**PART I**  
**FOR DECISION**

**MOTION SUBMITTED TO COUNCIL UNDER PROCEDURE RULE 14**

The following motion has been received in accordance with Council Procedure Rule 14:-

**‘A’ HIGHWAYS TRAFFIC CALMING PROJECTS**

(Moved by Councillor Smith, seconded by Councillor Wright)

“This Council resolves to:

Immediately stop all current/ongoing projects undertaken by the Highways Department to introduce traffic calming, reduce the number of carriageways, narrow carriageway widths, block-off roads to through-traffic, and fill-in bus stop lay-bys; it should thereby present a report open to scrutiny by Members on the effectiveness of such measures already implemented against the criteria of whether they have added to congestion or reduced journey times; any measures that have added to congestion and journey times are inherently unsafe and against the interests of Slough residents going about their daily business and should consequently be removed.”
