Dear Mr.Idowu,

We have gone through the recommendations from Thames valley police with ref to our application .I would like to discuss with you in person for some clarifications.

May we ask for the suggested timing to be extended upto 1.00am Every day.

-- The timing for special occasions upto 2.00 am

-- Providing of DSA's would be expensive for us.ours is a regular restaurant and not a PUB.

-- We will co-operate with the government agencies to maintain the law and order .--

We would also like to clarify any concerns about our application in person

Kind Regards

Shailendar

Dear Mr Cambampaty,

Please find attached a copy of the representation against your Premises Licence application submitted by Thames Valley Police.

Whereas this is not the only rep against your application, we believe that the other reps may be withdrawn if you agree to the hours and conditions proposed by Thames Valley Police.

Please contact the Licensing Office with your response to the attached. If you wish to meet with Thames Valley Police to negotiate the conditions and times on the attached document, please let us know.

Regards
