71. Minutes of the Meeting held on 18th November 2019

Resolved – That the minutes of the meeting of the Cabinet held on 18th November 2019 be approved as a correct record.

72. Performance & Projects Report Q2 2019/20

The Strategic Insight Manager introduced a report that set out the latest performance information for the second quarter of 2019/20 to the end of September 2019. The report included progress against the Corporate Balanced Scorecard indicators; updates on the 28 projects in the portfolio; and on the manifesto commitments.

Nine out of the twenty-two performance indicators were achieving the set targets with a further four close to target. Notable improvements on the previous quarter included the attainment gap at Early Year's Foundation stage, average journey times and household waste sent for reuse, recycling or composting. However, the number of 'Red' rated indicators had increased to six. These included the number of direct payments, total crime rate, households in temporary accommodation and number of empty properties brought back into use. In relation to key projects, it was noted that one had been completed during the quarter – Speech and Language Therapy commission – and twenty-five out of the twenty-eight live projects were either 'Green' or 'Amber'. The vast majority of manifesto commitments were on track for delivery and none were 'Red' rated.

Members discussed several indicators including the crime rate per 1,000 population, which was 'Red' rated and has risen to the highest level for a year.

It was recognised that there was significant variation in the indicator as it was based on reported crime to the Police, which was driven by crime type and seasonality and was not directly in the Council's control. The work of the Safer Slough Partnership in monitoring and tackling crime was highlighted. Reported crime was a useful measure, and Members asked whether an additional indicator could be identified which would reflect the Council's performance. It was agreed that the options for suitable indicators would be explored and brought to Members for consideration for inclusion in the 2020/21 performance reporting process.

Speaking under Rule 30, Councillor Strutton asked a number of questions including about the potential future impact of Heathrow expansion on journey times, street cleanliness, reported crime, direct payments, recycling and bringing empty properties back into use. Lead Members and Directors responded to the various points raised.

At the conclusion of the discussion the report was noted.

Resolved – That the Council's current performance as measured by the performance indicators within the balanced scorecard, the progress status of the gold projects and the manifesto commitments be noted.

73. Council Taxbases 2020/21

The Service Lead Finance introduced a report that set out the properties in Slough and their categories of occupation for the purposes of determining the council taxbase for the 2020/21 financial year. The Council was required by law to set the taxbase by 31st January each year and the figures would be used in the calculation of the council tax for 2020/21.

The taxbase for 2020/21 had been calculated by using the data available relating to dwellings provided by the Valuation Office Agency as at 30th November 2019. It calculated the statutory council taxbase to be 42,918.1 for 2020/21, based on a collection rate of 98.4% which was the same as the current year. The report also made a number of recommendation about Council Tax discounts for long term empty properties, the collection rate and sought approval to give delegated authority to the Section 151 Officer to make any necessary adjustments and to set the Business Rates baseline.

There had been a 0.3% increase in the taxbase from 2019/20, equivalent to a net increase of 128.3 properties. Clarification was sought about why this figure appeared to be low given previously reported levels of growth. It was noted that there had been a 1.2% increased in dwellings but this had been offset by the increased eligibility for Council Tax discount.

At the conclusion of the discussion the recommendations were agreed.

Resolved –

- (a) That the level of council tax discount in respect of second homes remains at 0%.
- (b) That the level of discount in respect of long-term empty properties remains at 0%, with the charge of a 100% Empty Home Premium for on properties that have been empty longer than 2 years.
- (c) That the collection rate for council tax for 2020/21 be set at 98.4%. This is the same rate as for 2019/20.
- (d) In accordance with the Local Government Finance Act 2012 and the Local Authorities' (Calculation of Council Tax Base) Regulations 2012 the amount calculated by Slough Borough Council as its council tax base for 2020/21 shall be:
 - i) Parish of Britwell 868.6
 - ii) Parish of Colnbrook with Poyle 1,912.9
 - iii) Parish of Wexham Court 1,416.5
 - iv) Slough Town 38,720.1
 - v) All areas 42,918.1
- (e) That the S151 officer be delegated with responsibility to adjust the taxbase following Cabinet due to any changes in Government guidance around this subject and the Collection Fund figures for distribution.
- (f) That the S151 officer be delegated with responsibility to adjust the taxbase following Cabinet should any new property information become available and the Collection Fund figures for distribution require amendment.
- (g) That the S151 officer be delegated with responsibility to set the Business Rates baseline following consultation with the Lead member for Governance and Customer Services.

74. Medium Term Financial Strategy (2020/21 to 2022/23) and Initial 2020/21 Budget Considerations

The Service Lead Finance introduced a report that updated on the Council's latest medium term financial strategy (MTFS) forecasts for the years 2020/21 to 2022/23. The report set out how resources would be targeted to meet the Council's priorities and included areas of growth and savings proposals to balance the budget. If agreed, the assumptions and proposals would be included in the budget being prepared for Cabinet and Council consideration in February 2020.

The Chancellor of the Exchequer had announced a one year spending review for 2020/21 which included some additional funding for adult social care,

homelessness and high street regeneration. The implications for Slough were not yet known. The Government had also announced that local authorities could raise Council Tax by up to 2% plus an additional 2% adult social care 'precept' before a referendum had to take place. The MTFS assumed these provisions would be fully utilised but these decisions would be taken by Members in due course.

The Lead Member for Health & Wellbeing commented that the modest additional funding made available nationally for adult social care would not be sufficient to address the short term funding shortfall and there was an urgent need to prioritise the longer term reforms that it was widely agreed were required. Members discussed a number of other issues including the impact of the Slough Children's Services Trust financial position and the work undertaken to develop achievable and realistic savings targets necessary to balance the budget. Councillor Strutton spoke under Rule 30 and asked a question about the public health grant and the ring fencing of the revenue generated from the adult social care precept. The allocation for Slough's public health grant was explained, and it was noted that the borough received a relatively low sum per resident. The adult social care precept was ring-fenced and the Council was required to demonstrate that it had been spent on adult social care.

At the conclusion of the discussion the recommendations were agreed.

Resolved –

- (a) That the revised Medium Term Financial Strategy (MTFS) is approved, as the basis for considering 2020/21 budget options;
- (b) That the 2020/21 budget is modelled on the basis of a Council Tax increase of 3.99% for 2020/21 (which includes the Government's 2.00% adult social care precept), for resource planning purposes; the 3.99% is for modelling purposes only at this time. The decision on the Council Tax to be set for 2020/21 will be made by members in February and may not be at the maximum figure included in the MTFS once the budget work has been finalised.
- (c) That the ongoing uncertainty is noted, regarding the extent to which the Authority may retain a share of business rates growth and the way that central government assesses the Authority's need to spend in the future. This makes medium term financial planning more difficult than usual;
- (d) That the timing of the provisional local government finance settlement is noted, as it will be announced later than normal (due to the General Election), so the time for scrutinising budget proposals will be less than usual;
- (e) That the initial savings proposals (and additional income generation proposals) are noted, as they are designed primarily to fund some of

the additional 2020/21 spending pressures from Slough Children's Services Trust (SCST).

75. The Transfer of Relevant Adoption Services from the Trust to a Regional Adoption Agency

The Director of Children, Learning & Skills Services introduced a report that sought approval for the Council to join the Regional Adoption Agency (RAA) arrangements hosted by the London Borough of Harrow in order to procure adoption services provided by the Thomas Coram Foundation.

The Education & Adoption Act 2016 would require all local authorities to join a RAA by 2020 and the aim was to improve the adoption service through larger recruitment teams and a wider pool of adopters. It was noted that the transfer of services from Slough Children Services Trust to the RAA would require amendments to the Statutory Direction the Council was currently under and discussions were underway with the Department for Education. The London Borough of Harrow was the host authority for the RAA that it was proposed the Council would join and the service would be carried out by the Thomas Coram Foundation for Children. All adoption statutory functions were in scope of the arrangement including adopter recruitment and training, matching and adoption support. Full due diligence had been completed through the DfE to establish that these were competent organisations to lead the RAA.

Lead Members discussed various aspects of the proposal including the transfer of staff and financial implications. Six full time equivalent staff would transfer from the Trust to the RAA but they would remain located in Slough. The financial implications were set out in section 4 of the report.

At the conclusion of the discussion the recommendations were agreed.

Resolved –

- (a) That the Council join the Regional Adoption Agency arrangements hosted by the London Borough of Harrow in order to procure adoption services provided by the Thomas Coram Foundation for Children under those arrangements; and
- (b) That powers be delegated to the Director of Children, Learning and Skills Services, in consultation with the Lead Member for Children and Schools, to agree all terms with the London Borough of Harrow, the Secretary of State For Education, the Thomas Coram Foundation for Children, the Slough Children's Services Trust and other participant authorities and to arrange for the Council to enter into or execute all deeds and agreements necessary to put such arrangements into effect, and
- (c) That a delegation to the Director of Children, Learning and Skills to make all further decisions regarding the final arrangements to enable

the Council join the RAA including amendments to the arrangements with SCST as appropriate, and

- (d) That powers be delegated to the Director of Children, Learning and Skills, in consultation with the Section 151 officer, to approve the financial model and funding contributions, and
- (e) That the requirement for the TUPE transfer of adoption staff from SCST to Thomas Coram Foundation for Children is noted.

76. Tower & Ashbourne Houses Redevelopment

The Service Lead Housing Development and Contracts introduced a report that updated Lead Members on the position following the advertisement of the notification of intention to appropriate land at Tower House and Ashbourne House which had been agreed by Cabinet on 18th November 2019.

It was confirmed that no responses had been received following the advertisement and the Cabinet was recommended to pass resolutions to confirm that appropriation powers be used in advance of making the compulsory purchase authorised on 4 February 2019 as updated on 18 November 2019, subject to obtaining the consent of the Secretary of State. The use of compulsory purchase powers would proceed unless an agreement could be negotiated with the final leaseholder.

The recommendations were agreed.

Resolved –

- (a) That it be acknowledged that no responses were received following the advertisement of notice of intention to appropriate those parts of the relevant land that comprise open space under section 122(2A) of the Local Government Act 1972;
- (b) To appropriate the Council Interests for planning purposes so as to facilitate the comprehensive regeneration of land at and adjacent to Tower House and Ashbourne House, including the provision of affordable housing, subject to the consent of the Secretary of State under section 19(2) of the Housing act 1985;
- (c) That the decision to proceed with the CPO as considered at the meeting of Cabinet on 18 November 2019 be affirmed;
- (d) That it be acknowledged that the appropriation of the Council Interests and the compulsory purchase of the interests in the Order Land would enable reliance on Section 203 of the Housing and Planning Act 2016 to override third party rights affected by works on or use of that land;
- (e) That it be noted that the Service Lead for Housing Development and Contracts had delegated authority to proceed with making and effecting

the confirmation and implementation of the CPO following the appropriation, under the powers delegated by the resolutions made at the Cabinet meeting on 4 February 2019 and 18 November 2019 including seeking the Secretary of State's Consent further to section 19(2) of the Housing Act 1985.

77. Procurement of Community Mental Health Accommodation Services

The Lead Member for Health & Wellbeing introduced a report that sought approval to proceed with the procurement of a care and support service for a new supported accommodation service for people with mental health needs.

The new accommodation would assist people with complex mental health needs in an 11 unit property owned by a local developer. The annual cost of care to the mental health team would be £440k and the value of the new service over the entire life of the contract was circa £2.2m. In some cases the individuals places in the service may be eligible for Section 117 funding from health budgets. The new service would build on the success of Hope House which was the first supported accommodation service to deliver a community based recovery and reablement service. The model developed by the team in Slough had been recognised for its innovation in engaging and empowering individuals to live independently.

Speaking under Rule 30, Councillor Strutton commented on the excellent service provided by the mental health team and the potential wider savings to health and social care services that could be achieved by effective support to people with such conditions.

The Cabinet welcomed the approach that was being taken in Slough to provide such innovative mental health support and agreed that the procurement for this further service could be commenced.

Resolved – The procurement of a care and support service for a new supported accommodation service for people with mental health needs.

78. Amendment to Temporary Accommodation and Private Sector Placement Policy

The Lead Member for Housing & Community Safety introduced a report that sought approval to amend the Temporary Accommodation and Private Sector Placement Policy to offer options to house homeless households outside of Slough.

The background, policy, equality impact assessment and legal implications as set out in the report were reviewed. The proposal would enable more homeless households in temporary accommodation to be housed in suitable, settled homes. Lead Members recognised the potentially negative impact an out of borough policy could have on some households but that it needed to be considered out of necessity given the pressures caused by the significant

increase in homeless households in recent years, the constraints and cost of housing supply in Slough and the impact on reductions in housing related benefits. Sections 5.7 and 5.8 of the report set out the criteria that would be used to determine whether an out of borough offer would be appropriate. The criteria excluded certain groups from such offers for example those receiving medical treatment, providing essential care or households with children in care or special needs. It was acknowledged that some households may want to be placed outside of the borough for financial or other reasons. The amended policy would be reviewed after one year and the Cabinet was particularly sensitive to any adverse impacts on families with school age children.

Councillor Hulme addressed the Cabinet under Rule 30 and raised a number of issues including the consultation undertaken, the potential for legal challenge and the definition of reasonable offer. Councillor Strutton also highlighted the importance of working with households to make reasonable offers that would meet their specific needs.

After due consideration the recommendation was agreed.

Resolved – That delegated authority be given to the Director of Place and Development, following consultation with the Lead Member for Housing, the decision to agree the resource allocation for this policy going forward.

79. References from Overview & Scrutiny

There were no references from the Overview & Scrutiny Committee or scrutiny panels.

80. Notification of Forthcoming Decisions

The Cabinet considered and endorsed the Notification of Decisions published on 17th November 2019 which set out the key decisions expected to be taken by the Cabinet over the next three months.

Resolved – That the published Notification of Key Decisions for the period between December 2019 to February 2020 be endorsed.

81. Exclusion of Press and Public

Resolved – That the press and public be excluded from the meeting during consideration of the items in Part II of the agenda as they involved the likely disclosure of exempt information relating to the financial and business affairs of any particular person (including the authority holding that information) as defined in Paragraph 3 of Part 1 the Schedule 12A the Local Government Act 1972.

5 Supporting Information

- 5.1 For the 10 years prior to 2015/16, the setting of Council social rents has been guided by the Government policy called rent convergence, the intention of which was to bring parity to Council social rents across the country, and reduce the 'gap' between Council social rents and Housing Association rents.
- 5.2 Driving these annual rent charges was a Government prescribed formula which linked the following year's rent changes to the previous September's RPI and was weighted for regional differences e.g. salaries and house prices.
- 5.3 In the summer budget on the 8th July 2015, the Chancellor announced that "rents paid in the social housing sector will not be frozen, but reduced by 1% a year for the next four years". In previous years, the Government has always allowed Councils 'discretion' in changing their rents but produced a rent policy to guide Councils in the setting of their rents. Slough Borough Council has followed Government 'rent policy' and set its rents in line with that policy.
- 5.4 The Government departed from the previous practice of issuing rent 'guidance' to setting social rents across the country through primary legislation. Section 23 (1) of The Welfare Reform and Work Act 2016 states that:-
- "In relation to each relevant year, registered providers of social housing must secure that the amount of rent payable in a relevant year by a tenant of their social housing in England is 1% less than the amount that was payable by the tenant in the preceding 12 months."*
- 5.5 Section 23 (6) then goes on to define the relevant applicable years as a year beginning on the 1 April 2016, 1 April 2017, 1 April 2018 or 1 April 2019. The rent decrease did apply for these years including the current year 2019/20.

6 Next Five Years

- 6.1 On the 4th October 2017, the Government announced plans that stated that from 2020, social housing rents would be limited to CPI plus 1% for at least the following five years.
- 6.2 In September 2018, the Government launched a consultation document 'Rents for social housing from 2020-21' in which it was proposed that rents could be increased by up to CPI+1% each year for a period of at least 5 years from 2020.
- 6.3 The government response to the consultation was a confirmation that it intended to implement its plan to increase social rents by CPI + 1% from April 2020. The government also confirmed that Local Authorities would have to follow the rent standard as set out by the Regulator of social housing so as to align the regulation of council rents with that of private registered providers.
- 6.4 In February 2019 the Secretary of State gave the "*Direction on the Rent Standard 2019*". This direction directed all social housing providers on the governments' requirement in relation to the setting of social housing rents.
- 6.5 The direction referred to the document "*Policy statement on rents for social housing*" which sets out the practical steps required to implement the new regime from 1/4/2020. The policy states that

The new policy will come into effect from 1 April 2020. It will not override landlords' statutory obligation to complete the four year social rent reduction as required by the Welfare Reform and Work Act 2016. Where a landlord has not completed the social rent reduction by 31 March 2020 (because its rent year begins after 1 April), it must complete the reduction before the applying the new policy.

6.6 The new regime is subject to the following

“Registered providers must not allow rents to rise above the rent cap level for the size of property concerned. The rent caps apply as a maximum ceiling on the formula rent, and depend on the size of the property (the number of bedrooms it contains). Where the formula rent would be higher than the rent cap for a particular size of property, the rent cap must be used instead.”

Formula rent caps for 2019-20 and 2020/21 are as outlined in the following table. This shows current caps for 2019/20 and proposed caps for 2020/21 and indicates that from 2020-21, rent caps will increase by CPI (at September of the previous year) + 1.5 percentage points, each year.

Number of Bedrooms	2019/20 Rent Cap per week	2020/21 Rent Cap per week
1 and bedsits	141.43	145.96
2	149.74	154.53
3	158.06	163.12
4	166.37	171.69
5	174.69	180.28
6 or More	183	188.86

6.6 In terms of Service Charges the Policy statement states that

“Service charges are not governed by the same factors as rent. However, registered providers should endeavour to keep increases for service charges within the limit on rent changes, of CPI + 1 percentage point, to help keep charges affordable.”

“Where new or extended services are introduced, and an additional charge may need to be made, registered providers should consult with tenants.”

6.7 In terms of Affordable Rents the Policy Statement states that

“When a tenancy of affordable rent housing is let to a new tenant (or re-let to an existing tenant), registered providers must re-set the rent based on a new valuation, to ensure that the new rent is no more than 80% of the relevant market rent.”

“Where a registered provider is re-setting the rent as a result of re-letting affordable rent housing to an existing tenant, the provider may not increase the rent by more than CPI + 1 percentage point. ‘Existing tenant’ in this context means an existing tenant of the specific property concerned.”

7 Impact

- 7.1 The estimated average weekly rent for 2019/20 is £102.57 and £105.34 in 2020/21, an increase of 2.7%.
- 7.2 The HRA 30 year financial business plan has been updated to reflect the introduction of the CPI+1% increase for the next 5 years starting on 6/4/2020. The impact on the 2020/21 forecast is an estimated increase in rental income of £0.82m to £32.70m over 2019/20 of £31.88m. This takes into account a voids rate of 1.7%
- 7.3 The other changes likely to impact on the HRA and the Council's tenants in the next few years are:-

7.3.1 Universal Credit

The full UC service is still being rolled out and will affect all new claims from working age customers with less than three children e.g. unemployed, sick, disabled, carers, lone parents, foster carers plus change of circumstances; certain client groups e.g. over 65s, supported housing, will be exempt. The financial impact on the HRA for 2020/21 is difficult to estimate but the budgeted rental income collection rate has been revised downwards and the level of bad debts provision maintained in anticipation of the switch to monthly payments, the longer processing time, and the merging of HB with several other benefits into one payment. The HRA Financial Business Plan will be reviewed on a regular basis as the full impact of Universal Credit becomes clearer.

7.3.2 HRA Borrowing

From 2012, Councils were restricted in how much their Housing Revenue Account could borrow to fund new council housing and major refurbishment programmes. The Government has now removed this restriction by abolishing the Housing Revenue Account cap that controlled local authority borrowing for house building. Details are still emerging but it is likely that any new borrowing will be governed by the CIPFA developed *The Prudential Code for Capital Finance in Local Authorities* - a professional code of practice to support local authorities in taking decisions on capital investments. Key objectives of the Code are to ensure, within a clear framework, that local authorities' capital investment plans are affordable, prudent and sustainable; that treasury management decisions are taken in accordance with good professional practice; and that local strategic planning, asset management planning and proper option appraisal are supported.

A number of proposed new build schemes are in the development stage and these will be reviewed to ascertain the optimal balance of new units achievable with this additional source of loan funding.

PART I
KEY DECISION

COUNCIL TAX SUPPORT SCHEME 2020-21**1 Purpose of Report**

The Council must have a Council Tax Support scheme in place each year; this must be approved annually by the 11 March preceding the start of the scheme. This report and appendix is the Council's scheme for 2020-21.

2 Recommendation(s)/Proposed Action

The Cabinet is requested to agree that a new banded income Council Tax Support Scheme be adopted by Slough Borough Council for the 2020-21 financial year.

The Cabinet is requested to resolve the Council Tax Support scheme as detailed in appendix A is approved for 2020-21

4 Other Implications**(a) Financial**

This report should be cost neutral compared to the current Council Tax Support scheme. The uprating of the scheme with inflation (or the amount determined by the Minister of State for Pensions) should be broadly cost neutral as other benefits and income assessments are changed, therefore there are no direct financial implications of this paper;

This is based on the assumption that the number of applicants will remain similar to 2019-20, however, if the number of applicants for Council Tax Support increases there will be a financial pressure, and if the levels fall, there will be a financial benefit to the Council compared to the current level of applicants.

(b) Risk Management

Risk	Mitigating action	Opportunities
Legal	The proposed scheme is currently being reviewed by an external barrister and their comments will be included in	

	the final version. The scheme proposed is a new banded income scheme.

Human Rights	See EIA	
Health and Safety	None

Financial	Income to be uprated in line with DWP rates. Applicable amounts will no longer apply for Council Tax Support. Please note that the working age benefits freeze implemented by the Chancellor of the Exchequer is due to stop in April 2020. An increase in CTS cases will be a financial pressure on the collection fund	A decrease in CTS claimants will be a financial benefit to the Council through reduced payments, though there is a risk with the implementation of Full Service for Universal Credit that some claimants who are entitled to Council Tax Support may not claim and efforts are ongoing to mitigate this.

Legal Implications

Section 13A (2) of the Local Government Finance Act 1992 requires the Council as the billing authority to make a localised Council Tax Reduction Scheme in accordance with Section 1A of the act. Each financial year the Council must consider whether it wants to revise the scheme or replace it.

5 **Supporting Information**

5.1 The Council Tax Support scheme was introduced in April 2013. At this time the government changed it from a national scheme for all customers to a local

scheme for working age customers. The national scheme remained for all non working age customers.

- 5.2 Slough Borough Council in line with the legislation and a Local Council Tax Support scheme was approved by members on 10 December 2012. SBC did not make any changes (apart from uprating) to the scheme for 2014-15 or 2015-16, and then a number of changes were made for 2016-17. There were no material changes made to the scheme for 2017-18, 2018-19 or 2019-20 and the limited uprating was applied.
- 5.3 The legislation demands that the Local Council Tax Support scheme is approved by members each year before 11 March of the financial year preceding the start of the scheme.
- 5.4 Paragraph 3 to Schedule 1A of the Local Government Finance Act 1992 sets out the preparation that must be undertaken prior to the adoption or revision of a scheme, including prescribed consultation requirements. If the scheme is going to change then a full consultation must be carried out with all the charge payers prior to a decision being made, unless the change is for uprating purposes only. Accordingly a 6 week public consultation took place from 7 October to 17 November 2019 and the Council worked with the communication team to raise public awareness of this via a press release, Twitter announcements and communication on the Council's webpage. The actual consultation document was held here along with a link to access a useful online calculator which provided the user with a comparison of their award under the old scheme against the proposed new scheme award. Consultation has also taken place with our major preceptors Police & Crime Commissioner of Thames Valley and Royal Berks Fire & Rescue.
- 5.5 It is proposed that a new income banded scheme be devised and approved by members.
- 5.6 The Department of work and Pensions stated in 2015 that there would a freeze on uprating of benefits for working age customers for 4 years, and it is expected that this will end in April 2020.
- 5.7 The scheme also states that it will reflect any welfare benefits changes that come into operation in the course of the scheme.
- 5.8 The upratings where applicable will be released early in the calendar year 2020, but the scheme must be approved by members prior to the 11 March 2020 as stated in the legislation, therefore if there are any implications from the uprating authority is asked for the Section 151 Officer to approve these changes.

Council Tax Support scheme 2020-21

- 5.9 The Council Tax Support scheme for 2020-21 is included in appendix A.
- 5.10 The Council Tax support scheme is a newly devised income banded scheme which is based on the consultation process carried out in October and November 2019. An income banded scheme is one where the income of the person claiming (and their partner if they have one) minus any relevant disregarded income (e.g. Child Benefit, Personal Independence Payments,

housing element of Universal Credit) is compared to the table of bands in Appendix 1.

- 5.11 Slough Borough Council are looking to fundamentally change the Council Tax Support scheme for working age customers to make it easier to administer, clearer to understand and with less administration for both the customer and the service.
- 5.12 Because their awards will not be changing every time their income alters (as they do in the current scheme) customers will experience fewer changes in their council tax bills and instalments for payment. For example, refer to the Income bands in Appendix 1, for a single person whose income is £80 per week their award would be 65% of their council tax liability and this would not decrease until their income exceeded £103.35 per week. If their income dropped below £73.35 the award would increase to 80% of their liability.
- 5.13 Protected claimants, as detailed in category 6 below, could be awarded a maximum of 100% of their liability depending on their income.
- 5.13 The intention is that the scheme for 2020-21 should cost no more than 2019-20 but that SBC would not look to make savings as the impact on Council Tax collection would potentially negate any savings.

The following factors are being proposed for 2020-21:

1. That all working age customers will have to pay a minimum of 20% of the council tax charge (as per current scheme)
2. Introducing an income banded scheme, which means that the income of the person claiming (and their partner if they have one) minus any relevant disregarded income (e.g. Child Benefit, Personal Independence Payments, housing element of Universal Credit) is compared to the table of bands in *Appendix 1* (at this stage the bands are indicative pending the outcome of the consultation) in order to award the appropriate percentage reduction to the Council Tax account.
3. Passported claimants will all go into the lowest income band.
4. Universal Credit only claimants will all go into the lowest income band (as long as they have no other income)
5. Limit CTS to band C as currently being applied.
6. Protected claimant categories will remain the same (these are persons previously receiving severe disability premium, enhanced disability premium, disabled child premium, war pension, war widow's pension or a war disablement pension) and continue to be exempt from the band C restriction and allowed up to 100%. All of their income, unless it is disregarded, will be used to calculate which band they fall in.
7. The disregarded incomes are the same as those identified within the national Housing Benefit regulations.

8. Childcare disregards to remain the same as HB.
9. Capital limit to be increased to £16000 (to fall in line with Universal Credit capital limit which is £16k)
10. Backdating to stay at 1 month.
11. 4 weeks temporary absence from home in line with HB.
12. Minimum entitlement of £1.00 per week.
13. To give incentives to work there will be a standard earned income disregard of £25.00 per week for all working claimants. There will be an additional earnings disregard of £17.10 per week where the conditions of entitlement are satisfied.
14. If claiming Universal Credit and working - the Universal Credit payment is worked out based on wages and we will still take these wages into account after deducting the relevant earnings disregard. We will then add them to the Universal Credit payment to work out what band to use to calculate the Council Tax Reduction. Deductions taken from Universal Credit by the Department of Work and Pensions (DWP) will not be removed and the housing cost element of Universal Credit will be ignored.
15. Non dependant deductions set as follows :
 - a. NIL – for those in receipt of Pension Credit, full time students, aged under 25 and on passported
 - b. £5 pw - for non deps on contributory benefits such as Employment Support Allowance or working less than 16 hours per week or working over 16 hours per week but gross income is under £143.00
 - c. £10 pw - for non deps aged 18 or over and working 16 hours per week earning over £143.00

Council Tax Support Legislation

5.12 The Council Tax Support legislation set a number of criteria that local authorities must adhere to in developing a scheme

• **Local authorities should ensure support for vulnerable groups;**

Slough Borough Council defined vulnerable groups as those who had a member of their household receiving a disability premium and protected all of these households, meaning that they are still entitled to be assessed with a maximum Council Tax Support of 100%

SBC also continued to protect those in receipt of War Widows and War Disablement Benefit

These protected groups remain the same in the new scheme.

- **Local schemes should support work incentives, and in particular avoid disincentives to move into work.**

The new scheme ensures that SBC support people into work by changing the income disregards in order to encourage work incentives, the first £25 earned will not be taken into account as income. Also a further £17.10 will not be taken into account as income where the applicant works more than 16 hours per week and have children or, if there are no children but the hours worked are 30 hours or more per week. The scheme also continues the award of extended payments. An extended payment is 4 weeks extra Council Tax Support, awarded when a claimant or their partner start work (including self-employment) or their hours or earnings from your current employment increase (for a period of at least five weeks)

6 **Comments of Other Committees**

This report has not been considered by any other committees.

7 **Conclusion**

Members are requested to approve the new income banded Council Tax Support scheme for 2020-21.

1.0 Introduction to the Council Tax Support Scheme

- 1.1 The following has been adopted by the Council and details the Council Tax Support scheme for the period from 1st April 2020.
- 1.2 This document details how the scheme will operate for **working age applicants** and in accordance with Section 13A of the Local Government Finance Act 1992 specifies the classes of person who are to be entitled to a reduction under the scheme and is effective from 1st April 2020 for a period of one financial year.
- 1.3 The scheme in respect of pension age applicants is defined by Central Government within the following:
- Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012;
 - Council Tax Reduction Schemes (Prescribed Requirements and Default Scheme) (England) (Amendment) Regulations 2012;
 - Council Tax Reduction Schemes (Transitional Provision) (England) Regulations 2013;
 - Council Tax Reduction Schemes (Detection of Fraud and Enforcement) (England) Regulations 2013;
 - Council Tax Reduction Schemes (Prescribed Requirements) (England) (Amendment) Regulations 2013;
 - The Council Tax Reduction Schemes (Prescribed Requirements) (England) (Amendment) (No. 2) Regulations 2014
 - The Council Tax Reduction Schemes (Prescribed Requirements) (England) (Amendment) Regulations 2015:
 - The Council Tax Reduction Schemes (Prescribed Requirements) (England) (Amendment) Regulations 2016;
 - The Council Tax Reduction Schemes (Amendment) (England) Regulations 2017;
 - The Council Tax Reduction Schemes (Amendment) (England) Regulations 2018;
 - The Council Tax Reduction Schemes (Amendment) (England) Regulations 2019: and
 - Local Government Finance Act 1992 (as amended by the Local Government Finance Act 2012).

The scheme for pension age applicants is defined by Central Government's scheme as defined under the Council Tax Reduction Scheme (Prescribed Requirements) (England) Regulations 2012 as amended.

- 1.4 There are three main classes under the prescribed pension age scheme, for each of which there are a number of qualifying criteria. In all cases individuals must not be of a prescribed class exempted from reduction, such as a person subject to immigration control with limited leave to remain. The definition of a pension credit age person is a person who;
- a. has attained the qualifying age for state pension credit; and
 - b. is not, or, if he has a partner, his partner is not;
 - i. a person on income support, on an income-based Jobseeker's Allowance or on an income-related Employment and Support Allowance; or
 - ii. a person with an award of Universal Credit

The three prescribed classes are as follows;

Class A: pensioners whose income is less than the applicable amount.

On any day Class A consists of any person who is a pensioner:

- a. who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;
- b. who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day; in respect of whom a maximum Council Tax Reduction amount can be calculated;
- c. who does not fall within a class of persons prescribed for the purposes of paragraph 2(9) of Schedule 1A to the Local Government Finance Act 1992 and excluded from the authority's

- scheme;
- d. whose income (if any) for the relevant week does not exceed his applicable amount calculated in accordance with paragraph 9 and Schedule 2 of the Local Government Finance Act 1992;
- e. not have capital savings above £16,000; and
- f. who has made an application for a reduction under the authority's scheme.

Class B: pensioners whose income is greater than the applicable amount.

On any day class B consists of any person who is a pensioner:

- a. who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;
- b. who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day; in respect of whom a maximum Council Tax Reduction amount can be calculated;
- c. who does not fall within a class of person prescribed for the purposes of paragraph 2(9) of Schedule 1A to the Local Government Finance Act 1992 and excluded from the authority's scheme;
- d. whose income for the relevant week is greater than his applicable amount calculated in accordance with paragraph 9 and Schedule 2 to the Local Government Finance Act 1992;
- e. in respect of whom amount A exceeds amount B where;
 - (i) amount A is the maximum Council Tax Reduction in respect of the day in the applicant's case; and
 - (ii) amount B is 2 6/7 per cent of the difference between his income for the relevant week and his applicable amount;
- f. not have capital savings above £16,000; and
- g. who has made an application for a reduction under the authority's scheme.

Class C: alternative maximum Council Tax Reduction

On any day class C consists of any person who is a pensioner:

- a. who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;
- b. who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day;
- c. in respect of whom a maximum Council Tax Reduction amount can be calculated;
- d. who does not fall within a class of person prescribed for the purposes of paragraph 2(9) of Schedule 1A to the 1992 Act and excluded from the authority's scheme;
- e. who has made an application for a reduction under the authority's scheme; and
- f. in relation to whom the condition below is met.

The condition referred to in sub-paragraph f. is that no other resident of the dwelling is liable to pay rent to the applicant in respect of the dwelling and there is an alternative maximum Council Tax Reduction in respect of the day in the case of that person which is derived from the income, or aggregate income, of one or more residents to whom this sub-paragraph applies.

The above applies to any other resident of the dwelling who:

- a. is not a person who, in accordance with Schedule 1 to the 1992 Act, falls to be disregarded for the purposes of discount;
- b. is not a person who is liable for council tax solely in consequence of the provisions of section 9 of the 1992 Act (spouse's or civil partner's joint and several liability for tax);
- c. is not a person who is residing with a couple or with the members of a polygamous marriage where the applicant is a member of that couple or of that marriage and—
 - (i) in the case of a couple, neither member of that couple is a person who, in accordance with Schedule 1 to the 1992 Act, falls to be disregarded for the purposes of discount; or
 - (ii) in the case of a polygamous marriage, two or more members of that marriage are not persons who, in accordance with Schedule 1 to the 1992 Act, fall to be disregarded for the purposes of discount;

- d. is not a person who, jointly with the applicant, falls within the same paragraph of section 6(2)(a) to (e) of the 1992 Act (persons liable to pay council tax) as applies in the case of the applicant; or
- e. is not a person who is residing with two or more persons both or all of whom fall within the same paragraph of section 6(2)(a) to (e) of the 1992 Act where two or more of those persons are not persons who, in accordance with Schedule 1 to the 1992 Act, fall to be disregarded for the purposes of discount.

Disregard of certain incomes

- 1.5 For those who have reached the qualifying age for state pension credit, the Council has resolved to enhance the government scheme (as defined by the Council Tax Reduction Scheme (Prescribed Requirements) (England) Regulations 2012 to disregard in full the following:
- a. a war disablement pension;
 - b. a war widow's pension or war widower's pension;
 - c. a pension payable to a person as a widow, widower or surviving civil partner under any power of Her Majesty otherwise than under an enactment to make provision about pensions for or in respect of persons who have been disabled or have died in consequence of service as members of the armed forces of the Crown;
 - d. a guaranteed income payment;
 - e. a payment made to compensate for the non-payment of such a pension or payment as is mentioned in any of the preceding sub-paragraphs;

 - g. pension paid to victims of National Socialist persecution under any special provision made by the law of the Federal Republic of Germany, or any part of it, or of the Republic of Austria.

The disregards permitted by SBC exceed the minimum required by the Government.

25.12 In this section, 'qualifying premium' means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of claim.

26.0 Deduction of tax and contributions of self-employed earners

26.1 The amount to be deducted in respect of income tax under section 25.1b) i), 25.3 b) i) or 25.9 a) i) (calculation of net profit of self-employed earners) shall be calculated on the basis of the amount of chargeable income and as if that income were assessable to income tax at the basic rate or in the case of a Scottish taxpayer, the Scottish basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under section 257(1) of the Income and Corporation Taxes Act 1988 (personal allowances) as is appropriate to his circumstances; but, if the assessment period is less than a year, the earnings to which the basic rate or in the case of a Scottish taxpayer, the Scottish basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph shall be calculated on a pro rata basis.

26.2 The amount to be deducted in respect of national insurance contributions shall be the total of—

- (a) the amount of Class 2 contributions payable under section 11(1) or, as the case may be, 11(3) of the Act at the rate applicable to the assessment period except where the applicant's chargeable income is less than the amount specified in section 11(4) of the Act (small profits threshold) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year shall be reduced pro rata; and
- (b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the Act (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits shall be reduced pro rata.

26.3 In this section 'chargeable income' means—

- (b) in the case of employment as a child minder, one-third of the earnings of that employment.

27.0 Minimum Income Floor

- 27.1 Where no start-up period (as defined within 27.2) applies to the applicant and the income from self-employment of the applicant or partner as calculated by reference to parts of this scheme is less than 35 hours multiplied by the appropriate National Living / Minimum Wage, the income used by the Council in the calculation of their award may be increased to that amount. The National Living / Minimum Wage applied shall be that which applies to the relevant assessment period less an estimate for tax, national insurance and half a pension contribution (where a pension contribution is being made), as if estimating the income of an ordinary employed worker.
- 27.2 The Council shall determine an appropriate start up period for the employment activity being conducted by the claimant or partner. This will normally be one year from the date of claim, or one year from the date of commencement of the employment activity, whichever is sooner. During this period no Minimum Income Floor shall be applied. The start-up period ends where the person is no longer in gainful self-employment.
- 27.3 Where a claimant or partner holds a position in a company that is analogous to that of a sole owner or partner in the business of that company, he shall be treated as if he were such sole owner or partner and in such a case be subject to the Minimum Income Floor where appropriate.
- 27.4 Ordinarily, no start-up period may be applied in relation to a claimant where a start-up period has previously been applied, whether in relation to a current or previous award of a Council Tax Support or where one would have been applied, if not for the operation of Council Tax Benefit. The Council may allow a subsequent employment to qualify for a startup period based on the previous history of the claimant and an assessment of such evidence that would support a decision to allow for a subsequent start up period.
- 27.5 In order to establish whether to award a start-up period, or at its discretion a subsequent start-up period, the claimant must satisfy the Council that the employment is:
- Genuine and effective. The council must be satisfied that the employment activity is being conducted
 - Taking up the stated number of working hours
 - Being conducted with the intention of increasing the income to the level that would be conducive with that form of employment.
- 27.6 For the purposes of determining whether a claimant is in gainful self-employment or meets the conditions for a startup-period, the Council will require the claimant to provide such evidence or information that it reasonably requires to make that decision.

28.0 Calculation of income other than earnings

- 28.1 For the purposes of calculating the average weekly income other than earnings, the income of an applicant which does not consist of earnings to be taken into account shall be his gross income and any capital treated as income.
- 28.2 There is to be disregarded from the calculation of an applicant's gross income under paragraph 28.1, any sum, where applicable, specified in Schedule 3.

of that benefit to be taken into account is the amount as if it had not been reduced.

28.5 Where an award of any working tax credit or child tax credit under the Tax Credits Act 2002 is subject to a deduction by way of recovery of an overpayment of working tax credit or child tax credit which arose in a previous tax year the amount to be taken into account under paragraph 19.1 shall be the amount of working tax credit or child tax credit awarded less the amount of that deduction.

28.6 In paragraph 28.5 'tax year' means a period beginning with 6th April in one year and ending with 5th April in the next.

$$\frac{A - (B \times C)}{D}$$

D

D = the number of reduction weeks in the assessment period.

28.9 Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of paragraph 28.1 in respect of a person to whom paragraph (30.8) applies, shall be calculated by applying the formula in paragraph 28.8 but as if—

A = the total amount of relevant payments which that person received, or would have received, from the first day of the academic year to the day the person abandoned the course, or was dismissed from it.

28.10 In this section— 'academic year' and 'student loan' shall have the same meanings as for the purposes of sections 41 to 43, 'assessment period' means—

- (b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, shall be apportioned equally between the weeks of the period of study;
- (c) there shall be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 44.2(f) and 44.3 (calculation of grant income) had the student been in receipt of the standard maintenance grant; and
- (d) the balance, if any, shall be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 shall be disregarded.

46.2 Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income shall be calculated in accordance with sub-paragraphs (a) to (d) of paragraph 46.1, except that;

- (a) the value of the standard maintenance grant shall be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 44.2 (a) to (e); and

Sections 60 – 61
Dates on which entitlement and changes of circumstances are to take effect

60.0 Date on which entitlement is to begin

60.1 Subject to sub-paragraph (2), any person by whom or in respect of whom an application for support under this scheme is made and who is otherwise entitled to that support is so entitled from the support week following the date on which that application is made or is treated as made.

60.2 Where a person is otherwise entitled to support under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the support week in which his application is made or is treated as made, he is so entitled from that support week.

61.0 Date on which change of circumstances is to take effect

61.1. Except in cases where paragraph 21 (disregard of changes in tax, contributions, etc.) applies or paragraph 61A (late notification of an advantageous change) and subject to the following provisions of this paragraph, a change of circumstances which affects entitlement to, or the amount of, support under this scheme ("change of circumstances"), takes effect from the first day of the support week following the date on which the change actually occurs.

61.2 Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

61.3 Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

61.4 Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act (discounts), it takes effect from the day on which the change in amount has effect.

61.5 Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

61.6 Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

61.7 If two or more changes of circumstances occurring in the same support week would, but for this paragraph, take effect in different support weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

61.8 Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

61.9 Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at

intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

61.10 For the absence of doubt, where the change is a change in employed earnings, the date on which that change actually occurs shall be the first day of the period in respect of which the payment is earned, not the date that the payment was made, was due to be made or is due to be made.

61A.0 Effective date for late notification of advantageous change of circumstances

61A.1 In a case where:

- (a) the change of circumstances is a change of circumstances that is required by this scheme to be notified under paragraph 70 (duty to notify a change of circumstances), and
- (b) that change of circumstances is notified more than one month after it occurs, or such longer period as may be allowed under sub paragraph (2); and
- (c) the superseding decision is advantageous to the claimant,

the date of notification of the change of circumstances may be treated as the date on which the change of circumstances occurred.

61A.2 Subject to sub-paragraph (3), a longer period of time may be allowed for the notification of a change of circumstances in so far as it affects the effective date of the change where special circumstances are relevant and as a result of those special circumstances it was not practicable for the applicant to notify the change of circumstances within one month of the change occurring.

61A.3 In determining whether it is reasonable to allow a longer period of time under sub paragraph (2) regard shall be given to the principle that the greater the amount of time that has elapsed between the date one month after the change of circumstances occurred and the date the application for a superseding decision is made, the more compelling should be the special circumstances on which the application is based.

- 62.4 Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).
- 62.5 Where the authority has made an appointment under sub-paragraph (3) or treated a person as an appointee under sub-paragraph (4);

- 62.7 The authority must;
- (a) inform any person making an application of the duty imposed by paragraph 9(1)(a) of the Council Tax Reduction Scheme (Prescribed Requirements) Regulations 2012;
 - (b) explain the possible consequences (including prosecution) of failing to comply with that duty; and

- (b) is not corrected within one calendar month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide the application.

65.4 The authority is to treat a defective application as if it had been validly made in the first

instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

65.5 The conditions are that—

- (a) where the authority receives the properly completed application or the information requested to complete it or the evidence within one calendar month of the request, or such longer period as the authority may consider reasonable; or

- (c) where the authority has requested further information, the authority receives at its offices the properly completed application or the information requested to complete it within one calendar month of the request or within such longer period as the authority considers reasonable.

65.6 Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under that authority's scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority must treat the application as having been made on the day on which the liability for the tax arises.

65.7 Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under the authority's scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under its scheme for a period beginning not later than;

- (a) in the case of an application made by;
 - (i) a pensioner, or
 - (ii) a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit, the seventeenth reduction week following the date on which the application is made, or
- (b) in the case of an application made by a person who is not a pensioner, the thirteenth reduction week following the date on which the application is made, the authority may treat the application as made on a date in the reduction week immediately preceding the first reduction week of that period of entitlement and award a reduction accordingly.

66.0 Submission of evidence electronically

66.1 The authority may accept such evidence, documents and certificates to support the claim electronically where it feels that this would be acceptable given the nature of the claim

67.0 Use of telephone provided evidence

67.1 The authority may accept such evidence to support the claim by telephone where it feels that this would be acceptable given the nature of the claim

68.0 Information and evidence⁸

68.1 Subject to sub-paragraph (3), a person who makes an application for a reduction under an authority's scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

68.2 This sub-paragraph is satisfied in relation to a person if—

- (a) the application is accompanied by;
 - (i) a statement of the person's national insurance number and information or evidence establishing that that number has been allocated to the person; or
 - (ii) information or evidence enabling the authority to ascertain the national insurance number that has been allocated to the person; or
- (b) the person has made an application for a national insurance number to be allocated to him and the application for the reduction is accompanied by;

68.3 Sub-paragraph (2) does not apply;

68.4 Subject to sub-paragraph (5), a person who makes an application, or a person to whom a reduction under the authority's scheme has been awarded, must furnish such certificates, documents, information and evidence in connection with the application or the award, or any question arising out of the application or the award, as may reasonably be required by that authority in order to determine that person's entitlement to, or continuing entitlement to a reduction under its scheme and must do so within one calendar month of the authority requiring him to do so or such longer period as the authority may consider reasonable.

68.5 Nothing in this paragraph requires a person who is a pensioner to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

68.6 Where the authority makes a request under sub-paragraph (4), it must;

- (a) inform the applicant or the person to whom a reduction under its scheme has been awarded of his duty under paragraph 9 of Schedule 8 the Council Tax Reduction Scheme (Prescribed Requirements) Regulations 2012 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and
- (b) without prejudice to the extent of the duty owed under paragraph 9, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which must be notified.

68.7 This sub-paragraph applies to any of the following payments;

- (a) a payment which is made under or by the Trusts, the Fund, the Eileen Trust, MFET Limited, the Skipton Fund, the Caxton Foundation, the London Emergencies Trust, the We Love Manchester Emergency Fund, or the London Bombings Relief Charitable Fund;

⁸ Inserted by Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012

- (b) a payment which is disregarded under Schedule 4, other than a payment under the Independent Living Fund (2006).

68.8 Where an applicant or a person to whom a reduction under the authority's scheme has been awarded or any partner has attained the qualifying age for state pension credit and is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, he must where the authority so requires furnish the following information;

- (a) the name and address of the pension fund holder;
- (b) such other information including any reference or policy number as is needed to enable the personal pension scheme to be identified.

69.0 Amendment and withdrawal of application⁹

69.1 A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the designated office.

69.2 Where the application was made by telephone the amendment may also be made by telephone.

69.3 Any application amended is to be treated as if it had been amended in the first instance.

69.4 A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.

69.5 Where the application was made by telephone, the withdrawal may also be made by telephone.

69.6 Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) has effect when it is received.

69.7 Where a person, by telephone, amends or withdraws an application the person must (if required to do so by the authority) confirm the amendment or withdrawal by a notice in writing delivered or sent to the designated office.

70.0 Duty to notify changes of circumstances¹⁰

70.1 Subject to sub-paragraphs (3), (6) and (7), an applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time;

- (a) between the making of an application and a decision being made on it, or
- (b) after the decision is made (where the decision is that the applicant is entitled to a reduction under the authority's scheme) including at any time while the applicant is in receipt of such a reduction.

70.2 The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under the authority's scheme (a "relevant change of circumstances") by giving notice to the authority;

- (a) in writing; or
- (b) by telephone—
 - (i) where the authority has published a telephone number for that purpose unless the authority determines that in any particular case or class of case notification may not be given by telephone; or

- (c) by any other means which the authority agrees to accept in any particular case, within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.

- 70.3 The duty imposed on a person by sub-paragraph (1) does not extend to notifying
- (a) changes in the amount of council tax payable to the authority;
 - (b) changes in the age of the applicant or that of any member of his family;
 - (c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under the authority's scheme to which he is entitled, other than the cessation of that entitlement to the benefit.
- 70.4 For the purposes of sub-paragraph (3)(c) "relevant benefit" means income support, an income-based jobseeker's allowance or an income-related employment and support allowance or universal credit.
- 70.5 Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.

72.0 Notification of decision¹²

72.1 The authority must notify in writing any person affected by a decision made by it under its scheme;

- (a) in the case of a decision on an application, forthwith or as soon as reasonably practicable thereafter;
- (b) in any other case, within 14 days of that decision or as soon as reasonably practicable thereafter.

72.2 Where the decision is to award a reduction, the notification under sub-paragraph (1) must include a statement;

- (a) informing the person affected of the duty imposed by paragraph 9 of Schedule 8 the Council Tax Reduction Scheme (Prescribed Requirements) Regulations 2012 (duty to notify change of circumstances) to notify the authority of any change of circumstances;
- (b) explaining the possible consequences (including prosecution) of failing to comply with that duty; and
- (c) setting out the circumstances a change in which might affect entitlement to the reduction or its amount.

72.3 Where the decision is to award a reduction, the notification under sub-paragraph (1) must include a statement as to how that entitlement is to be discharged.

72.4 In any case, the notification under sub-paragraph (1) must inform the person affected of the procedure by which an appeal may be made and must refer the person to the provisions in the authority's scheme relating to the procedure for making an appeal.

72.5 A person affected to whom the authority sends or delivers a notification of decision may, within one calendar month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

72.6 The written statement referred to in sub-paragraph (5) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

72.7 For the purposes of this paragraph a person is to be treated as a person affected by a decision of the authority under its scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph (8).

(c) a person appointed by the authority to act for a person unable to act.

73.0 Time and manner of granting Council Tax Support¹³

73.1 Where a person is entitled to a reduction under this authority's scheme in respect of his liability for the authority's council tax as it has effect in respect of a chargeable financial year ("the chargeable year"), the authority must discharge his entitlement;

(a) by reducing, so far as possible, the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers; or

(b) where;

(i) such a reduction is not possible; or

(ii) such a reduction would be insufficient to discharge the entitlement to a reduction under the authority's scheme; or

(iii) the person entitled to the reduction is jointly and severally liable for the council tax and the authority determines that such a reduction would be inappropriate, by making payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

73.2 The authority must notify the person entitled to a reduction under this scheme of the amount of that reduction and how his entitlement is to be discharged in pursuance of paragraph (1).

73.3 In a case to which paragraph (1)(b) refers;

(a) if the amount of the council tax for which he remains liable in respect of the chargeable year, after any reduction to which sub-paragraph (1)(a) refers has been made, is insufficient to enable his entitlement to a reduction under the authority's scheme in respect thereof to be discharged, upon the final instalment of that tax becoming due any outstanding reduction;

(i) must be paid to that person if he so requires; or

(ii) in any other case must (as the authority determines) either be repaid or credited against any subsequent liability of the person to make a payment in respect of the authority's council tax as it has effect for any subsequent year;

(b) if that person has ceased to be liable for the authority's council tax and has discharged the liability for that tax, the outstanding balance (if any) of the reduction under the authority's scheme in respect thereof must be paid within 14 days or, if that is not reasonably practicable, as soon as practicable thereafter

(c) in any other case, the reduction under the authority's scheme must be paid within 14 days of the receipt of the application at the offices of the authority or, if that is not reasonably practicable, as soon as practicable thereafter.

73.4 For the purposes of this paragraph "instalment" means any instalment of the authority's council tax to which regulation 19 of the Council Tax (Administration and Enforcement) Regulations 1992 refers (council tax payments).

74.0 Persons to whom reduction is to be paid¹⁴

74.2 Where a person other than a person who is entitled to a reduction under this authority's scheme made the application for the reduction and that first person is a person acting pursuant to an appointment or is treated as having been so appointed, the amount of the reduction may be paid to that person.

75.0 Shortfall in reduction¹⁵

75.1 Where, on the revision of a decision allowing a reduction under the authority's scheme to a person, it is determined that the amount allowed was less than the amount to which that person was entitled, the authority must either;

- (a) make good any shortfall in reduction which is due to that person, by reducing so far as possible the next and any subsequent payments he is liable to make in respect of the council tax of the authority as it has effect for the chargeable financial year until that shortfall is made good; or
- (b) where this is not possible or the person concerned so requests, pay the amount of any shortfall in reduction due to that person within 14 days of the revision of the decision being made or if that is not reasonably practicable, as soon as possible afterwards.

76.0 Payment on the death of the person entitled¹⁶

76.1 Where the person entitled to any reduction under this scheme has died and it is not possible to award the reduction which is due in the form of a reduction of the council tax for which he was liable, the authority must make payment of the amount of the reduction to his executor or administrator in accordance with regulation 58(4) of the Council Tax (Administration and Enforcement) Regulations 1992.

77.0 Offsetting

77.1 Where a person has been allowed or paid a sum of Council Tax Support under a decision which is subsequently revised or further revised, any sum allowed or paid in respect of a period covered by the subsequent decision shall be offset against arrears of entitlement under the subsequent decision except to the extent that the sum exceeds the arrears and shall be treated as properly awarded or paid on account of them.

78.0 Payment where there is joint and several liability¹⁷

78.1 Where;

- (a) a person is entitled to a reduction under the authority's scheme in respect of his liability for the authority's council tax as it has effect in respect of a chargeable financial year;
 - (b) the person entitled to the reduction is jointly and severally liable for the council tax; and
 - (c) the authority determines that discharging his entitlement by reducing the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992(7) refers would be inappropriate,
- it may make a payment to him of the amount of the reduction to which he is entitled, rounded where necessary to the nearest penny.

78.2 Subject to sub-paragraph (3) any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.

Directorate: Finance and Resources	
Service: Finance & Audit	
Name of Officer/s completing assessment: Laretta Vitalis	
Date of Assessment: 02.12.19	
Name of service/function or policy being assessed: Council Tax Support Scheme 2020-21	
1.	<p>What are the aims, objectives, outcomes, purpose of the policy, service change, function that you are assessing?</p> <p>Implementing <u>changes</u> to the local Council Tax Support scheme for 2020-21.</p> <p>The local Council Tax Support scheme only affects customers of working age, customers of pension age are assessed under the national regulations.</p> <p>The legislation requires that all Local Authorities must approve a Council Tax Support scheme by 31st January proceeding the financial year that the scheme relates to. This year the Council has decided that changes should be made to significantly change the Council Tax Support scheme due to the introduction of Full Service Universal Credit within the Slough area.</p> <p>Members are being asked to approve a new income banded scheme.</p>
2.	<p>Who implements or delivers the policy, service or function? State if this is undertaken by more than one team, service, and department including any external partners.</p> <p>The policy is delivered by Slough Borough Council Benefit Service. Their job is to accept all applications, analyse them, request such supporting information as they see fit and assess how much local council tax support a person will be entitled to within the bounds of the scheme. If the customer disagrees with the assessment they have the right to ask for a review of their decision and if the decision stands the customer has a right to appeal to an independent panel managed and set up by the Valuation Office Agency (VOA).</p>
3.	<p>Who will be affected by this proposal? For example who are the external/internal customers, communities, partners, stakeholders, the workforce etc. Please consider all of the Protected Characteristics listed (more information is available in the background information).</p>

Bear in mind that people affected by the proposals may well have more than one protected characteristic.

The policy is generic and aims to provide support to all parts of the community based on their weekly household income and so all working age Council Tax Payers could be affected by this proposal as they could all potentially claim Council Tax Support.

- Age – the policy is generic and will help people of all ages but it is noted that the Government legislation has stated that those of pension age must be protected and their assessment for Council Tax Support will continue to be made under the national regulations and not under the local Council Tax Support scheme therefore they will not be affected by this policy change. In addition, those leaving care will have their Council Tax Support protected and any shortfall after CTS discount paid until they are 25 years of age or while the Council has a statutory duty to them which ever is sooner but this is done through the Care Leavers Relief scheme.
- Disability – the government legislation states that those that are considered by the local authority to be vulnerable should be protected but no definition of vulnerable is provided. We have decided to continue to protect all families where the householder and /or their partner receive a level of disability allowance or that one or more children in the household receive a level of disability allowance. This means that there will be no change to the support that they receive to assist them paying their council tax.
- Pregnancy, maternity and Sex – unlike with Housing Benefit, there is no restriction of CTS awards to meet a size criteria for the property occupied and therefore there is no negative impact for this category. We do recognise however that single parent families can be disproportionality lone women and but the analysis of the current CTS caseload shows no real difference. The claims that are worse off under the new scheme, regardless of sex, will be invited to make an application to the Council Tax Hardship Scheme (detailed in the response to 9.)

As there is limited data available on the categories listed below, we are unable to accurately quantify the affected numbers in each one. We have however made an assumption that minority groups and members of the same religion and belief may be over-represented in the beneficiary profile of this discount. Council Tax Support provision is generically designed to help all those on very low incomes, and accordingly, regardless of their categorisation, the council will mitigate any losses in CTS by inviting an application to Council Tax Hardship.

- Marriage and Civil Partnership
- Gender Reassignment
- Race -

	<ul style="list-style-type: none"> • Religion and Belief • Sexual orientation • Other
4.	<p>What are any likely positive impacts for the group/s identified in (3) above? You may wish to refer to the Equalities Duties detailed in the background information.</p> <p>All pensioners and all households who have a member of the household in receipt of a disability premium/allowance are identified within the protected groups and this will ensure that they can claim up to 100% Council Tax Support.</p> <p>For working age residents the introduction of a banded income scheme will mean that they are subject to fewer changes in the discount on their council tax and this will make it easier for them to budget.</p>
5.	<p>What are the likely negative impacts for the group/s identified in (3) above? If so then are any particular groups affected more than others and why?</p> <p>The scheme remains an income based scheme but it has been designed to have minimal impact. We have modelled that 139 households will be worse off and 26 households will completely lose their entitlement.</p>
6.	<p>Have the impacts indentified in (4) and (5) above been assessed using up to date and reliable evidence and data? Please state evidence sources and conclusions drawn (e.g. survey results, customer complaints, monitoring data etc).</p> <p>If the proposal is accepted as it stands there will be minimal impact on the current people claiming Council Tax Support, we have modelled the scheme so that the budget for the scheme does not change and therefore has no impact on the council's overall finances.. This has been measured by using a company called Entitledto and Datatank to carry out a comparison exercise on the awards based on the current scheme against those achievable on the new proposed scheme. We have established that the majority of the households that will be better off are where claimant and/or partner are working. The intention has been to keep the level of Council Tax Support received by claimants at a comparatively similar level to the previous scheme.</p>
7.	<p>Have you engaged or consulted with any identified groups or individuals if necessary and what were the results, e.g. have the staff forums/unions/ community groups been involved?</p>

	<p>A full consultation was carried out with all members of the public via a questionnaire on the Council's website between 7 October 2019 and 17 November 2019.</p> <p>We also publicised the consultation to local groups via a press release and Twitter announcements to raise awareness amongst the residents of the borough as well as businesses who may work with residents and a drop in session was held at Landmark Place to answer any questions about the proposed scheme.</p> <p>Consultation has also taken place with our major preceptors Police & Crime Commissioner of Thames Valley and Royal Berks Fire & Rescue.</p>
8.	<p>Have you considered the impact the policy might have on local community relations?</p> <p>n/a</p>
9.	<p>What plans do you have in place, or are developing, that will mitigate any likely identified negative impacts? For example what plans, if any, will be put in place to reduce the impact?</p> <p>The council proposes to support people who are most vulnerable by continuing to offer a Council Tax Hardship Scheme. This is a discretionary discount policy to help those in severe financial difficulty to reduce their Council Tax liability if they are struggling to pay. It is therefore clear that any person negatively affected by this change would meet these criteria and would therefore be signposted in this direction and prioritised for help.</p>
10.	<p>What plans do you have in place to monitor the impact of the proposals once they have been implemented? (The full impact of the decision may only be known after the proposals have been implemented). Please see action plan below.</p> <p>Once the proposals are accepted they must stay in place for one year. Each subsequent year Cabinet are legally obliged to consider the Council Tax Support Scheme for working age households for the following year and then decide whether the authority wishes to review the scheme and obtain Member agreement once more. During the year the scheme will be evaluated by for example using complaints monitoring to assess the impact it is having on our customers and consideration given to amending the scheme.</p>

What course of action does this EIA suggest you take? More than one of the following may apply	✓
Outcome 1: No major change required. The EIA has not identified any potential for discrimination or adverse impact and all opportunities to promote equality have been taken	X
Outcome 2: Adjust the policy to remove barriers identified by the EIA or better promote equality. Are you satisfied that the proposed adjustments will remove the barriers identified? (Complete action plan).	
Outcome 3: Continue the policy despite potential for adverse impact or missed opportunities to promote equality identified. You will need to ensure that the EIA clearly sets out the justifications for continuing with it. You should consider whether there are sufficient plans to reduce the negative impact and/or plans to monitor the actual impact (see questions below). (Complete action plan).	
Outcome 4: Stop and rethink the policy when the EIA shows actual or potential unlawful discrimination. (Complete action plan).	

Action Plan and Timetable for Implementation

At this stage a timetabled Action Plan should be developed to address any concerns/issues related to equality in the existing or proposed policy/service or function. This plan will need to be integrated into the appropriate Service/Business Plan.

NON-KEY DECISION

NOTIFICATION OF DECISIONS**1. Purpose of Report**

To seek Cabinet endorsement of the published Notification of Decisions, which has replaced the Executive Forward Plan.

2. Recommendation

The Cabinet is requested to resolve that the Notification of Decisions be endorsed.

3. Slough Joint Wellbeing Strategy Priorities

The Notification of Decisions sets out when key decisions are expected to be taken and a short overview of the matters to be considered. The decisions taken will contribute to all of the following Slough Joint Wellbeing Strategy Priorities:

1. Protecting vulnerable children
2. Increasing life expectancy by focusing on inequalities
3. Improving mental health and wellbeing
4. Housing

4. Other Implications**(a) Financial**

There are no financial implications.

(b) Human Rights Act and Other Legal Implications

There are no Human Rights Act implications. The Local Authorities (Executive Arrangements) (Meetings and Access to Information)(England) Regulations 2012 require the executive to publish a notice of the key decisions, and those to be taken in private under Part II of the agenda, at least 28 clear days before the decision can be taken. This notice replaced the legal requirement for a 4-month rolling Forward Plan.

5. Supporting Information

5.1 The Notification of Decisions replaces the Forward Plan. The Notice is updated each month on a rolling basis, and sets out:

- A short description of matters under consideration and when key decisions are expected to be taken over the following three months;
- Who is responsible for taking the decisions and how they can be contacted;
- What relevant reports and background papers are available; and
- Whether it is likely the report will include exempt information which would need to be considered in private in Part II of the agenda.

5.2 The Notice contains matters which the Leader considers will be the subject of a key decision to be taken by the Cabinet, a Committee of the Cabinet, officers, or under joint arrangements in the course of the discharge of an executive function during the period covered by the Plan.

5.3 Key Decisions are defined in Article 14 of the Constitution, as an Executive decision which is likely either:

- to result in the Council incurring expenditure which is, or the making of savings which are, significant, having regard to the Council's budget for the service or function to which the decision relates; or
- to be significant in terms of its effects on communities living or working in an area comprising two or more wards within the Borough.

The Council has decided that any expenditure or savings of £250,000 or more shall be significant for the purposes of a key decision.

5.4 There are provisions for exceptions to the requirement for a key decision to be included in the Notice and these provisions and necessary actions are detailed in paragraphs 15 and 16 of Section 4.2 of the Constitution.

5.5 To avoid duplication of paperwork the Member Panel on the Constitution agreed that the Authority's Notification of Decisions would include both key and non key decisions – and as such the document would form a comprehensive programme of work for the Cabinet. Key decisions are highlighted in bold.

NOTIFICATION OF DECISIONS

1 JANUARY 2020 TO 31 MARCH 2020

Date of Publication: 20th December 2019

SLOUGH BOROUGH COUNCIL

NOTIFICATION OF DECISIONS

Slough Borough Council has a decision making process involving an Executive (Cabinet) and a Scrutiny Function.

As part of the process, the Council will publish a Notification of Decisions which sets out the decisions which the Cabinet intends to take over the following 3 months. The Notice includes both Key and non Key decisions. Key decisions are those which are financially significant or have a significant impact on 2 or more Wards in the Town. This Notice supersedes all previous editions.

Whilst the majority of the Cabinet's business at the meetings listed in this document will be open to the public and media organisations to attend, there will inevitably be some business to be considered that contains, for example, confidential, commercially sensitive or personal information.

This is formal notice under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that part of the Cabinet meetings listed in this Notice will/may be held in private because the agenda and reports for the meeting will contain exempt information under Part 1 of Schedule 12A to the Local Government (Access to Information) Act 1985 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it.

Page 160
This document provides a summary of the reason why a matter is likely to be considered in private / Part II. The full reasons are listed alongside the report on the Council's website.

If you have any queries, or wish to make any representations in relation to the meeting being held in private for the consideration of the Part II items, please email catherine.meek@slough.gov.uk (no later than 15 calendar days before the meeting date listed).

What will you find in the Notice?

For each decision, the plan will give:

- The subject of the report.
- Who will make the decision.
- The date on which or the period in which the decision will be made.
- Contact details of the officer preparing the report.
- A list of those documents considered in the preparation of the report (if not published elsewhere).
- The likelihood the report would contain confidential or exempt information.

What is a Key Decision?

An executive decision which is likely either:

- To result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- To be significant in terms of its effects on communities living or working in an area comprising two or more wards within the borough.

Who will make the Decision?

Decisions set out in this Notice will be taken by the Cabinet, unless otherwise specified. All decisions (unless otherwise stated) included in this Notice will be taken on the basis of a written report and will be published on the Council's website before the meeting.

The members of the Cabinet are as follows:

- | | |
|---|-------------------------|
| • Leader of the Council - Regeneration & Strategy | Councillor Swindlehurst |
| • Deputy Leader – Governance & Customer Services | Councillor Akram |
| • Sustainable Transport & Environmental Services | Councillor Anderson |
| • Inclusive Growth & Skills | Councillor Bains |
| • Planning & Regulation | Councillor Mann |
| • Housing & Community Safety | Councillor Nazir |
| • Health & Wellbeing | Councillor Pantelic |
| • Children & Schools | Councillor Carter |

Where can you find a copy of the Notification of Decisions?

The Plan will be updated and republished monthly. A copy can be obtained from Democratic Services at St Martin's Place, 51 Bath Road on weekdays between 9.00 a.m. and 4.45 p.m., from MyCouncil, Landmark Place, High Street, or Tel: (01753) 875120, email: catherine.meek@slough.gov.uk. Copies will be available in the Borough's libraries and a copy will be published on Slough Borough Council's Website.

How can you have your say on Cabinet reports?

Each Report has a contact officer. If you want to comment or make representations, notify the contact officer before the deadline given.

What about the Papers considered when the decision is made?

Reports relied on to make key decisions will be available before the meeting on the Council's website or are available from Democratic Services.

Can you attend the meeting at which the decision will be taken?

Where decisions are made by the Cabinet, the majority of these will be made in open meetings. Some decisions have to be taken in private, where they are exempt or confidential as detailed in the Local Government Act 1972. You will be able to attend the discussions on all other decisions.

When will the decision come into force?

Implementation of decisions will be delayed for 5 working days after Members are notified of the decisions to allow Members to refer the decisions to the Overview and Scrutiny Committee, unless the decision is urgent, in which case it may be implemented immediately.

What about key decisions taken by officers?

Many of the Council's decisions are taken by officers under delegated authority. Key decisions will be listed with those to be taken by the Cabinet. Key and Significant Decisions taken under delegated authority are reported monthly and published on the Council's website.

Page
102

Are there exceptions to the above arrangements?

There will be occasions when it will not be possible to include a decision/report in this Notice. If a key decision is not in this Notice but cannot be delayed until the next Notice is published, it can still be taken if:

- The Head of Democratic Services has informed the Chair of the Overview and Scrutiny Committee or relevant Scrutiny Panel in writing, of the proposed decision/action. (In the absence of the above, the Mayor and Deputy Mayor will be consulted);
- Copies of the Notice have been made available to the Public; and at least 5 working days have passed since public notice was given.
- If the decision is too urgent to comply with the above requirement, the agreement of the Chair of the Overview and Scrutiny Committee has been obtained that the decision cannot be reasonably deferred.
- If the decision needs to be taken in the private part of a meeting (Part II) and Notice of this has not been published, the Head of Democratic Services will seek permission from the Chair of Overview & Scrutiny, and publish a Notice setting out how representations can be made in relation to the intention to consider the matter in Part II of the agenda. Urgent Notices are published on the Council's [website](#).
