), has the potential to take up all of the parking bays within this parking area. This would mean that they then have sole use of these public parking bays which is unacceptable. Furthermore this occurrence would limit the parking available for customers of the existing take-away. Such parking bays which are unrestricted and designated for public parking use should not be used for commercial gain, especially when they have the potential to inconvenience those users who they are intended for.

There are a number of residential units above the shopping parade and the occupiers of these are known to often utilise some of the parking available, especially in the evenings. Such activity would inconvenience them due to the restricted/limited parking left available and therefore they would be forced to find alternative parking which again is unacceptable.

Although the location is within the London Road Service Road, this area is still classified as a residential area and therefore such activity is highly undesirable and unsuitable. The van has the potential to generate unacceptable levels of noise for a residential area both by carrying out its operations and also by its customers. There are also issues such as littering, however I'm sure our colleagues within community safety and environmental services would be providing similar objections with further detail on these matters.

Based on my above comments, I confirm that Highways are unable to support an application in this location.

Kind Regards,
