Please state the ground(s) for review (please read guidance note 1)

Thames Valley Police are requesting the review of Way to Save, 216-218 Farnham Road, Slough, Berkshire, premises licence under the Protection of Children from harm licensing objective.

Mr Surjit Singh Arora is the Premises Licence Holder and Designated Premises Supervisor. I am aware there are issues along the Farnham Road area although not directly linked to the premise, the crime rate has increased. Sergeant McAllen will be attending the licensing hearing to support this application and update members of the issues in the area.

I have detailed the relevant incident that has progressed to this review application.

14th July 2011

Routine Licensing check with Rachael Rumney, Senior Licensing Officer, Slough Borough Council. Breach of licence found:

No Personal Licence Holder on site and no authorisation in place

During this visit there was also a communication issue with the Staff member on site and the Staff member could not find the Refusals Register.

18th July 2011

Appointment letter sent to the Owner, Mr Singh Arora, to attend Windsor Police Station on Monday 1st August 2011.

1st August 2011

Pre-arranged meeting with Mr Surjit Singh Arora, Premises Licence Holder and Designated Premises Supervisor, WPC Rance, Neighbourhood Officer, WPC Griffiths, Neighbourhood Officer and Debie Pearmain, Police Licensing Officer. Mr Singh informed us that written authorisation was now in place and the Refusals Register was now in place. Mr Arora informed me that there was a problem with the CCTV in June 2011, but this had now been sorted out and the CCTV was now working. I informed Mr Singh that he must keep to the times and conditions on his licence, failure to do so will result in action being taken. Mr Arora was also reminded not to sell alcohol to under aged persons or drunken persons and Mr Arora was informed that there would be a test purchase operation in the future.

4th August 2011

Test Purchase Operation conducted – bottle of Bulmers Cider was sold to a 16 year old male by Mrs Needa Patel who is not a Personal Licence Holder. No identification or age requested by Mrs Patel.

8th August 2011

Appointment letter sent to the Owner, Mr Arora, to attend Windsor Police Station on Thursday 18th August 2011 to discuss the failed test purchase.

18th August 2011

Pre-arranged meeting with Surjit Singh Arora, Owner and DPS, Rachael Rumney, Senior Licensing Officer, Slough Borough Council and Debie Pearmain, Police Licensing Officer. At this meeting I informed Mr Arora that I was very disappointed that this failure had happened as we had met on the 1st August 2011 to discuss housekeeping issues and I had informed him at that meeting that a test purchase operation would be conducted. I also informed Mr Arora that because of the failed test purchase Thames Valley Police would be applying to review the premises licence.

Mr Arora must take responsibility and be showing due diligence as far as possible. He and his staff should be fully committed in trying to stop the sale of alcohol to under aged persons and drunken persons. He should also be adhering to the licence conditions already on this licence and not undermine the licensing objectives. In view of this we would request that the premises licence be suspended to enable the following requested conditions be put into place and checked by Police:

In the absence of the Designated Premises Supervisor a Personal Licence Holder to be on the premises during the sale of alcohol.

Designated Premises Supervisor or nominated person to be trained on how to work the CCTV system to the standard where the nominated person can download any potential evidence required by Thames Valley Police or relevant Agencies.

The applicant and their staff are able to converse with customers, the public and representatives of Statutory Agencies to a level that satisfies Police and Trading Standards that they are able to meet the four licensing objectives.

Challenge 21 policy to be in place.

All persons trained to sell alcohol shall be trained to the BIIAB level 1 award in Responsible Alcohol Retailing (ARAR)

The Premises Licence Holder or Designated Premises Supervisor shall ensure staff receives training on a regular basis in relation to the four licensing objectives contained within the

Licensing Act 2003 for those authorised to sell alcohol. Written proof of all training shall be recorded and maintained and made available upon request of Police, Trading Standards or Slough Borough Council Licensing Officers.

Two members of staff to be on the premises from 6.00pm until close.

Refusals Register to be in place, kept up to date and made available upon request of Police, Trading Standards or Slough Borough Council Licensing Officers.

No single cans to be sold.

To participate in Bottlewatch if requested by Police or Trading Standards.

The Licensing Sub Committee to issue a 'Yellow card' to the licensed premises as a warning that if a further review is necessary and matters have not improved the Premises Licence may be revoked. A 'Yellow card' will be clearly and visibly displayed at the Premises for a period of 12 months detailing the imposition of new conditions on the Premises Licence and that this warning has been given.

BottleWatch

Tamper Proof Labels Drinks Bottle Labels

Underage drinking and the associated Anti-Social Behaviour is a growing problem in the UK, stretching already stretched Police Forces to the limit. Not only that it's also draining the NHS with a growing number of diseases associated with heavy drinking. This is why the Government has set about trying to tackle the problem; however Police Forces have tried various methods in combating the problem with no success. That is until PC Andrew Jackson from Northumbria Police took up the challenge. Working alongside SURE Northumbria implemented the **Bottle Watch** Scheme for the first time in 2006 proving an overnight success solving Newcastle Upon Tyne's underage drinking problem.

[Download the Northumbria Police Testimonial Here](#)

Because the Bottle Watch scheme was so successful Northumbria Police came Runners Up in the National Policing Awards receiving over 20,000 votes from other Police Officers because of the success of the scheme.

How BottleWatch Works?

A number of retailers collaborate and work together, aiming to tackle Underage Drinking and the resulting ASB etc. One central organisation e.g. The Police or County Council buys a number of Bottle Watch Tamper Proof labels which come in either a different colour or number to identify each shop involved in the scheme. (e.g. Asda=1 Threshers=2 Sainsburys=3 etc.)

The most successful Bottle Watch schemes charge a small deposit for each marked bottle of say 50p, which is refunded when the bottle is returned. This combats and dramatically reduces the number of broken bottles and litter on the streets as people wish to get their deposit back and helps prevent people attempting to peel the labels off the bottle!

Whenever a broken bottle or underage drinker is found, simply look at the bottle and the tamper proof Bottle Watch sticker that is attached. This will identify the EXACT shop where the alcohol was bought, and let you know who is selling alcohol illegally or who sold alcohol to someone that gave it to a minor! You could also point out exactly which till operator sold the alcohol by simply writing the till number on the sticker when the alcohol was bought!
