Schools Forum agreed that the £30,000 allocated at the July 2012 meeting to support the development of secondary school places and intended to be allocated equally across the three successful free school proposers in Slough whose bids were approved by the Prime Minister in July 2012 - be allocated a a later date when sites and intake clearer. LA to contact the three free school proposer groups.		Ţ.
Early Years Single Funding Formula (EYSFF)	03/10/12	5
Schools Forum agreed a number of changes to the EYSFF:  • An additional provider type 'Academy' at the same rates as the provider type 'primary'.  • Provider specific lump sums as a short term position.  • Hourly rates for supplements as a short term position.  • Base hourly rates equivalent to current staffing rates for EYSFF MFG purposes.		
Headroom		
Following update that the majority of the students of the three successful free schools will be from Slough and that the sites would not have an impact on intake, Schools Forum agreed to the £30,000 being held and kept under review.	24/10/12	3
It was confirmed that the £70,000 for Littledown School was formally approved at the last SSEF meeting.	24/10/12	3
Fair Funding Formula 2013 -14 Schools Forum recommended the following proposals to the Council for approval:	24/10/12	5

Not to include a factor for Looked after Children or English as an Additional Language as the DfE datasets do not target the real need in Slough	24/10/12	5
appropriately and recommended that all the other relevant factors be included in the Slough formula.  Agreed to propose Appendix F and G of report to SBC with further discussion to follow amongst Secondary Headteachers re Appendix G which moves 1%		
of funding to basic entitlement from low attainment and has the effect of smoothing the distribution across non-selective and selective schools to the	24/10/12	-
benefit of the selective schools (later endorsed by Secondary Headteachers 31/10/12)	24/10/12	5
Agreed to distribute deprivation funding using 51% free school meals (Ever 6 FSM) and 49% IDACI.	24/10/12	5
Agreed the recommended model for pupil mobility which maps the current turbulence factor to the compliant mobility factor.	24/10/12	5
Agreed the standard lump sum factor.	24/10/12	5
Agreed the split site factor – the final unit value to be confirmed by January 2013.	24/10/12	5
Agreed the factor for rates and PFI. Current formula factors are replicated in the recommended model.	24/10/12	5
De-delegation		
Maintained schools agreed de-delegation of Outreach (former behaviour support) for 2013/14 to support the planned transfer of the management of the	24/10/12	5
service to Littledown and Haybrook from January 2013. Academies present indicated clear support for the service, indicating a willingness to buy in		
De-delegation of Trade Union staff costs was agreed for 2013/14.	24/10/12	5
Growth Fund		
Schools Forum agreed to retain relevant central funding for significant pupil growth.	24/10/12	5
Early Years Single Funding Formula (EYSFF)		
Schools Forum endorsed the proposals put forward by the Task and Finish group: simplifying the formula by reducing it to 3 factors: 1) Staffing;		
2) Central costs and 3) Deprivation with differentiation across different sizes of providers. These factors combine to provide an hourly rate. Deprivation to		
be based on IDACI and Free School Meals.	17/01/13	5
Split site factor		
Schools Forum agreed that the split site factor criteria in the 5-16 main funding formula should be: "A split site is where a school operates on two (or		
more) distinctly separate sites. The sites will be in separate, not adjacent streets and not connected by a footpath".	17/01/13	6
Funding Formula 5 - 16 primary: secondary ratio		
No consensus was reached regarding the two options considered: the status quo of 1:1.43 and 1: 1.39. It was agreed that views of Primary Headteachers		
would be sought following the meeting and it would also be considered at SASH. If no formal agreement could be reached there would be a vote arranged		
for those Schools Forum members eligible to vote. The result of the vote would be communicated to the LA to inform the LA decision prior to submission	17/01/13	6
to the DfE.		
Note: A vote was later held regarding the two models proposed for primary / secondary ratio (1:1.43 and 1:1.39) and the Schools Forum vote did not		
provide a consensus with the vote being in favour of 1:1.43 (11 votes to 6). The final LA decision was to move to the ratio of 1:1.39.		
Stovide a consensus with the vote being in Javour of 1.1.45 (11 votes to 6). The final LA decision was to move to the ratio of 1.1.39.	n/a	n/a
