The future is bright for Chalvey

Slough Borough Council is launching a vision for the Chalvey of the future and wants your views on what it should include.

At the heart of the regeneration of Chalvey will be a brand new community building on the site of the old Thames Valley Community Infant School, The Green.

This building will be a hub for a range of local services.

But what would you like it to include and what other actions would you like to see to improve Chalvey?

To let us know your opinions, fill in the tear-off card at the back of this leaflet and post it back, free of charge before Monday 7 December.

Or come and see us between 12noon and 8pm on Wednesday 25 November at the old Thames Valley Community Infant School, The Green.

Tell us what you want

My priorities for the new hub: (tick your three most important issues)

- | | |
|---|---|
| <input type="checkbox"/> Hall/meeting facilities | <input type="checkbox"/> Café |
| <input type="checkbox"/> Satellite library | <input type="checkbox"/> Early years centre |
| <input type="checkbox"/> Adult education facilities | <input type="checkbox"/> Youth facilities |
| <input type="checkbox"/> Kitchen | <input type="checkbox"/> Space for community groups |

My priorities for the area are: (tick your five most important issues)

- A new primary school
- Changes to the roads to deter rat running and reduce accidents
- Changes to the pavements to improve access for pedestrians
- Better parking for residents and local shoppers
- A neighbourhood office for police and community wardens
- New and better quality housing
- Improved choice and better quality shops
- A learning centre for adult education classes
- Quality changing rooms for local sport
- Initiatives to help residents save energy
- Improvements to the look of the streets and open spaces
- Other:.....

Your road name:.....

Please send back by Monday 7 December.

Cut or tear along the dotted line

Come and talk to us

A drop in session is being held at the old Thames Valley Community Infant School.

Come down on Wednesday 25 November between 12noon and 8pm - talk to council officers and councillors about the new community hub and give your ideas on what the regeneration should cover.

The community hub

A brand new community centre is to be built on the site of the former Thames Valley Community Infant School on The Green.

The aim of the new hub is to provide state-of-the-art community facilities for residents of Chalvey.

Detailed plans are being drawn up for the new hub which could include:

- large hall
- small hall
- café
- satellite library
- kitchen facilities
- early years centre
- youth facilities
- space for community groups

An artist's impression of what the new community hub could look like

The wider regeneration

The community hub is just the start of the regeneration of the whole Chalvey area.

Work is already starting on tackling private landlords who do not look after their properties and also ensuring the numerous properties with multiple tenants are licensed correctly and have the proper safety measures.

Police and the council are also already working together to tackle some of the anti-social behaviour issues affecting residents.

Other ideas to help revitalise the area include:

- A new primary school
- Changes to the roads to deter rat running and accidents
- Widening pavements in some areas to improve access for pedestrians

- Changes to parking restrictions to maximise parking for residents and local shoppers
- Proposals to develop and improve shops around Chalvey High Street
- A neighbourhood office for police and community wardens
- Demolition of the old, unused, play centre and providing changing rooms to help develop sports activities for local groups
- Improvement work to the park and Chalvey play areas
- New high-quality affordable housing
- A satellite library
- A life-long learning centre for adult education classes
- Initiatives to help residents save energy
- Improvements to the look of the streets and open spaces
