5 **Supporting Information**

- 5.1 The Council has agreed a Corporate Plan, which sets out the objectives and key actions of the organisation, since 2012/13. This has been an annual plan and part of the forward planning framework, set in the context of the SJWS and providing the direction in which service plans are prepared.
- 5.2 As a result of the funding challenges the council faces we need to have a new approach to forward planning over the medium term and it was therefore agreed to develop a five year plan which would set out a vision for the borough against which the council will prioritise its resources.
- 5.3 The plan is attached as Appendix 'A'. The plan includes eight outcomes and outcome plans will be developed to include detailed delivery information and to provide a means of monitoring performance.

6 **Recommendation of the Cabinet**

- 6.1 The Cabinet considered the matters contained in this report at its meeting on 19th January 2015 and agreed to make the recommendation to Council to approve the Five-Year Plan.
- 6.2 The Overview & Scrutiny Committee will consider a report on how it will scrutinise implementation of the Five-Year Plan at its meeting on 5th February 2015. There will also be a programme of engagement with various bodies and partners when the five year plan has been agreed to explain the outcomes and planned actions.

7 **Conclusion**

The plan will provide the strategic direction for the organisation over the next five years and will enable a clear focus of resources and activity.
