Subject :

Police Objection - Lebanese Flaming Grill, 2 Alpha Street, Slough

After consulting with Sergeant Piper, Town Centre Sergeant for Slough Town Centre, I wish to inform you that Thames Valley Police object to the above application for a Late Night Refreshment licence until 4am on each day of the week. This objection is under the crime and disorder licensing objective and public nuisance licensing objective. There are already alcohol related issues and problems in Slough High Street.

We feel that granting a Late Night Refreshment Licence until 4am could potentially cause crime and disorder in and around the vicinity, as operating at this time will encourage pub goers to loiter in and around the area, which will inevitably lead to an increase in crime and disorder in the area. It is our view that the majority of the customers would also be intoxicated.

There are also residents who live nearby who would also suffer from the noise of the customers as they would be loitering around eating, queuing and potentially causing anti-social behaviour. This would have a detrimental affect to the resident's quality of lives.

We would recommend the following amendment and conditions to be placed on the premises licence alongside the conditions already offered:

Amendment

Late night refreshment to be 11pm until 01.00am each day of the week

Conditions

Two SIA Doorstaff to be on duty at the entrance of the premises from 10.00pm until close wearing yellow reflective jackets on a Friday and Saturday evening, the Christmas period from 15th December until 2nd January each year and at any other time as requested by Thames Valley Police.

A Door Supervisor Register to be kept and include names, dates and times of the persons employed in such capacity. The Register is to be kept on site at all times and kept for 2 years and made available to Thames Valley Police when requested.

An incident Register will be kept to record all incidents of disorder at the premise and immediately outside and the Manager and member of staff involved must sign off the entry. This Register is to be kept on site at all times and kept for 2 years and made available to Thames Valley Police when requested.

Town Centre Radio to be used.

Nominated person is able to download any requested CCTV footage when requested by Thames Valley Police.
