You will however be asked to leave before any items in the Part II agenda are considered. For those hard of hearing an Induction Loop System is available in the Council Chamber.

Webcasting and recording: The public part of the meeting will be filmed by the Council for live and/or subsequent broadcast on the Council's website. The footage will remain on our website for 12 months. A copy of the recording will also be retained in accordance with the Council's data retention policy. By entering the meeting room and using the public seating area, you are consenting to being filmed and to the possible use of those images and sound recordings.

In addition, the law allows members of the public to take photographs, film, audio-record or tweet the proceedings at public meetings. Anyone proposing to do so is requested to advise the Democratic Services Officer before the start of the meeting. Filming or recording must be overt and persons filming should not move around the meeting room whilst filming nor should they obstruct proceedings or the public from viewing the meeting. The use of flash photography, additional lighting or any non hand held devices, including tripods, will not be allowed unless this has been discussed with the Democratic Services Officer.

Emergency procedures: The fire alarm is a continuous siren. If the alarm sounds immediately vacate the premises by the nearest available exit at either the front or rear of the Chamber and proceed to the assembly point: The pavement of the service road outside of Westminster House, 31 Windsor Road.

Covid-19: To accommodate social distancing there is significantly restricted capacity of the Council Chamber and places for the public are very limited. We would encourage those wishing to observe the meeting to view the live stream. Any members of the public who do wish to attend in person should be encouraged to contact the Democratic Services Officer.
