Dear Resident

It has been brought to my attention that some residents in your area are experiencing some crime and anti-social behaviour problems.

In order to assess the problems I would like to obtain your views. Therefore I have compiled a short questionnaire which is enclosed with this letter. I would be very grateful if you could please take a few minutes to complete the questionnaire and return it in the envelope provided or to the following address (no stamp required):

Freepost Plus RSEA-LCHC-THSR
Drugs and Community Safety
St. Martins Place
51 Bath Road
Slough
SL1 3UF

Please return the completed questionnaire by Friday 26th February 2010.

If you have any queries about the survey or would like to discuss your suggestions in more detail, please contact me on 01753 477355. Equally if you require any help filling in the questionnaire please contact me. Thank you in advance for your assistance.

I would like to take this opportunity to stress that incidents of anti-social behaviour and criminal damage should be reported to the Police non-emergency number on 08458 505 505 (unless a crime is in progress or someone is in immediate danger in which case you should call 999). Incidents of anti-social behaviour can also be reported to Slough Borough Council through our Anti-Social Behaviour hotline on 0845 605 2222 (you will be charged at local rate). Criminal activity should be reported to the Police and not the Council.

Yours faithfully,

Esther Deacon
Community Safety Project Officer
