## **Standing Advisory Council on Religious Education - 14.03.17**

There were discussions on the Lent season, a time of repentance, fasting for 40 days (excluding Sundays) and preparation for the coming of Easter. Rev Andrew Allen announced that many children had participated in Ash Wednesday (The start of Lent) service. It was noted that as well as giving their time, it was also time of being charitable and performing good deeds.

The Chair announced that activities had been organised in Slough to mark Sadaqa Day (A day of social action) on 26<sup>th</sup> March 2017. Members were invited to attend and to contact the Chair for further information.

It was reported that the 17 Clergy from the Oxford Diocese would be meeting on 23<sup>rd</sup> March 2017.

### **30. SACRE Annual Report**

Members noted and agreed the SACRE Annual report subject to it being amended to record Cllr Bedi's attendance and clarified that Lent Rise School was in Buckinghamshire.

Members discussed the exam results section of the Annual Report and commented that the low numbers of students taking Religious Education (RE) A level exams at Beechwood, Wexham and St Joseph's Catholic Schools was disappointing. However, it was acknowledged that whilst students were required to follow an RE course, they did not have to sit the exams and this may have been reflected in the results.

Anne Andrews (Professional Advisor for this meeting) suggested that it would be useful to compare the results for each school with other subjects taken by student to get a fuller picture.

With regard to a request for training to be provided for A level RE teachers, it was noted that targeting training for teachers at this level would be difficult and that it would be more appropriate to recommend that schools explored training provided by exam boards. The SACRE Advisor would investigate the issue.

**Resolved** – That the SACRE Annual report be approved subject to the amendments set out above.

### **31. RE Resourcing Catalogue Update**

It was confirmed that the Resources Catalogue Project was in progress and 8 boxes of resources had been accumulated to date. Due to the difficulty in accessing the boxes whilst building work was going on at St Mary's School, there had been delay in photographing the items.

**Resolved** – That the update be noted.

Anne Andrews, gave an update on the recent Joint SACRE meeting as follows:

Details would be circulated to SACRE members in due course. The Chair gave apologies for the meeting, as she had been invited to give a talk on Muslim/Jewish at a university. Members were invited to consider attending to ensure Slough SACRE was represented.
- The review of locally agreed syllabus this year, which was required to be reviewed every 5 years.
- The Crossing the Bridge Directory was in progress – current list would be provided by Catherine Jinkerson (who was collating the directory) and circulated to members to check that the details of their places of worship/organisations were included.

**Resolved** – That the update be noted.

Once the details and costings had been approved, residents would be invited to attend in their national outfits and anticipated that they would walk from the Curve to the Town Centre. The event would be a family event.

Sue Elbrow would provide Cllr Bedi with details of a Sikh dance group, currently unrepresented on the draft list.

**Resolved** – That the update be noted.
