PART I **FOR COMMENT & DECISION**

HEALTH SCRUTINY PANEL – 2017/18 WORK PROGRAMME

1. **Purpose of Report**

1.1 For the Health Scrutiny Panel (HSP) to identify priorities and topics for its Work Programme for the 2017/18 municipal year.

2. **Recommendations/Proposed Action**

2.1 That the HSP:

- 1) identify the major issues it would like to cover in the 2017/18 municipal year; and
- 2) agree, where possible, timing for specific agenda items during the 2017/18 municipal year.

3. **The Slough Joint Wellbeing Strategy, the JSNA and the Five Year Plan**

3.1 The Council's decision-making and the effective scrutiny of it underpins the delivery of all the Joint Slough Wellbeing Strategy priorities. The HSP, alongside the Overview and Scrutiny Committee and the other 2 Scrutiny Panels combine to meet the local authority's statutory requirement to provide public transparency and accountability, ensuring the best outcomes for the residents of Slough.

3.2 The work of HSP also reflects the following priority of the Five Year Plan:

- Our people will become healthier and will manage their own health, care and support needs.
- Our children and young people will have the best start in life and opportunities to give them positive lives

3.3 Overview and Scrutiny is a process by which decision-makers are accountable to local people, via their elected representatives for improving outcomes relating to all priorities for the Borough and its residents. Scrutiny seeks to influence those who make decisions by considering the major issues affecting the Borough and making recommendations about how services can be improved.

4. **Supporting Information**

4.1 The purpose of scrutiny is to hold those that make decisions to account and help Slough's residents by suggesting improvements that the Council or its partners could make.

4.2 Prioritising issues is difficult. The scrutiny function has limited support resources, and therefore it is important that the work scrutiny chooses to do adds value.

4.3 There are three key elements that make up the responsibilities of the scrutiny function:

- provide transparency and public accountability for key documents relating to the financial management and performance of the Council;
- scrutinise significant proposals which are scheduled for, or have been taken as, a Cabinet/Officer delegated decision; and
- strategic shaping of service improvements relating to the Cabinet Portfolios of Finance & Strategy and Performance & Accountability

4.4 In considering what the HSP should look at under points two and three above, Members are invited to consider the following questions:

- *To what extent does this issue impact on the lives of Slough's residents?*
- *Is this issue strategic and pertinent across the Borough?*
- *What difference will it make if HSP looks at this issue?*

5. **Suggested Topics**

5.1 It is generally recommended that a Scrutiny Committee should aim to look at no more than 3 or 4 items in any one meeting. This limited number can prove challenging, but does allow the Committee to delve down into specific subject areas and fully scrutinise the work that is being undertaken.

5.2 This will be a continuous process, and flexibility and responsiveness vital to success. It is important not to over-pack the Committee's agenda at the start of the year, which will not allow the flexibility for the Committee to adapt to take into consideration issues that have arisen during the year.

6. **Resource Implications**

6.1 Overview and Scrutiny is supported by 1 FTE member of staff. This officer is responsible for support the O&S Committee and three Scrutiny Panels. Therefore, this is a finite resource and consideration must be given, in conjunction with the work programmes for the three Scrutiny Panels, as to how the resource is used during the year.

7. **Conclusion**

7.1 The scrutiny function plays a key role in ensuring the transparency and accountability of the Council's financial and performance management, and strategic direction. The proposals contained within this report highlight some of

the key elements which the Committee must or may wish to scrutinise over the coming municipal year.

- 7.2 This report is intended to provide the HSP with information and guidance on how best to organise its work programme for the 2017/18 municipal year. As previously stated, this is an ongoing process and there will be flexibility to amend the programme as the year progresses, however, it is important that the Committee organises its priorities at the start of the year.
