Outcomes and metrics

Slough V0.3 14.01.14

For each metric other than patient experience, please provide details of the expected outcomes and benefits of the scheme and how these will be measured.

TBC

For the patient experience metric, either existing or newly developed local metrics or a national metric (currently under development) can be used for October 2015 payment. Please see the technical guidance for further detail. If you are using a local metric please provide details of the expected outcomes and benefits and how these will be measured, and include the relevant details in the table below

TBC

For each metric, please provide details of the assurance process underpinning the agreement of the performance plans

If planning is being undertaken at multiple HWB level please include details of which HWBs this covers and submit a separate version of the metric template both for each HWB and for the multiple-HWB combined
