Figures based on revised assessment data from DfE datafeed and matched to School Pupil Census May 2016

In 2016, a school will be above the DfE 2016 floor standard if:

- at least 65% of pupils meet the expected standard in English reading, English writing and mathematics; or
- the school achieves sufficient progress scores in all three subjects. At least -5 in English reading, -5 in mathematics and -7 in English writing.

To be above the floor, the school needs to meet either the attainment or all of the progress element.
