All neighbouring and other Berkshire Local Authorities
Placing the consultation on the Council website

APPENDIX C

I object to the reference to 'cultural organisations' on page 6 section 2.6 of the proposed policy on the grounds of indirect discrimination against Christian English cultural traditions of consumption of alcohol. Formally recognising extra groups and organisations that can object under licensing policy is a bias and predisposition towards withdrawal of licenses by allowing extra organisations formal rights to object. This has a disproportionate impact on the English Christian way of life.

APPENDIX D
