FOR INFORMATION

Slough Wellbeing Board (SWB) Development Workshop Update.

1. Purpose of Report

1.1. To update the Board on the planned SWB Development Workshop.

2. Update

2.1 Following the update given to the SWB March meeting; the following activity has taken place.

2.2 A date for the event has been agreed. The workshop will take place on Monday 30th June 2014. The exact timings are to be confirmed, but this is an all day event.

2.3 The venue for this workshop is the Slough Aspire Centre, 350 Edinburgh Avenue, Slough. SL1 4TU. Lunch and refreshments will be provided. This venue will give us the space to work creatively during the day as well as enabling us to support a local organisation that is supporting local people back into employment and training.

2.4 Richard Humphries from the Kings Fund, who is co designing and facilitating the workshop, would like to carry out some telephone interviews/conversations with SWB members and PDG leads prior to the event. This will assist Richard in tailoring the workshop to our needs and expectations as well as allowing time for members and leads to reflect on the work of the board and how they contribute to this.

2.5 The Policy Manager will be in touch shortly with SWB members and PDG leads to organise these telephone interviews/conversations.
