**22. Application to Vary Premises Licence - Co-Operative, 238-240 Trelawney Avenue, Slough**

The Chair welcomed all parties to the meeting and outlined the procedure for the hearing. It was confirmed that all parties had received a copy of the agenda for the meeting.

Introduction by the Licensing Officer

Mr Idowu, Licensing Officer introduced the report on the application made by Co-operative Group Food Ltd, to vary a Premises Licence for 'Co-operative' at 238-240 Trelawney Ave, Langley, Slough, SL3 7UD.

The application to vary the licensable activities were outlined and it was explained that the authority had received no objections from local residents on the proposed variation.

Mr Idowu also briefly outlined the representations made by the responsible authorities. Ms Pearmain of Thames Valley Police had agreed with the premises request that CCTV footage would be kept by the premises for 30 days, instead of the usual 31 days due the system used by the Co-Operative. Further to this, it was explained that the licence holder application had been altered so that the times that the premises would supply alcohol would be changed to Monday to Sunday, 07.00 to 22.00.

Mr Idowu also outlined the representations made by Mr Palacio – Team Leader, Neighbourhood Enforcement. Mr Palacio had responded to the application and requested that the Council's "Can Marking Scheme" be made a formal requirement on the Premises Licence to enable alcohol cans and bottles to be linked to the premises and provide "prima-facie" evidence to enable investigation by the licensee to refuse sales to underage or individuals.

## **Licensing Sub-Committee - 26.04.12**

The relevant guidance and policies were outlined for Members consideration. Options available to the Sub-Committee were also highlighted.

### Questions to the Licensing Officer

Members asked questions of Mr Palacio regarding the appropriateness of imposing the “Can Marking Scheme” on the Premises Licence. Mr Palacio responded that the Neighbourhood teams had encountered Anti-Social Behaviour in the locality and it was his intention that the scheme be extended so that ‘prima-facie’ evidence on any premises selling alcohol to minors could be gathered.

A Member asked whether there was evidence if the premises in question had breached their licence so far, Mr Palacio explained that there was no evidence that this had occurred at this particular premises. However, it was explained that there were concerns about surrounding premises and that the Neighbourhood Enforcement team wished to work with the Co-Operative to extend the scheme to all premises in the area. The Co-Operative was currently taking part in the scheme as a voluntary measure.

### Representations by the Premises Licence Holders

A legal representative of the Premise Licence Holders was in attendance. The representative outlined the steps taken by the Co-Operative to ensure that all licensing objective were adhered to and enforced. He explained that the premises has a ‘Challenge 25’ policy and there were usually at least three Premises Licence Holders on site at one time. He also outlined the amended hours in the application of Monday to Sunday, which were now 07:00 to 22:00.

The representative also outlined the Premises Licence Holder’s objections to the placing of the Council’s “Can Marking Scheme” as a formal requirement on the Premises Licence. It was argued that this condition would be difficult to enforce and it was not proportionate or necessary given that there had been no breach of the licence. It was also explained that the premises was currently taking part in the scheme voluntarily.

### Questions to the Premises Licence Holder representative

In discussion with Members, a number of questions were asked of the Premises Licence Holders relating to their processes for ensuring that there were no sales of alcohol to minors. These were clarified further for the Sub-Committee.

With regard to the Council’s “Can Marking Scheme”, the representative reiterated the points made earlier. It was also explained that cans of alcohol already had batch numbers by which they could be identified and linked to a particular store, referring to a scheme currently followed in Durham.

## Licensing Sub-Committee - 26.04.12

It was suggested by Ms Pearmain that it a condition could be placed on the Licence that the premises would be obliged to follow the 'Can Marking Scheme' if officially requested. The representative of the Premises Licence Holder stated that he was not in a position to agree this condition.

### Summing Up

All parties were given an opportunity to provide a brief summary. The Licensing Officer outlined the options available to the Sub-Committee, the representations of Mr Palacio, and the amendments that had been requested by the Premises Licence Holder. The Sub-Committee's attention was drawn to section 182 of the guidance that any decision must be necessary, relevant and proportionate. The representative of the Premises Licence Holder did not take the opportunity to sum up.

All parties were asked to leave the meeting whilst the Sub-Committee deliberated.

### Decision

Having carefully considered all the information available, the Sub-Committee decided to **grant the variation** of the premises licence subject to the relevant mandatory conditions consistent with the application made and those made by Thames Valley Police. These were as follows:

- (M) Supply of Alcohol (Off the premises only)  
Monday to Sunday 07.00 – 22.00.
- (O) Hours the premises are open to the public  
Monday to Sunday 06.00-23.00
- CCTV to be installed and maintained to Thames Valley Police standard and CCTV to be kept for 30 days and made available upon the request of Thames Valley Police employees and relevant agencies.
- DPS or nominated person to be trained on how to work the CCTV system to the standard where the nominated person can download any potential evidence required by Thames Valley Police employees or relevant agencies.

In reaching this decision, Members considered the conditions to be necessary, reasonable and proportionate to address concerns relating to crime and disorder, public nuisance and public safety.

### **23. Review of Premises Licence - Alexandra Wines, Unit 4 Alexandra Plaza, Chalvey Road West, Slough**

The Clerk informed the Sub-Committee that the Premises Licence Holder had contacted Democratic Services to request an adjournment of consideration of the matter. The Premises Licence Holder attended the meeting to give his reasons for requesting an adjournment. He had not been in the country so had not received papers notifying him of the hearing until three days prior to

## Licensing Sub-Committee - 26.04.12

the meeting, and as such he did not have enough time to arrange legal representation.

**Resolved** – That consideration of agenda item 3 – Review of Premises Licence for Alexandra Wines – be adjourned to the next meeting of the Licensing Sub-Committee.

### 24. **Review of Premises Licence - Drinks Direct Supermarket Limited, 256 High Street Langley, Slough**

All parties were welcomed to the meeting and following introductions, the procedures for the hearing was explained. It was confirmed that all parties had received a copy of the relevant paperwork.

#### Introduction by the Licensing Officer

Mr Idowu informed Members that Drinks Direct Supermarket Limited operated under a premises licence which authorised the sale of alcohol at 08:00 to 23:00 on Monday to Saturday and 10:00 to 22:30 on Sunday. In February 2012 Slough Borough Council's Trading Standards Service had submitted an application for the Review of the Premises Licence on grounds of the Prevention of Crime and Disorder, Public Safety and the Protection of Children from Harm.

The grounds for the Review Application were selling alcohol to an underage person, selling cigarettes to an underage person, selling fireworks in breach of the firework licence conditions, and found in possession for sale of counterfeit alcohol, condoms and batteries.

An outline of the relevant guidance and options available were highlighted for Members consideration.

#### Questions to the Licensing Officer

None

#### Representations on behalf of Slough Borough Council, Trading Standards

Jaspal Singh, Senior Technical Enforcement Officer, Trading Standards Service, submitted evidence to the Sub-Committee and the grounds for requesting a review of the premises licence. Mr Singh outlined a history of the premises, referring to a number of incidents relating to the sale of counterfeit items, sale of alcohol to underage persons and the sale of fireworks outside the permitted time period.

Mr Palacio, Team Leader, Neighbourhood Enforcement, explained that the BottleWatch Scheme enabled the police to identify where alcohol had been purchased from as products were marked with a UV marker which was specific to that premise.

## **Licensing Sub-Committee - 26.04.12**

It was the recommendation of Slough Borough Council's Trading Standards Service that in light of these incidents, the premises licence be revoked.

### Questions to Slough Borough Council, Trading Standards

Members of the Sub-Committee questioned Mr Singh on a number of points made in his submission. Mr Singh confirmed for the Sub-Committee that the incidents regarding the sale of counterfeit goods had taken place in 2007. The test purchase exercise in which alcohol was sold to an underage volunteer and the test purchase of fireworks outside of the permitted time period were both made in November 2011

### Representations by the Premises Licence Holder

The Premises Licence Holder and his representative addressed the Sub-Committee. The representative stated that there was no evidence that counterfeit goods had been sold since the incident in 2007. Further to this, it was emphasised that this incident was an isolated one. The representative also submitted that the License Holder had made an error of judgment when making the sale of alcohol to an underage person and the sale of fireworks outside the permitted time period and that he would ensure rigorous checks were carried out in the future. The representative also presented a number of proposed conditions which related the installation of CCTV recording equipment and the Council's "Can Marking Scheme", which were noted by the Sub-Committee.

### Questions to the Premises Licence Holder

In the ensuing discussion, the Premises Licence Holder and representative were questioned on the 2007 incident of sale of counterfeit items. The Licence Holder claimed at this time there was counterfeit alcohol being sold in the market, and he had been a victim of this. The representative emphasised that he was in the process of organising training for the staff at the premises so that the licensing objectives were enforced.

The Premises Licence Holder also submitted that he had already taken part in the "Can Marking Scheme" which was confirmed by Mr Palacio.

### Summing Up

A short summary was provided by all parties following which they left the meeting in order for the Sub-Committee to deliberate.

### Decision

All parties were asked to re-join the meeting.

Having carefully considered all the information available, the Sub-Committee decided to impose the following on the Premises Licence:

## Licensing Sub-Committee - 26.04.12

1. The Premises Licence Holder is required to undertake the requirements of the Council's can-marking scheme.
2. CCTV to be installed and recordings to be kept for 31 days (compliant with Home Office regulations) and made available upon the request of Thames Valley Police or the Licensing Authority.
3. Staff to be trained on how to work the CCTV system where a staff member can download any potential evidence if required by Thames Valley Police or the Licensing Authority.

In accordance with Central Government guidance and due to the seriousness of the incident highlighted the Sub-Committee also decided to issue the premises with a "Yellow Card". It was highlighted that if a further review was necessary and matters had not improved, the premises licence could be revoked.

The Sub Committee considered the conditions imposed to be necessary, reasonable and proportionate to address concerns relating to the prevention of crime and disorder and protection of children from harm.

## **THE REVIEW PROCESS**

**11.1** The proceedings set out in the 2003 Act for reviewing premises licences and club premises certificates represent a key protection for the community where problems associated with the licensing objectives occur after the grant or variation of a premises licence or club premises certificate.

**11.2** At any stage, following the grant of a premises licence or club premises certificate, a responsible authority, or any other person, may ask the licensing authority to review the licence or certificate because of a matter arising at the premises in connection with any of the four licensing objectives.

**11.3** An application for review may be made electronically, provided the licensing authority agrees and the applicant submits a subsequent written application. The licensing authority may also agree in advance that the application need not be given in writing. However, these applications are outside the formal electronic application process and may not be submitted via Business Link or the licensing authority's electronic facility.

**11.4** In addition, the licensing authority must review a licence if the premises to which it relates was made the subject of a closure order by the police based on nuisance or disorder and the magistrates' court has sent the authority the relevant notice of its determination, or if the police have made an application for summary review on the basis that premises are associated with serious crime and/or disorder.

**11.5** Any responsible authority under the 2003 Act may apply for a review of a premises licence or club premises certificate. Therefore, the relevant licensing authority may apply for a review if it is concerned about licensed activities at a premises and wants to intervene early without waiting for representations from other parties. However, it is not expected that licensing authorities should normally act as responsible authorities in applying for reviews on behalf of other persons, such as local residents or community groups. These individuals or groups are entitled to apply for a review for a licence or certificate in their own right if they have grounds to do so. It is also reasonable for licensing authorities to expect other responsible authorities to intervene where the basis for the intervention falls within the remit of that other authority. For example, the police should take appropriate steps where the basis for the review is concern about crime and disorder. Likewise, where there are concerns about noise nuisance, it is reasonable to expect the local authority exercising environmental health functions for the area in which the premises are situated to make the application for review.

**11.6** Where the relevant licensing authority does act as a responsible authority and applies for a review, it is important that a separation of responsibilities is still achieved in this process to ensure procedural fairness and eliminate conflicts of interest. As outlined previously in Chapter 9 of this Guidance, the distinct functions of acting as licensing authority and responsible authority should be exercised by different officials to ensure a separation of responsibilities. Further information on how licensing authorities should achieve this separation of responsibilities can be found in Chapter 9, paragraphs 9.13 to 9.19 of this Guidance.

**11.7** Any application for a review received by the licensing authority from responsible authorities and any other persons should be given due consideration and treated by the authority in precisely the same way, regardless of the body or individual which made it. This includes an application made by the local authority acting in a separate capacity (for example, environmental health or child protection).

**11.8** In every case, any application for a review must relate to particular premises in respect of which there is a premises licence or club premises certificate and must be relevant to the promotion of one or more of the licensing objectives. Following the grant or variation of a

licence or certificate, a complaint regarding a general issue in the local area relating to the licensing objectives, such as a general (crime and disorder) situation in a town centre, should generally not be regarded as a relevant representation unless it can be positively tied or linked by a causal connection to particular premises, which would allow for a proper review of the licence or certificate. For instance, a geographic cluster of complaints, including along transport routes related to an individual public house and its closing time, could give grounds for a review of an existing licence as well as direct incidents of crime and disorder around a particular public house.

**11.9** Where a licensing authority receives a geographic cluster of complaints, the authority may consider whether these issues are the result of the cumulative impact of licensed premises within the area concerned. In such circumstances, the authority may also consider whether it would be appropriate to include a special policy relating to cumulative impact within its licensing policy statement. Further guidance on cumulative impact policies can be found in Chapter 13 of this Guidance.

**11.10** Representations must be made in writing and may be amplified at the subsequent hearing or may stand in their own right. Additional representations which do not amount to an amplification of the original representation may not be made at the hearing. Representations may be made electronically, provided the licensing authority agrees and the applicant submits a subsequent written representation. The licensing authority may also agree in advance that the representation need not be given in writing.

**11.11** It is important to recognise that the promotion of the licensing objectives relies heavily on a partnership between licence holders, authorised persons, responsible authorities and any other persons in pursuit of common aims. Where authorised persons and responsible authorities have concerns about problems identified at premises, it is good practice for them to give licence holders early warning of their concerns and the need for improvement, and where possible they should advise the licence or certificate holder of the steps they need to take to address those concerns. A failure by the holder to respond to such warnings is expected to lead to a decision to apply for a review. Co-operation at a local level in promoting the licensing objectives should be encouraged and reviews should not be used to undermine this co-operation.

**11.12** If the application for a review has been made by a person other than a responsible authority (for example, a local resident, residents' association, local business or trade association), before taking action the licensing authority must first consider whether the complaint being made is relevant, frivolous, vexatious or repetitious. Further guidance on determining whether a representation is frivolous or vexatious can be found in Chapter 9 of this Guidance (paragraphs 9.4 to 9.10).

## **REPETITIOUS GROUNDS OF REVIEW**

**11.13** A repetitious ground is one that is identical or substantially similar to:

- a ground for review specified in an earlier application for review made in relation to the same premises licence or certificate which has already been determined; or
- representations considered by the licensing authority when the premises licence or certificate was granted; or
- representations which would have been made when the application for the premises licence was first made and which were excluded then by reason of the prior issue of a provisional statement; and, in addition to the above grounds, a reasonable interval has not elapsed since that earlier review or grant.

**11.14** Licensing authorities are expected to be aware of the need to prevent attempts to review licences merely as a further means of challenging the grant of the licence following the failure of representations to persuade the licensing authority on an earlier occasion. It is for licensing authorities themselves to judge what should be regarded as a reasonable interval in these circumstances. However, it is recommended that more than one review originating from a person other than a responsible authority in relation to a particular premises should not be permitted within a 12 month period on similar grounds save in compelling circumstances or where it arises following a closure order.

**11.15** The exclusion of a complaint on the grounds that it is repetitious does not apply to responsible authorities which may make more than one application for a review of a licence or certificate within a 12 month period.

**11.16** When a licensing authority receives an application for a review from a responsible authority or any other person, or in accordance with the closure procedures described in Part 8 of the 2003 Act (for example, closure orders), it must arrange a hearing. The arrangements for the hearing must follow the provisions set out in regulations. These regulations are published on the Government's legislation website ([www.legislation.gov.uk](http://www.legislation.gov.uk)). It is particularly important that the premises licence holder is made fully aware of any representations made in respect of the premises, any evidence supporting the representations and that the holder or the holder's legal representative has therefore been able to prepare a response.

## **POWERS OF A LICENSING AUTHORITY ON THE DETERMINATION OF A REVIEW**

**11.17** The 2003 Act provides a range of powers for the licensing authority which it may exercise on determining a review where it considers them appropriate for the promotion of the licensing objectives.

**11.18** The licensing authority may decide that the review does not require it to take any further steps appropriate to promote the licensing objectives. In addition, there is nothing to prevent a licensing authority issuing an informal warning to the licence holder and/or to recommend improvement within a particular period of time. It is expected that licensing authorities will regard such informal warnings as an important mechanism for ensuring that the licensing objectives are effectively promoted and that warnings should be issued in writing to the licence holder.

**11.19** However, where responsible authorities like the police or environmental health officers have already issued warnings requiring improvement – either orally or in writing – that have failed as part of their own stepped approach to address concerns, licensing authorities should not merely repeat that approach and should take this into account when considering what further action is appropriate.

**11.20** Where the licensing authority considers that action under its statutory powers is appropriate, it may take any of the following steps:

- to modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition), for example, by reducing the hours of opening or by requiring door supervisors at particular times;
- to exclude a licensable activity from the scope of the licence, for example, to exclude the performance of live music or playing of recorded music (where it is not within the incidental live and recorded music exemption);
- to remove the designated premises supervisor, for example, because they consider that the problems are the result of poor management;
- to suspend the licence for a period not exceeding three months;

- to revoke the licence.

**11.21** In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response.

**11.22** For example, licensing authorities should be alive to the possibility that the removal and replacement of the designated premises supervisor may be sufficient to remedy a problem where the cause of the identified problem directly relates to poor management decisions made by that individual.

**11.23** Equally, it may emerge that poor management is a direct reflection of poor company practice or policy and the mere removal of the designated premises supervisor may be an inadequate response to the problems presented. Indeed, where subsequent review hearings are generated by representations, it should be rare merely to remove a succession of designated premises supervisors as this would be a clear indication of deeper problems that impact upon the licensing objectives.

**11.24** Licensing authorities should also note that modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months. Temporary changes or suspension of the licence for up to three months could impact on the business holding the licence financially and would only be expected to be pursued as an appropriate means of promoting the licensing objectives. So, for instance, a licence could be suspended for a weekend as a means of deterring the holder from allowing the problems that gave rise to the review to happen again. However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is appropriate and proportionate to the promotion of the licensing objectives. But where premises are found to be trading irresponsibly, the licensing authority should not hesitate, where appropriate to do so, to take tough action to tackle the problems at the premises and, where other measures are deemed insufficient, to revoke the licence.

**Please state the ground(s) for review** (please read guidance note 1)

Thames Valley Police are requesting the review of Rabz Nightclub, 305, High Street, Slough, Berkshire, premises licence under the Prevention of crime and disorder licensing objective and the public safety licensing objective.

M H Property Lettings Limited of [redacted] are the Premise Licence holders and Mr Majad Hussain is the Designated Premises Supervisor.

Since the opening of this premise on Friday 3rd February 2012 there has been nothing but problems. On the opening night a Section 19 Closure Notice of the Criminal Justice and Police Act 2001 was issued and served on Mr Hussain.

I also attended Slough Magistrates Court on Friday 13<sup>th</sup> April 2012 with Detective Sergeant Kew to request the court issue a Section 160 Closure Order, following information that an event was to be held at the premises on Saturday 14<sup>th</sup> April 2012. The event caused Thames Valley Police serious concern and Mr Hussain was requested by me to voluntary cancel the event. Mr Hussain informed me that he had spent £5,000 - £6,000 for the act and was not willing to cancel the event at such short notice. I explained to Mr Hussain of what action Thames Valley Police could take – the first course of action being to apply to the Court for the Section 160 closure. Several meetings have been held with the Designated Premises Supervisor of the premises, Slough Borough Council Licensing Department and Police licensing to discuss licensing issues in an aim to try to resolve issues. These meetings have clearly not made any difference to the way the premise is managed and the Designated Premises Supervisor appears to have no regard to Authority or the Licensing objectives.

I have detailed the relevant incidents that have prompted to Thames Valley Police applying to review this premises licence.

25/01/2012

Appointment letter sent to Mr Hussain, Designated Premises Supervisor to attend Windsor Police Station on Tuesday 7<sup>th</sup> February 2012.

02/02/2012 at 1.30pm

PC Simpson, Rachael Rumney, SBC Licensing and Debie Pearmain, Police Licensing Officer attended the premise to speak to Mr Hussain about the two separate complaints that Thames Valley Police had received about the facebook advertising. Mr Hussain was informed that this sort of advertising is not acceptable. We then went through the conditions on the premises licence and Mr Hussain was informed that all the conditions on the licence must be adhered to otherwise this would be a breach of licence. Mr Hussain assured me that all the conditions would be in place. I also informed him that I would be attending the premises on Friday 3<sup>rd</sup> February 2012 to check that the conditions were in place. He again assured me that this would be done.

**See Gen40a dated 02/02/2012**

03/02/2012 at 9.20pm

PC Simpson, Licensing Officer, SBC and Debie Pearmain, Police Licensing Officer attended the premise to check the licence conditions were being adhered to. As we entered the premise it appeared to us to not be ready for trading. The best description for the venue was that it was like a warehouse, there was no proper flooring in place, we were informed that the CCTV was not working due to a leak, no heating (it was very cold in the venue) and there were limited drinks. Door staff SIA badges checked – all in order, no drugs register seen and no metal detector in place. I questioned one of the door staff about this as the DPS kept disappearing and he informed me that they could use a hand wand – advice given to use this. No door staff signing in and out Register in place. Mr Hussain was on site but kept disappearing and was not particularly helpful during our visit. Before we left the premise I informed Mr Hussain that we would be back to ensure that the CCTV was working and if it was not working action may be taken.

At approximately 11.00pm we returned back to the venue. Mr Hussain informed us that the CCTV was still not working and someone was working on it .When I asked to see the CCTV hard drive and cameras I was shown to a hole in the ceiling by the DJ booth, when I asked who was working on the system to fix it Mr Hussain pointed to a male, who was stood by the wall. The male came over, I then said to Mr Hussain, "Well he is not working on the CCTV now is he?" At that point both Mr Hussain and the male invaded my personal space and I had no other choice but to raise both my hands to signal to them both to move away from me. It was quite obvious that the CCTV was not going to be fixed and working. We then left the premise and I informed Mr Hussain that the Inspector would be attending the premise to issue a Section 19 Closure Notice of the Criminal Justice and Police Act 2001 for the breach of licence condition. At 11.23pm Sergeant Newsome served a Section 19 Notice on Mr Hussain, DPS. We had witnessed licensable activity during our visits, prior to the notice being issued.

**See Gen40a dated 03/02/2012 and Copy of Section 19 Closure Notice**

07/02/2012 at midday

Telephone conversation with Mr Hussain. Conversation witnessed and heard by uniformed officer and Slough Borough Council Licensing Officer. Debie Pearmain contacted Mr Hussain as I believed he was not going to turn up to the pre-arranged meeting today at midday. I informed Mr Hussain that I had a Police Officer, Council Licensing Officer and myself waiting for him at the Police Station. He informed me that he was in High Wycombe and did not think that he had to come to the meeting, as we had attended the premise on Thursday last week. I informed Mr Hussain that I had not cancelled this meeting and that I was extremely disappointed that he had failed to turn up, particularly following the issue on Friday evening where the Section 19 notice had been issued. To date the CCTV was still not working. Mr Hussain informed me that he would not be opening this weekend and that he plans to open on Friday 17<sup>th</sup> February 2012. Mr Hussain was advised that the Police need to visit the premise to check that CCTV is working – when this has been done a cancellation notice can be issued. I also informed Mr Hussain that I was very disappointed with the way we were dealt with on Friday evening during our licensing inspection. Mr Hussain stated that if we had turned up at 8.30pm he would have been able to spend more time with us. Mr Hussain had a very negative attitude towards me and if this is his attitude now it does cause Thames Valley Police concern as to the way the premise will be managed, it would appear that he does not want to work with the Police or Local Authority. I informed Mr Hussain that we would check the CCTV on Thursday 16<sup>th</sup> February 2012.

16/02/2012 at 3.15pm

Sergeant Piper, Rachael Rumney, Licensing Officer, Slough Borough Council and Debie Pearmain, Police Licensing Officer attended the premise to check the CCTV system in relation to the breach of licence on the 3<sup>rd</sup> February 2012. Sergeant Piper checked the CCTV system, which had 6 working cameras. I noted and informed Sergeant Piper that not all the licensable area upstairs was covered by CCTV. We went to the upstairs area and Sergeant Piper then informed Mr Hussain that he was not satisfied with the CCTV coverage upstairs and at this stage was not going to issue a cancellation notice for the Section 19. Mr Hussain was fully update of our concerns by the Sergeant. Mr Hussain informed us that the promoter only wanted to use the downstairs area. Sergeant Piper then stated that whilst the upstairs area was not being used, he requested that an extra camera was fitted and recording the stair area and if this was done, he would be satisfied. He also stated he would like physical barriers put in place at the top of the stairs, which was not covered by CCTV. Mr Hussain agreed to do this. I then informed Mr Hussain that Thames Valley Police would return Friday afternoon (the next day) to ensure that the extra camera and barriers were in place and if this was done a cancellation notice would be issued. Sergeant Piper also advised Mr Hussain of the trip hazard at the top of the stairs and advised him to rectify this. We left the premise at 3.35pm.

As I was walking along the High Street I was handed a flyer advertising and promoting RABZ. The following advertising on the flyer caused me concerns:

Capacity advertised as 700

Drinks promotions

VIP tables being advertised (No CCTV in the VIP area – which was previously upstairs)

17/02/2012 at 1.00pm

I telephoned Mr Hussain to check that the camera has been installed as per the Sergeant's request. Mr Hussain informed me that it had been installed.

At 2.15pm PC Williams, Rachael Rumney, Licensing Officer, SBC and I attended the premise. CCTV was checked and the extra camera had been installed. PC Williams issued the cancellation notice. I then proceeded to inform Mr Hussain of my concerns over the flyer and what was being advertised. I reminded him that the capacity was 650 and not 700. Rachael Rumney and I both informed him of our concerns in relation to the cheap drinks being advertised. Rachael Rumney informed him of the mandatory condition already on the premises

Licence concerning drinks promotions. I then informed Mr Hussain of my concern of the VIP area, as I knew that the upstairs area was not covered by CCTV. Mr Hussain informed me that the VIP area had been moved downstairs. I once again reminded Mr Hussain not to use the upstairs area until the CCTV was covering the licensable area and if he did so this would be a breach of licence condition and appropriate action would be taken. We left the premise at approximately 2.35pm

On Friday 17<sup>th</sup> February 2012 at 10.00pm, I attended the premise with PC Simpson to conduct a licensing check. The upstairs area was checked, barriers were in place and the CCTV was working. As we left the premise I spoke to a member of door staff and asked if they were using the search wand on customers entering the premises. I was informed that they were not. Advice given to ensure that the search wand was used as this was a condition on the licence. I then asked the doorman if they had been briefed by the DPS to use the search wand. I was informed that they had not been briefed on anything.

Call to Police from Ambulance control. Ambulance notified of two females who had a fight inside the club, one was alleging she had been 'glasses' in the face. Two persons arrested one for GBH and the other for affray. PC Donovan requested CCTV and was told by the DPS Mr Hussain he could not view the footage as he did not have the password to hand.

As of the 17<sup>th</sup> April 2012 I was informed by the Officer that Mr Hussain had provided a statement however, he didn't have the CCTV as he said he put it somewhere safe and can't remember where. He informed the officer that he may have taken it home and he said he would inform the officer. At the time of completing this review paperwork, I can confirm the Officer has not been given the requested CCTV footage.

Pre-arranged meeting with Mr Hussain, Ian Blake, Enforcement Officer, Slough Borough Council, Rachael Rumney, Licensing Officer, Slough Borough Council, Inspector Young and Debie Pearmain, Police Licensing Officer. Meeting arranged to discuss recent licensing issues and concerns. Ian Blake informed Mr Hussain of what he had witnessed himself during the early hours of last Sunday morning. Telephone call to Police by complainant at 00.24am complaining of loud music blasting from the premises. Mr Blake was called out and attended the premises. During his attendance from 02.20am up to 03.05am he observed persons leaving the premises after the premises opening hours, he witnessed an alleged assault and observed a large crowd of 50-100 persons leave the premise and loiter at the front. The Door staff did not engage or assist with the dispersal of the persons. Mr Blake informed Mr Hussain that a noise abatement notice had already been issued to the premise, Mr Hussain was given full advice from Mr Blake and Mr Blake offered to assist him re the ongoing noise nuisance to the local residents. I then outlined Police concerns: No last entry time, drinks promotions being advertised £1.50 on shots, information being received of drugs in the premise, Alleged assault, evidence from the Enforcement Officer that the premises was being used after the licensable hours, premise being advertised as opening until 3am on You Tube and the capacity of 700. We spoke about the Temporary Events Notice until 5am next weekend, advice given to Mr Hussain that if there are any crime and disorder issues at this event, Thames Valley Police would object to any further TENS applications. I informed Mr Hussain that based on the evidence today the crime and disorder and public nuisance licensing objectives were being undermined and if the situation does not improve I will apply to review the premise licence.

Assault at the premises involving customers. When identified by SIA staff upon being ejected SIA staff punched twice. Upon police arrival staff unable to identify nature of incident and were unable to control patrons of the premises. The DPS could not be located in the premise initially as he was behind the bar continuing to serve patrons. Although this is a small event the DPS or SIA seemed to have no control measures in place, even as knowing where light switches were, adequate first aid box as injured person had to use a dish rag and tea towel to stem his cut whilst stood in the kitchen. No separate first aid room. Smokers were allowed to come and go at will with no searches and where seen exiting and re-entering with what appeared to be bottles of alcohol. Upon arrival door staff at entrance did not have a radio and no way of communicating with other SIA staff. He said he had given his radio to the girls at the bar as they were getting harassed by patrons. He was unable to identify the manager by name or location. There was only one clicker and this was with the Supervisor who was not on the door and he had to estimate the number of occupants. He was unable to call any other members of staff or direct the Officer to the injured person. The Police Officer was left with just having to go in and deal with what he found.

Mr Hussain was informed of the Sergeants comments and observations during the incident and how badly the situation was controlled. I requested Mr Hussain email me a copy of the incident report. To date I have still not received the incident report. I informed Mr Hussain that procedures have got to be tightened up at the premises and because of the incident on the 24<sup>th</sup> March 2012 during a TENS event, Thames Valley Police would object to any further TENS applications under the Crime and Disorder licensing objective. I informed Mr Hussain that we are trying to work with him but if things do not improve at the premises, Thames Valley Police would have no other option but to apply to review the premises licence.

Area Intelligence Sergeant also involved. I requested that Mr Hussain voluntary cancel this event following our concerns. Mr Hussain was not willing to cancel the event because it had cost £5,000 - £6,000. On 14<sup>th</sup> April 2012 Thames Valley Police received 3 complaints by members of the public in relation to RABZ. One of the calls was from a local resident complaining about the loud music coming from RABZ, The other two calls were from local residents who were witnessing a fight

breaking out when the club was kicking out. Police were called to the incident to find a male lying outside the club, unconscious with a pool of blood next to him. Although it transpired that it was not life threatening, crowds gathered from those who had left the club and were seen to be shouting and punching at the shutters of another shop. The crowds hung around for half an hour or more and the nightclub closed. Person arrested on suspicion of assault, ABH. The DPS,

As you can see the crime and disorder licensing objective and public safety Licensing objectives have been severely undermined. You can see from this report that we have had:

Serious issues of disorder and fights, inside the venue and outside by the venue's customers

General lack of control by the Management

Reports of customers leaving the venue at 03.45am

Complaints of ongoing loud music by local residents

Noise abatement notice issued by Slough Borough Council Environmental Protection Officer

Intelligence of drugs at the premise

Irresponsible drinks promotions being advertised on facebook

Premise advertising closing time of premise on facebook as 4am

Misleading applications for Temporary Events Notices

Section 19 issued on the opening night

Section 160 Order issued by a District Judge.

Police Sergeant Hewitt has stated that this is the worst premise he has ever been in, in over 15 years service. I am of the same view and can report that in over 10 years of working as the Police Licensing Officer and dealing with over 1,000 premises, I have never experienced such issues and lack of control within such a short time of opening. Let us not forget this premise only opened on Friday 3<sup>rd</sup> February 2012. This cannot continue as the public safety licensing objective and crime and disorder licensing objective are being undermined.

It is Thames Valley Police's view that due to the catalogue of incidents and non-compliance at

the premises and by the Designated Premises Supervisor the Premises Licence should be revoked. If however the members are of the opinion that the Premises Licence should not be revoked, Thames Valley Police request the premises licence is suspended and the below amendment and extra conditions are placed along side the existing licence:

All licensable activity to cease at midnight on all days of the week. The closing hours of the premises to be 00.30am of all days of the week.

Change of Designated Premises Supervisor

Designated Premises Supervisor to be on the premises during all licensable activity.

Thames Valley Police to be informed of all events with a minimum of 14 days notice to be given.

Last admission time to be 11.00pm.

Designated Premises Supervisor or Personal Licence Holder to be trained on how to work the CCTV System to the standard where the nominated person can download any potential evidence required by Thames Valley Police employees or relevant Agencies.

Suitably qualified First Aider with appropriate first aid supplies to be on duty during all licensable activities.

Polycarbonate glasses to be used.

Incident Register to be in place and kept up to date and made available upon the request of Thames Valley Police and any Authorised Officer of the Council and kept for a minimum of one year

All Staff members and SIA door staff to fully co-operate with Police Officers and make themselves available immediately upon the request of the Police Officer to give statements and provide CCTV.

Door staff Signing in and out Register to be in place and made available upon the request of Thames Valley Police and any Authorised Officer of the Council and kept for a minimum of one year.

Smokers to be limited to 10 persons at all times.

**Nature of Incident:**

Attended premise to meet the new DPS Mr Majad Hussain. I informed Mr Hussain that TVP had received 2 separate complaints of the advertising on facebook (see attached) Mr Hussain was informed that this sort of advertising is not acceptable. He stated that the promoter had put the comments on facebook and not him and as soon as I had informed him the day before on the telephone of the issue, the promoter had taken the comments of. We then went through the conditions on the licence and Mr Hussain was informed that all the conditions on the licence must be adhered to otherwise this is a breach of licence. He assured me that all the conditions would be in place. I also informed him that we would be attending on Friday 3rd

**Details of Person(s) arrested or reported and offences:**

PC Simpson, NSO, PC Rance, Tola Idowu, Licensing Officer, SBC and Debie Pearmain, Police Licensing Officer

**Nature of Incident:**

Attended premise to check that all the conditions on the premise licence were being adhered to. As we entered the premise it appeared to us to not be ready for trading. The best description for the venue was that it was like a warehouse, there was no proper flooring in place, we were informed the CCTV was not working due to a leak, no heating (it was really cold in the venue) and there were limited drinks. Door staff badges checked, no drugs register seen and no metal detector in place and when I questioned one of the door staff about this he then got a hand wand detector out and said that they would use that and no door staff signing in and out register in place.

**Details of Person(s) arrested or reported and offences:**

MR Hussain, DPS was on site but not particularly helpful, he kept disappearing during our visit. Very disappointing. As we left the premise Mr Hussain was informed that we would be back to ensure that the CCTV was working and if it was not working action may have to be taken.

We returned back to the venue at approximately 2300 hours, Mr Hussain informed us that the CCTV was still not working and someone was working on it. When I asked to see the CCTV hard drive and cameras I was shown a hole in the ceiling by the DJ booth, when I asked who was working on the system to fix it he pointed to a male, who was stood by the wall. The male came over - I then said to Mr Hussain, well he is

**Action taken in all other cases:**

Not working on the CCTV now is he? At that point both Mr Hussain and the other male invaded my personal space and I had no other choice but to raise both my hands to signal to them both to move away from me. At this point it was crystal clear that the CCTV was not going to be working this evening. We left the premise and I informed the DPS that the Inspector would be attending the premise to issue a Section 19 for the breach of premises licence. At 11.23pm Sergeant 4806 Newsome served a Section 19 on the DPS. Sources of Information (i.e. Discovered by Police on supervisory visit, Complaint by member of public/licensee - name of officer or name and address of complainant to be included)

Telephone conversation with Mr Hussain, DPS and Debie Pearmain, PLO. Conversation witnessed and heard by PC Simpson, PC Harrison and Rachael Rumney, SBC.

I telephoned Mr Hussain at midday as I believed he was not going to turn up to the pre-arranged meeting today at midday. I informed Mr Hussain that I had a Police Officer and Council Licensing Officer and myself waiting for him at the Police Station. He informed me that he was in High Wycombe and did not

**Nature of Incident:**

Think that he had to come in still, as we had attended the premise on Thursday last week. I informed Mr Hussain that I had not cancelled this meeting and that I was extremely disappointed that he failed to turn up. Particularly following the issue on Friday evening where a Section 19 closure order was served. To date the CCTV is still not working. Mr Hussain informed me that he was not opening this weekend, Friday and Saturday and that he plans to open on Friday 17<sup>th</sup> February 2012 - I advised him very strongly that the Police need to visit the premise and check that the CCTV is working - when this has been done a cancellation notice can be issued. I also informed Mr Hussain that I was very disappointed with the way

**Details of Person(s) arrested or reported and offences:**

We were dealt with on Friday evening during our licensing inspection, he kept disappearing. Mr Hussain stated that if we had turned up at 8.30pm he would have been able to spend more time with us. Mr Hussain had a very negative attitude towards me and if this is his attitude now it does cause Thames Valley Police concern as to the way the premise will be managed, it would appear that he does not want to work with the Police and Local Authority. That is certainly my view.

I agreed with Mr Hussain to attend the premise with a Police Officer on Thursday 16<sup>th</sup> February 2012 between 3pm -4pm to check the CCTV and if this was all in order a cancellation notice would be issued

**Action taken in all other cases:**

For the Section 19.

RABZ – High Street, Slough

At 1515 hours on Thursday 16<sup>th</sup> February 2012 I attended RABZ nightclub with Sergeant Piper, Town Centre Sergeant, Rachael Rumney, Senior Licensing Officer, SBC – the visit was to check the CCTV system in relation to the breach of licence condition and the Section 19 notice being served on Mr Hussain, DPS on the 3<sup>rd</sup> February 2012 for breach of this condition.

Sergeant Piper checked the CCTV system, which had 6 working cameras. I noted and informed Sergeant Piper that not all the licensable area upstairs was covered by CCTV. We went to the upstairs area and Sergeant Piper then informed Mr Hussain that he was not satisfied with the CCTV coverage upstairs and at this stage was not going to issue a cancellation notice for the Section 19. Mr Hussain was fully updated by Sergeant Piper of our concerns with the upstairs area. He stated that the promoter only wanted to use the downstairs area. Sergeant Piper then stated that whilst the upstairs area was not being used, he would like an extra camera fitted and recording the stair area and if this was done, he would be satisfied with this. He also stated he would like physical barriers put in place at the top of the stairs to stop customers entering the upstairs area, which is not covered by CCTV. Mr Hussain agreed to do this. I then informed Mr Hussain that Thames Valley Police would return Friday afternoon (the next day) to ensure that the extra camera and barriers were in place and if this was done, a cancellation notice would be issued. Mr Hussain was also informed that if the extra camera was not in place Thames Valley Police would not serve a cancellation notice. Further advice also given re further breaches. Sergeant Piper also advised Mr Hussain of the trip hazard at the top of the stairs and advised him to rectify this.

We left the premises at 3.35pm.

As I was walking along the High Street I was handed a flyer advertising and promoting Rabz (see attached flyer).

I made the following observations on the flyer:

1. Capacity advertised as 700
2. Drinks promotions
3. VIP tables being advertised (No CCTV in the VIP area, I was previously informed by Mr Hussain this was upstairs)

On Friday 17<sup>th</sup> February 2012 at approximately 1.00pm I telephoned Mr Hussain to enquire if the camera had been installed – he confirmed that it had. I informed Mr Hussain that I would be attending the premise at approximately 2.00pm.

At 2.15pm on Friday 17<sup>th</sup> February 2012 I attended Rabz with PC 3000 Williams, Town Centre Officer and Rachael Rumney, Senior Licensing Officer, SBC. CCTV was checked and the extra camera had been installed. PC Williams then issued the Cancellation notice for the Section 19.

I then informed Mr Hussain of my concerns over the flyer and what was being advertised. I reminded him that the capacity was 650 and not 700. Rachael

Rumney and I informed him of our concerns in relation to the cheap drinks being advertised. I also informed Mr Hussain that if there were any alcohol related crime and disorder issues at the premise we would have to become involved. Rachael informed him of the mandatory condition concerning drinks promotions.

I then informed Mr Hussain my initial concern re the advertising of the VIP tables, as I knew this area was upstairs and not currently covered by CCTV. Mr Hussain stated that the VIP area was now downstairs, I can confirm that the brown seating/sofas that were upstairs had been moved downstairs.

I once again reminded Mr Hussain not to use the upstairs area until CCTV was covering the licensable area and if he did so this would be a breach of licence condition and appropriate action would be taken.

We left the premise at approximately 2.35pm

On Friday 17<sup>th</sup> February 2012 at 10.00pm I attended the premise to conduct a licensing check. I spoke to Mr Hussain and I checked the upstairs area, which had the barriers in place and CCTV was working.

As I left the premise I spoke to one of the doorstaff and asked if they were using the search wand on customers entering the premise. He advised me that they were not. Advice given to ensure that they used the search wand as this was a condition on the licence. I then asked if they had been briefed by the DPS to use the search wand. He informed me that they had not been briefed on anything.

**NOTES**

**General**

In general, only the police may intervene on crime prevention grounds to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority may intervene of its own volition by issuing a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- The number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- The number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- The length of time a temporary event may last for these purposes (96 hours);
- The maximum aggregate duration of the periods covered by temporary event notices at any individual premises (15 days per calendar year); and
- The scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices

Shots -we feel that the mandatory condition in relation to drinks promotions is being breached. Information being received of drugs in the premises - the management need to work with the Police on this, one way would be using the drugs dog - Alleged assault by door staff -CCTV to be checked Evidence from the Enforcement Officer that the premise was being used after the licensable hours - Advice given to ensure that the conditions and hours are adhered to. Premise being advertised as opening until 3am on You Tube & capacity of 700 for the venue- advice given to ensure that this incorrect information is not advertised.

**Other Information:**

A TENS until 5am next weekend was spoken about - advice given that if there are any crime and disorder issues at this event, then TVP would object to any further TENS applications.

I informed Mr Hussain that based on the evidence today the crime and disorder and public nuisance licensing objectives are being undermined and if the situation does not improve I will apply to review the premises licence.

**Subject:** Noise Nuisance Meeting- Rabz (15th March 2012)

Dear Mr Magad Hussain (MH Properties Ltd)

As agreed in our meeting this morning I am sending this message to confirm our discussions.

As well as us Dan Lord of the Professional Sound Company was present and also my colleague Rhian Richards. I have also copied in all persons with an official interest.

The purpose of our meeting was to discuss the issue of noise nuisance to nearby residents created by the PA system in Rabz Nightclub at 305 High Street Slough.

A notice was served in this regard and having been breached on 10/3/2012 was the subject of an earlier meeting between yourself and officers from Slough BC on 13/3/12.

During the meeting today we clarified that the notice still stands and **any breach** tomorrow, Saturday or at any time in the future will still be treated as **an offence** and we advised that should offences continue we would consider seeking a **warrant** from the magistrates court to seize all noise making equipment.

You suggested the following interim measures to alleviate the noise after consultation with your adviser Dan;

1. All speakers on the first floor upper level to be disabled/turned off.
2. Speakers below the flat roofed area to the High Street side of the premises to be disabled /turned off including any near the entrance door.
3. The double door entrance/exit to be manned by security personnel who are to be advised to ensure that both sets of doors are to be closed when not in use. When people enter and leave an arrangement must be applied where only one set of doors is open at any one time – the purpose of this is to prevent sound breakout.
4. The PA system to be turned "right down" to a level that you and Dan consider acceptable.

PLEASE NOTE The caveat for point 4 is as set out above ie the notice still stands and so any nuisance created may be treated as an offence for which you may be prosecuted and/or may assist in any representations we make to the court for a warrant to seize equipment.

In the long term you agreed that Dan Lord would provide details of acoustics' consultants who would prepare a schedule of attenuation ( noise reducing works) to the premises which could include for example bricking up windows , roof sound insulation, noise limiting devices, reinforcing the front window and wood building face for example.

We will have officer patrolling Friday and Saturday and will advise you of their observations as to the improvements or otherwise that these measures achieve.

We suggest that once you have some firm outline proposals from your acoustic consultants that we meet again to discuss the proposals . In the meantime please respond and confirm that the measures 1 to 4 above will be carried out pending such works and that you understand that the notice still stands and any breach is an offence.

Thank you for your time today which was very much appreciated.

**Action taken** in all other cases:

Cctv taken. Crime reports completed for the assaulted parties. Debrief with door staff post event. They agreed that they did not have adequate control and 5 person were not enough, did not understand the layout of the premise. The licensee could not be located in the premise initially as he was behind bar continuing to serve patrons. Although this is a small event the licensee or SIA seemed to have no control measures in place, even as knowing where light switches were, adequate first aid box as injured party had to use a dish rag and tea towel to stem his cut whilst stood in the kitchen. No seperate first aid room. On cctv staff had no external smoking area \_ and they were allowed to come and go at will with no searches and exit and re enter with what looks like alcohol in bottles.

---

**Other Information:**

Upon arrival door staff at entrance did not have radio and no way of communicating with other SIA staff. He said he had given his radio to the girls at the bar as they were getting harassed by patrons. He was unable to identify the manager by name or location. He was unable to identify or contact the door supervisor. There was only one clicker and this was with the supervisor who was not on the door had to estimate the number of occupants. He was unable to call any other members of staff or direct me to injured persons. I was left with just having to go in and deal with what we found.

Debs,

This is a shockingly bad establishment. SIA staff were inadequate in number to deal with even the smallest of incidents. Injured party was treating self in the kitchen area with tea towels and a dish rag.

They couldn't control the door/nightclub area. They did not appear to have a first aid room, any first aid kit i could see.

The sia door staff on the door did not have a radio. He was unable to direct me to injured persons or contact the SIA supervisor or licencee.

They couldn't even switch the lights on. They had no external smoking area and it can be seen from the cctv nobody is being searched as the enter/re enter and they are allowed to exit/re enter with bottles containing liquid.

This is the poorest pub i have been in in 15 years.

**Nature of Incident:**

Meeting arranged to discuss the recent incident during the early hours of Saturday 24<sup>th</sup> March 2012 and the report from Sergeant Hewitt (see attached Gen40a). Mr Hussain was informed of the Sergeants comments and observations on how badly the situation was controlled. Mr Hussain disputed several of the Sergeant comments - I requested Mr Hussain email me a copy of the incident report (as of 10<sup>th</sup> April 2012 I have still not received this report). I informed Mr Hussain that procedures have got to be tightened up at the premises and because of the incident on the 24<sup>th</sup> March and an TENS had been granted, TVP would now object to any further TENS applications under the crime and disorder licensing objective. I informed

**Details of Person(s) arrested or reported and offences:**

Mr Hussain that we are trying to work with him but if things do not improve at the premise Thames Valley Police would have no other option but to apply to review the premises licence.

The Sergeant has stated that this is the worst premise he has been in, in over 15 years and I am of the same view that in over 10 years of working in licensing I have never experienced such issues and lack of control within such a short time of opening. This cannot continue as the safety of the public in my view is being undermined.

**Nature of Incident:**

Telephone conversation with Mr Hussain, DPS. I informed Mr Hussain that after checking Facebook we were aware of the event scheduled at the premise on the 14<sup>th</sup> April 2012 – Romeo Live – Romeo being a former member of So Solid Crew. Following checks of the event and it's followers, Thames Valley Police had concerns in relation to potential disorder with some of the followers. Area Intelligence Sergeant also involved. I requested that Mr Hussain voluntary cancel the event following our concerns. Mr Hussain was not willing to cancel the event as it had cost him £5,000 - £6,000. I then proceeded to inform him that Thames Valley Police may apply to the court to request a Section 160 Closure notice.

**Nature of Incident:**

On 14/04/2012 at 02.31 hours, three separate calls were made to Thames Valley Police regarding RABZ nightclub, one of them was from a local resident complaining about the loud noise coming from there. The further two calls were from local residents who were witnessing a fight breaking out when the club was kicking out. Police were called to the incident to find a male laying outside the club, unconscious with a pool of blood next to him. Although it transpired that it was not life threatening, crowds gathered from those who had left the club and were seen to be shouting and punching at the shutters of another shop. The crowds hung around for half an hour or more and the nightclub closed.

**Details of Person(s) arrested or reported and offences:**

The crowds were not dispersed straight away due to the number of people present and the fact an injured male lay on the floor. The paramedics arrived and they were slowly dispersing. **RABZ nightclub was open this evening and had started to kick people out from 02.00 hrs onwards. The manager MR HUSSAIN was contacted and he stated that neither he nor his staff saw any fighting. Despite the cctv showing the club was still kicking out.**

RE: RABZ NIGHT CLUB 308 High Street, Slough

My name is \_\_\_\_\_ and I live at \_\_\_\_\_  
Slough SL \_\_\_\_\_ which is situated \_\_\_\_\_ RABZ NIGHT CLUB.

I write to express my on going concerns regarding premises at 308 High Street Slough, currently operating as "RABZ".

Since the opening, there have been various, repeated disturbances which do not allow me peaceful enjoyment of my property.

Reports have been made to the relevant bodies concerning episodes of disturbance which include (but are not limited to) street disorder, breach of noise regulations, public order offences, crimes against the person and I believe, breach of licensing obligations/conditions.

I find that the ongoing disruption are affecting me psychologically, emotionally, occupationally and financially.

My sleep duration is grossly reduced during the operational hours of the business. I work as front line Staff nurse for the NHS and am required to regularly work unsocial hours. Lack of sleep impairs my performance and potentially endangers the vulnerable adults that I work with.

I now experience an anxiety provoking stressful anticipation of disturbance from the premises which is distressing. There has been an occasion where noise from patrons in the street was sufficiently disturbing as to necessitate my leaving my property at 03.00hrs.

There have been concerns of violent and aggressive behaviour outside the club, including a potentially serious assault, which I cannot avoid witnessing.

I have had to excuse myself from work on at least one occasion owing to a very disturbed night. This causes financial damage to me personally and is problematic for my employer.

I have a diagnosed neurological condition known to be exacerbated by reduced sleep and it is of major concern that a relapse may be triggered as a result of these

disturbances. I have already experienced a return of some symptoms which is indicative of reduced symptom control and decreased neurological stability

At times, I feel unsafe to leave my property as patrons tend to "spill out" into the street and, at times, the entrance to my property. Litter levels have increased and there have been incidences of vomit and urine in the entrance. This is a risk to my health and safety as well as being deeply distasteful and unpleasant. Traffic noise has also increased and the increased presence of emergency services gives the area a "no-go" feeling at times.

I would appreciate any assistance that you can give in the resolution of this situation.

Yours sincerely

**Nature of Incident:**

Attended premise to speak to Mr Hussain. There was a note on the door stating that the premise was shut tonight but open on Saturday and Sunday night. We could hear music coming from the premise with lights flashing. We rang the bell and banged on the front door, which was locked. We then went to the rear of the premise, which resulted in no contact with anyone. I then rang Mr Hussain's mobile number: \_\_\_\_\_ at 20.55 hours and left a message stating that I needed to speak to him about the event being advertised for Sunday evening and could he please ring me on my mobile number. As we could not gain access to the premise or alert anyone inside the venue we left the area.

**Nature of Incident:**

At 01.30hrs Monday 7<sup>th</sup> May 2012 officers attended the club and spoke with the DPS Mr. Majad Hussain, he stated he had applied for and been granted a TENS License by Slough Borough Council in order to host an event tonight and he intended to stay open until 0400hrs, he stated that a Melanie SAGAR at SBC had handled it. I advised him that our Licensing Dept had advised us that no such TEN or other extension was in force, he was adamant that this application had been made 10-14 days previously and been approved. At this time there were approx 200 paying guests in the venue and due to other incidents and outside considerations I considered it not appropriate to enforce a closure. However I did advise Mr. Hussain that

Clarification would be sought and that he may be liable for prosecution if he had failed to abide by the license.

At 02.28 URN 137 7/5/12 there was a report of 2 female customers outside the entrance fighting no offences were disclosed on our arrival and no one wanted to make any complaint  
The premises began to clear at 03.30hrs and doors were closed by 0400hrs.

I am a Patrol Inspector in The Thames Valley Police currently stationed at Slough Police Station.

At 1.30am on Monday 7<sup>th</sup> May 2012 I was on duty in full uniform when I attended at RABZ nightclub, High Street, Slough where they were holding a pre-advertised function. On speaking to door staff he confirmed that there were 190 persons in the premises and when I entered there was music and dancing taking place and service at the bar.

I then asked to speak to the DPS and shortly after spoke to a man who I now know to be Mr Majad HUSSAIN. I introduced myself and explained my role. When I asked him what time he intended to close that night he stated that he had an extension through a TEN and he would close at 4am.

I queried this as I had been informed by our licensing officer that no such extension was in place. He then stated that he had successfully applied to Slough Borough Council approx 10-14 days ago and through a Melanie SAGAR at the council had had approval and permission to stay open. I informed Mr Husain that I would confirm these details.

Mr Hussain stated that he would probably close the event around 3.30am and have the premises closed around 4am.

Throughout the night I and my officers continued to monitor the club and I can confirm that persons began to leave at approx 3.20am and the premises were closed at 4am.

Dear Mr Sims

On 6<sup>th</sup> January 2011 following a mediation meeting by the Police and the Licensing Authority in relation to the application for Rabz Night Club, 305 High Street, Slough, I sent to Mr Majad, the applicant, a copy of my formal response detailing a number of recommended conditions as discussed with and to be agreed by him. I did outline in the response that the Police not object to the application "Providing the following conditions are attached to the licence" (as detailed in my response to him).

I have now been notified that Mr Majad has now refused to accept the recommended conditions and I therefore ask that my original response on 6<sup>th</sup> January be accepted as formal objections to the application.

Notice of Application for the Review of a Premises License – Licensing Act 2003

RABZ Night Club  
305 High Street  
Slough  
SL1 1BD

Dear Sir/Madam,

My neighbour and myself are writing to make our objections to the licensing of the above club. We live at which is located 20 - 30 meters opposite the club. We are both key workers living at Key Worker Scheme Accommodation within Also I am a Psychiatric Nurse within Acute Adult Inpatient Psychiatric Ward at local Hospital. my neighbour, is a teacher at a local primary school.

Since the opening of the club, on the 3rd of February 2012, we have been subjected to various, repeated disturbances, such as; increased traffic; noise from the bass within the club; shouting and screaming from customers inside and outside; street disorder i.e. littering/urinating/vomiting and violent behaviour. The violent behaviour in question have resulted in the request of the attendance of services of the police and ambulances on nearly regular basis. As a consequence of the continued disturbance, we have been unable to sleep. Furthermore, to counteract the increase noise and activity, we both had to flee from our premises, seeking shelter elsewhere. On one such occasion, where the noise from patrons in the street was sufficiently loud, I was forced to leave my property at 3.00am. I work as a front line Staff nurse for the NHS and am required to regularly work unsocial hours. Lack of sleep impairs my performance and potentially endangers the vulnerable adults that I work with. In addition I suffer from sleep deprived Epilepsy which means that lack of sleep can cause relapse of my chronic illness and I could be potentially in danger from repeated seizures.

There have been concerns of violent and aggressive behaviour outside the club, including a potentially serious assault, which we both witnessed. The incident started with the club and then continued in the streets. My self and had to contact the police due to the violent nature of the crime. Unfortunately, this is not the only violent incident we have witnessed. On 7th May, we were both woken up by a fight outside the club, involving numerous girls.

At times, we feel unsafe to leave our properties as patrons tend to “spill out” into the street and to the entrance of our property. The risk to our health and safety as well as being deeply distressed and unpleasant nature of the club, have greatly increased.

Before the club opened we have been able to enjoy our properties; maintained good sleep patterns; fulfill our work duties and have a social life. Since the opening of the club all those areas of our lives have been greatly affected. If the club continues to trade, our life style will be severely affected, endangering those around us due to sleep deprivation we have experienced. The ongoing disruption had affected us psychologically, emotionally, occupationally and financially.

We hope that you would consider our concerns during the reviewing of the license.

Yours faithfully,

Should you require further information, please do not hesitate to contact us at details provided below:

- 
1. My name is Ian Blake I am employed by Slough Borough Council as the Neighbourhood Enforcement South Sector Team Leader.
  2. My duties with Slough Borough Council include managing a council team of Environmental Health Officers and Community Wardens using enforcement powers delegated to them to tackle Environmental Crime such as noise nuisance and anti social behaviour.
  3. On the 11<sup>th</sup> March 2012 I was the Out of Hours Duty Officer responding to noise complaints from the public. At 01:00 I received a phone call regarding a noise complaint from the councils Careline Service. I called the complainant and they advised me that they could not sleep due to noise from loud amplified music coming from a premises known as Rabz Nightclub, 305 High Street, Slough. I knew that Rabz Nightclub had an Environmental Protection Act 1990 section 80 Noise Abatement Notice in place so I agreed to visit that morning. I exhibit a copy of this Noise Abatement Notice as Exhibit IB1.
  4. I arrived at the complainants flat, which is located directly opposite Rabz Nightclub, 305 High Street Slough at 02:15. I had difficulty parking my car at a nearby location due to the number of other vehicles parked in that part of Slough High Street. As I walked to the communal entrance of the flats where the complainant lived I noticed a large gathering of people in the street generally. I also noticed a large gathering of people out side the entrance of Rabz Nightclub. I noticed that some of these people were drinking from bottles and that there was a lot of shouting and yelling in general. I estimate the number of people to be at least one hundred and I had difficulty walking on either side of the road due to the number of people in my way. I could see that a number were appearing to be intoxicated. I found the size of the groups and the atmosphere in the area in general intimidating.

5. I entered the complainant's communal entrance and made my way up to their flat where I introduced myself and entered their home. There was also another complainant in this flat from a neighbouring flat who also said they could not sleep. I asked that all of the flat windows be closed so that I could listen. I noted that with all of the flat windows closed I could hear the thumping base beat from Rabz Nightclub. I could hear lyrics of a song being played but not clearly enough to make the lyrics out enough to either identify the words or the song. In addition to this I could clearly hear the shouting and yelling in the street outside. There was a constant noise from verbal conversation of individuals and groups in the street. This noise would then be punctuated by someone yelling at Rabz Nightclub door area or someone else in the street. These out bursts generally contained swear words or abusive language. The noise in total was at such a level it would prevent someone from sleeping or going about their business in their own home undisturbed.
6. Upon speaking with the complainants they told me that this activity had started at 22:00 and then at 00:00 it had got louder.
7. I then began to watch the activity in the street from the flat window which was directly opposite the entrance of Rabz Nightclub. I paid particular attention to the entrance of Rabz Nightclub. I noticed that at 02:30 people were still getting into the club and that these people were not individuals who had been previously smoking outside the club. At 02:40 a single person appeared to be ejected by door staff from the club and there was a loud abusive verbal confrontation at the club entrance. At 02:45 a scuffle appeared to take place around the club doorway with pushing and shoving and a lot of abusive shouting and yelling. Throughout all of these incidents there were at least one hundred people in the High Street area around Rabz Nightclub.
8. At 02:48 Rabz Nightclub appeared to be closing with people now coming out of the club in a constant stream into the High Street. At 03:00 about two hundred people had now gathered in an around the High Street area outside Rabz Nightclub. The road had become grid lock with people attempting to move their cars that were parked in the High Street directly outside the nightclub. In addition to cars attempting to move people from the club were walking and staggering into the road from the crowded pavement. An ambulance showing blue lights attempted to get through that part of the High Street and was caught up in the stationary traffic and general chaos causing it to be halted.
9. At 03:02 a fight broke out in the door way of Rabz Nightclub. A person dressed in a dark suit who appeared to be a member of Rabz Nightclub door staff came from inside the club and punched a person who was shouting at the entrance door area of Rabz Nightclub knocking them to the ground. At this point a group gathered around the entrance of Rabz Nightclub but nothing further appeared to occur. At 03:07 the Rabz Nightclub doors shut. This incident was captured on Council CCTV and I exhibit this CCTV footage as Exhibit IB2.
10. At 03:10 a number of police vehicles arrived and parked up. I then witnessed police officers attempting to get the traffic in the High Street moving and moving people gathered on the pavement and in the road on.

11. I then left the complainants flat and went out into the street. I noticed a number of police officers gathered by the side of a police van. I introduced myself showing my authorisation and asked if one of them would accompany me whilst I attempted to speak with the staff of Rabz Nightclub. Two officers then came with me to Rabz Nightclub.
12. At 03:15 I knocked on the door of Rabz Nightclub. Upon the door being answered I introduced myself and asked to speak with the manager. I and the two police officers were invited inside of the nightclub and introduced to a person who identified himself as the person in charge and that his name was Majad Hussain of
13. I introduced myself to Majad Hussain showing my authorisation and I explained to him why I was asking to see him and I explained what I had witnessed since 02:15.
14. Majad Hussain said he had received the Environmental Protection Act 1990 section 80 Noise Abatement Notice however he did not understand what it meant and that he thought he had 28 days to comply as opposed to appeal. Majad Hussain said that the sound system was build into the club by CVA Sound and that they had set the limits. When I asked Majad Hussain what were the limits and did he have a Noise Management Plan he replied he did not know. I asked Majad Hussain if the club had a noise limiter and he said yes. I then asked Majad Hussain what the limit was set at and again he replied he did not know.
15. I asked Majad Hussain about his opening times and he told me that the club allowed people in until 02:00 and then had to empty by 02:30 as per Rabz Nightclub licensing conditions. I then said that people were still entering Rabz Nightclub at 02:30 and that closure of the club appeared to be at 03:00. Majad Hussain replied by stating that the club has closed at 02:30 that morning and I had been mistaken.
16. I asked Majad Hussain about how the club dealt with noise from customers in the street and any fights that broke out on the doors of the club or in the street. Majad Hussain replied that it was not his problem and how could he control what was going on outside and that he was not interested in any fight or rowdiness in the street.
17. I and the two other police officers left Rabz Nightclub at 03:30. Upon entering the High Street it was empty of people and cars.
18. I am available to act as a formal witness if required.

    - (ii) a person who is also owner of the premises, or
    - (iii) a person who is also an occupier of the premises or,
