### HOUSING AND REGENERATION

Manifesto Pledge	Date for Delivery	Actions taken	RAG
Working with partners, start construction of 150 new social and affordable homes this year.	March 2019	The Council is working with Slough Urban Renewal ('SUR'), registered housing providers and private developers to identify sites and other opportunities to start construction of 150 new homes before end of March 2019. The projections are: 43 new build affordable housing completions in Slough (32 for rent and 10 for shared ownership). This includes the 6 new build James Elliman (JE) s106 purchases. Please note this does not include ex-RTB buybacks or JE second-hand acquisitions. 188 affordable housing 'Starts' are possible however this is a very cautionary figure. All the listed sites have Planning consent and developers have indicated they wish to commence construction, however there are many constraints beyond the council's control which could lead to delays or mothballing of any site on the list.	GREEN
	March 2022	Identified 511 new dwellings for development on former garage sites to be delivered over next 3 year period. Bids have been submitted to central government for funding to support the building programme. The initial government bid to allow for borrowing has been superseded by the government's removal of the borrowing cap thus allowing those schemes that have been identified to proceed. The team is in process of submitting pre-planning applications for a range of sites.	
Replace every property lost in the past 12 months through Right-to-Buy with a new social home	March 2019	<p>In addition to the work to build new homes, the council will also continue with its policy of buying back properties from leaseholders. We have a target of 12 buybacks this year.</p> <p>Year to date, there have been 11 RTB sales (2 in Q2) and 3 new council build completions. 1 buyback was completed in Q2 (1 YTD).</p>	AMBER
Invest £18 million in buying homes to increase the supply of genuinely affordable housing for Slough families	March 2019	The £18m for 2018/19 has been spent and we have received agreement to bring forward a proportion of the 2019/20 allocation. This will likely be about £7m. 67 units have been bought although 14 have been let so far.	GREEN

<p>Make £17 million in improvements to our existing council stock - fitting homes with new kitchens, bathrooms and more energy-efficient boilers</p>	<p>March 2019 £17m Investment</p>	<p>The HRA Asset Management Strategy has a planned 5-year programme of works. This years commitment of £17 million has targeted substantive investment including replacement of 600 energy efficient boilers, 100 new bathrooms, 90 new kitchens, 250 new individual entrance doors, 220 properties having new energy efficient double glazed windows, 200 pre 1940s houses having new roofs including enhanced insulation, fire risk works to flatted blocks, refurbishment of Broom House and Poplar House, works to garage sites to address ASB, create parking and improvements</p> <p>Included within the programme is investment due to significant statutory compliance related work, particularly fire and asbestos risks. For technical reasons some of the delivery of these works will take time and not all can be completed in this financial year, budgets have therefore been adjusted to bring forward other works to ensure investment improvements are achieved</p> <p>This year's programme is the first year of a five-year programme with a new service partner Osborne Property Services Ltd, Osborne have been instructed to undertake all programmes, pre contract surveys and costs are now agreed and programmes for roofs, boilers, garage sites, Broom and Poplar are now onsite, with kitchens and bathrooms, windows and doors to follow shortly.</p> <p>There is as expected a slow start to delivery of the programme with a new service partner, completion of work and spend per month will increase steadily through Quarter 3.</p> <p>The Capital Investment Programme for 2019/20 will continue with works already on site in April and be delivered relatively evenly throughout the year.</p>	<p>GREEN</p>
<p>Bring forward plans to regenerate the Canal Basin and TVU site with enhanced open space, and new homes, retail and community facilities</p>		<p>Slough Urban Renewal are proposing a residential development of around 240 new homes, situated adjacent to the Slough Canal Basin, to be delivered jointly by SUR and a specialist waterside developer, Waterside Places. Plans for the proposal are 6 month behind the last reported schedule. The updated programme now assumes that the planning application will be submitted by June 2019, with construction anticipated to commence around the end of 2019.</p> <p>The new homes will be of mixed tenure and set within large areas of open space, with walkways from the development to the canal incorporated throughout, encouraging active use of the water, and the broader area will be enhanced with large areas of public realm.</p>	<p>AMBER</p>

Deliver the next steps of the Chalvey regeneration by transforming the site currently occupied by Tower and Ashbourne Houses; providing new high-quality social homes	2022	The council's vision for the site currently occupied by Tower and Ashbourne Houses is the demolition of the two towers and redevelopment of the site to provide circa 200 new homes in total. During Quarter 2 we have held the 1st public consultation, met with the LPA and also presented the design to the South East Design Panel. A number of surveys such as: topographical, arboriculture, ecological, ground conditions, daylight and sunlight have already been completed, with others being undertaken in Q3. The Service Lead, Neighbourhoods has signed off key design requirements such as sprinklers, CCTV and for all lifts to be fire-fighting lifts. Further refinement of the design is on going, prior to the intended submission of a planning application in December 2018.	GREEN

### THE ENVIRONMENT AND NEIGHBOURHOODS

Manifesto Pledge	Date for Delivery	Actions taken	RAG
Ensure all Slough's neighbourhoods reach the standard of the best	March 2019	The government has produced a green paper that draws reference to service standards. These are currently been reviewed alongside wider estate and neighbourhood standards which have previously been circulated to cabinet members. The intention is to develop the service standards in consultation with residents by the end of the financial year.	GREEN
Install measures to protect green verges from over-parking	Winter 2018/19	CIF projects underway to introduce more parking bays and more verge protection measures.	GREEN
Step up parking regulation; introducing the next stages of our pavement-parking scheme	Winter 2018/19	Collating list of worst affected streets in the borough from ward members. Scheme feasibility in progress. Further discussions required with leader to understand process for full roll out.	GREEN
Protect our residents from poor air quality by planning and preparing the launch of a Clean Air Zone across our worst-polluted areas	Winter 2019 (feasibility) Summer 2021 (implementation)	<p>This manifesto pledge is a long-term project.</p> <p>The Low Emission Strategy was approved by Full Council on 27th September 2018.</p> <p>A feasibility assessment for a Clean Air Zone will be undertaken by Winter 2019 that will consider different categories of CAZ and non-charging and charging CAZ. If the assessment concludes that a CAZ would be effective in improving air quality and complying with air quality standards, an economic viability assessment will be undertaken. A CAZ will require a full public consultation and an application to the Secretary of State for Transport. We are currently on track for full implementation by summer 2021.</p>	GREEN

Continue our alley-gating programme to help tackle anti-social behaviour	Ongoing	The council will continue to work with our community to tackle anti-social behaviour, including installing gates, railings and fencing where this is required. The programme will be reviewed annually and budget forecast submitted for approval.	GREEN
Take action against fly-tipping by seeking prosecutions against serious and prolific offenders	Ongoing	Fly-tipping is the illegal dumping of waste on land that doesn't have a licence to receive it. Waste can only be deposited at officially authorised sites. During Quarter 1, proposals were made that the council charges for Bulk Waste Collection be reduced in an attempt to bypass illegal fly tipping, with proposals that the charge policy and impact then be reviewed closely throughout the year.  The council will investigate all instances of fly-tipping and attempt to identify those responsible, and will seek prosecutions.	GREEN
Use our new in-house waste service to keep our streets cleaner; roll out more bins across Slough; and reduce charges for bulky waste collection	Ongoing	New and additional bins are being placed on request. Proposal for reducing Bulk Waste Charges has been made to Neighbourhoods and Community Services Scrutiny Panel.  The cost for Bulk Waste Collection has now reduced to £5 per item. Previously it was £30.75 for up to 5 items and £30.75 for every 5 items increment after that. In addition payment for these collections have been made easier as we now accept credit card payments over the phone which saves residents having to come to the Chalvey office to pay by either cash or cheque.  Gateway site inspections assure us that streets are generally maintained to a high standard of cleanliness, and results improved in Q2.	GREEN
Spread the benefit of regeneration from central Slough to local neighbourhoods	December 2019	The council is developing proposals for a number of housing-led sites throughout the borough, including General Fund and Housing Revenue Account sites. Options appraisal of the HRA estates is currently near completion and is being led by the Neighbourhood Services Lead which to date has identified over and above the garages site and a potential further 300 units that could be gained from remodelling or top hatting. <p>Deliver a new frequent, rapid "SMaRT" bus service along the A4</p>	<p>Autumn 2018</p>	<p>The A4 Slough Mass Rapid Transit ('SMaRT') scheme is a programme of works to improve the A4 public transport corridor to enable dedicated bus lanes along its length.</p> <p>Highway construction works for Phase 1 (Slough Trading Estate to Slough Railway station) have been completed. The A4 has been widened at key points, and service roads utilised as bus lanes, to provide a bus service that is quicker, more frequent and more reliable. Through reducing congestion, the scheme also aims to improve the daily journeys of the 20,000+ vehicles that use this stretch of road.</p> <p>The council now aims to introduce an electric bus route on the A4 Slough Mass Rapid Transit ('SMaRT') dedicated bus lane, and has partnered with Thames Valley Buses to trial the first fully electric bus. The state-of-the-art electric bus has been operating from the Slough depot along the Green Line 703 service.</p> <p>A closed service commenced on 2nd July and will continue into the New Year before a new public service will come into operation with new buses and branding. <a href="http://www.slough.gov.uk/parking-travel-and-roads/slough-mass-rapid-transit-smart.aspx">http://www.slough.gov.uk/parking-travel-and-roads/slough-mass-rapid-transit-smart.aspx</a></p>	<p>GREEN</p>
<p>Increase the number of cycle hire points, putting them where people want them; plus improve and expand walking routes across Slough</p>	<p>Summer 2018</p>	<p>Slough has expanded the cycle hire scheme to 17 docks placed strategically across the borough. Two are yet to go live, after which the entire scheme will be promoted and incentivised. Currently the cycle hire scheme is transitioning to new management.</p> <p>Over 7,248 hires since the scheme went "Live" equating to 34.29 uses/day. 370 registered users who will transition to the new, easier to use system which allows users to pay and pedal model that will also permit easier sign-up.</p> <p>For more details on the scheme please visit <a href="https://www.cycleslough.com/">https://www.cycleslough.com/</a></p> <p>Brunel Way Cycle Hub has been decommissioned. Options being considered to bring this aspect in-house to reduce costs, including re-negotiating new hub space with Network Rail and Great Western Railway.</p> <p>Walking routes are being reviewed via the Access Fund programme, to include improved signage around schools.</p>	<p>GREEN</p>

Improve our bus network by working with new partners to deliver better buses, reduced fares and a more accessible bus network	Winter 2018	Thames Valley Buses are now located in Slough serving services 4, 5 and 6. The service 5 is now being registered by Reading Buses as commercial with support from Slough on areas which do not have sufficient demand. HAL to lead on procuring a service to T5 and will engage with members and officers over the coming months.	AMBER
Increase the number of electric and hybrid vehicles in Slough by offering benefits to residents who switch from diesel and petrol	Summer 2019 (1st phase)	Procurement for EV/ULEV car club partner will be complete by end of 2018/19 with phase 1 of EV/ULEV car club set up by summer 2019. We are slightly behind schedule.  Slough council provides free electricity and parking at 10 charging points in Slough.  <a href="http://www.slough.gov.uk/parking-travel-and-roads/electric-cars.aspx">http://www.slough.gov.uk/parking-travel-and-roads/electric-cars.aspx</a>	GREEN
Keep our highways and pavements to a good standard, and continue taking action to fill potholes more quickly than surrounding boroughs	Winter 2018/19	Additional funding for pothole repairs underway.	GREEN
Invest over £2 million in our highway network; resurfacing roads and footpaths, improving pavements and landscaping the environment	Autumn 2018	The council completed a consultation on the resurfacing programme for footways and carriageways earlier in the year, to inform a programme of planned works for the current year and beyond. Carriage programme completed and footway programme commencing October 18.	GREEN
Run a competition with industry and local business to find innovative ways to help people move around the Borough quicker and more cheaply		A commuter challenge is being devised and procured, working with local businesses to allow employees to compete against each other using various sustainable modes. In addition, a new carshare supplier is being procured to work with twenty businesses in Slough. Once established, a competitive element will be introduced into this carshare scheme as an annual event.	GREEN

#### COMMUNITY FACILITIES AND CUSTOMER CARE

Increase post-16 skills and job training for young people with disabilities and special educational needs

Supported internships are study programmes for young people aged 16-24 with learning difficulties or learning disabilities, who want to get a job and need extra support to do this. Internships are unpaid and last for at least six months, and deliver a personalised package of training, support and work skills.

Quarter 2 saw progress made in preparation for the scheme's launch in the autumn term, including setting up a working group to oversee this activity.

Meetings have taken place with Post 16 providers (Windsor Forest College Group, Berkshire College of Agriculture and Arbour Vale School) to discuss establishing a Supported Internship curriculum. BCA have piloted the programme and have enrolled 7 learners onto the course

Funding for the role to support Children and Young People with EHCPs from Year 9 onwards has been agreed and will be delivered by Slough's YPS from Autumn term 2018. This role will help facilitate young people with SEND accessing Supported Internships

Further work to be done with providers to establish cohort of young people that can access Supported Internships and to identify potential employers.

SEND Supported Internship Grant to be used to employ member of staff to establish Supported Internship Forum and to fund training opportunities for providers.

<p>Support the great work of Slough's Youth Parliament and champion the needs of Slough's Young People</p>	<p>Ongoing</p>	<p>The borough's first Youth Parliament was elected in January 2015, with second elections in January 2017.</p> <p>Members of Slough Youth Parliament ('SYP') serve for a two year term. SYP is made up of 33 elected young people aged 12-19. SYP meets monthly, facilitated by Slough Borough Council.</p> <p>In addition to their monthly meetings, youth representatives participate in a range of training and enrichment activities including volunteering at community events, membership of community forums and strategic boards and attending away days and residential stays. In April, we supported SYP representatives to attend the unveiling of a statue commemorating the life of the suffragist, Millicent Fawcett in Parliament Square.</p> <p>In June, we supported SYP representatives to attend a reception at the Houses of Parliament to collect an award for the Make Your Mark campaign, recognising the highest turnout of young voters in the UK. Make your Mark results for 2018 will be available by end of October 2018</p> <p>We will support the next SYP elections in January 2019, with awareness raising starting from October 2018.</p> <p>The SYP manifesto is on track, and MSYPs are ensuring Slough young people's needs are championed.</p> <p><a href="https://thelink.slough.gov.uk/schools/young-peoples-service/slough-youth-parliament">https://thelink.slough.gov.uk/schools/young-peoples-service/slough-youth-parliament</a></p>	<p>GREEN</p>

<p>Create at least 400 new early years places across the Borough</p>	<p>By March 2023</p>	<p>The Early Years and Development service is working with providers across the sector to identify opportunities to extend provision. Capital funding to support the development of additional Early Years places has been approved and an Early Years Capital Board has been established. The Board is comprised of representatives from many council departments and includes PVI representation. Terms of reference have been decided upon and a meeting schedule prepared and instigated. The places will be developed in phases and cover a 5yr period (as detailed in the cabinet report February 2018). Section 106 developments are also being applied where appropriate to facilitate place creation. Update report on in year place development.</p> <p>During Quarter 2, the extension and refurbishment of Olive Tree Nursery was completed creating an additional 12 full time early years places. This brings the total number of places created this year so far to 128.</p> <p>This leaves a target of 272 places to be created by 2023, although we expect a further 40 places to be available before the end of the current year. We continue to be ahead of projections.</p>	<p>AMBER</p>
<p>Keep open all our Borough's Children Centres</p>	<p>Ongoing</p>	<p>The council operates 10 Children's Centres at accessible locations across the borough. Each delivers a range of support services and sessions for families with children aged under 5, and the network reaches 87% of under 5's across the borough. Partner organisations also operate out of the centres, promoting collaboration and providing an integrated offer for children and families. We are committed to keeping each of these centres open. <a href="https://www.sloughfamilyservices.org.uk/kb5/sloughcst/directory/directory.page?directorychannel=4">https://www.sloughfamilyservices.org.uk/kb5/sloughcst/directory/directory.page?directorychannel=4</a></p>	<p>GREEN</p>
