Mrs Elaine Crawford,
Solicitor (Contracts),
For Strategic Director of Law & Corporate Governance,
Slough Borough Council,
Town Hall,
Bath Road,
Slough.

Dear Mrs Crawford,

Further to our conversation of this afternoon, I am confirming that the school is now proposing to withdraw its complaint against Cllr. Dhillon for the following reasons: -

1. We have received fulsome apologies.
2. That if he wants to come to the school he will book an appointment in advance stating his business.

I have spoken to the staff concerned who are content with the above.

Thank you for the very professional way that you and your staff have handled the situation.

Yours sincerely,

Mrs M. Lenton,
Principal.
