SLOUGH BOROUGH COUNCIL

FORWARD PLAN

Slough Borough Council has a decision making process involving an Executive (Cabinet) and a Scrutiny Function.

As part of the process, the Council will publish a Forward Plan. The Forward Plan sets out the decisions which the Cabinet intends to take over the following 4 months. The Plan includes both Key and non Key decisions. Key decisions are those which are financially significant or have a significant impact on 2 or more Wards in the Town.

What will you find in the Forward Plan?

For each decision, the plan will give:

- The subject of the report.
- Who will make the decision.
- The date on which or the period in which the decision will be made.
- Who will be consulted before the decision is taken.
- How the proposed consultation will be undertaken.
- How to make representations on the report and the deadline for submission of those representations.
- A list of those documents considered in the preparation of the report.

What is a Key Decision?

An executive decision which is likely either:

- To result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates; or
- To be significant in terms of its effects on communities living or working in an area comprising two or more wards within the borough.

Where can you find a copy of the Forward Plan?

The Plan will be updated and republished monthly. A copy can be obtained from Reception at the Town Hall on weekdays between 9.00 a.m. and 4.45 p.m., from MyCouncil, Landmark Place, High Street, or from Democratic and Member Services, Room GN08, Town Hall, Bath Road, Slough, Tel: (01753) 875120, email: claire.gray@slough.gov.uk. Copies will be available in the Borough's libraries and a copy will be published on Slough Borough Council's Website.

How can you have your say on Forward Plan reports?

Each Report has a contact officer. If you want to comment or make representations, notify the contact officer before the deadline given.

What about the Papers considered when the decision is made?

Reports relied on to make key decisions will be available for viewing through the contact officer or Democratic and Member Services.

Can you attend the meeting at which the decision will be taken?

Where decisions are made by the Cabinet, the majority of these will be made in open meetings. Some decisions have to be taken in private, where they are exempt or confidential as detailed in the Local Government Act 1972. You will be able to attend the discussions on all other decisions.

When will the decision come into force?

Implementation of decisions will be delayed for 5 working days after Members are notified of the decisions to allow Members to refer the decisions to the Overview and Scrutiny Committee, unless the decision is urgent, in which case it may be implemented immediately.

What about key decisions taken by officers?

Many of the Council's decisions are taken by officers under delegated authority. Key decisions will be listed with those to be taken by the Cabinet. Key decisions taken under delegated authority are reported monthly and you can see the list of these at the same locations as the Forward Plan.

Are there exceptions to the above arrangements?

There will be occasions when it will not be possible to include a decision/report in the Forward Plan. If a key decision is not in the Forward Plan but cannot be delayed until it can be published in the Forward Plan, it can still be taken if:

- The Deputy Borough Secretary has informed the Chair of the Overview and Scrutiny Committee or relevant Scrutiny Panel in writing, of the proposed decision/action. (In the absence of the above, the Mayor and Deputy Mayor will be consulted);
- Copies of the Notice have been made available to the Public; and
- At least 5 working days have passed since public notice was given.
- If the decision is too urgent to comply with the above requirement, the agreement of the Chair of the Overview and Scrutiny Committee has been obtained that the decision cannot be reasonably deferred.

For further information, contact Democratic and Member Services as detailed above.
