- 5.1 The Five Year Plan was launched in 2015 to define the Council's ambition; the opportunities and challenges faced; the role of the Council in meeting these and the priority outcomes against which resources will be allocated.
- 5.2 The Five Year Plan is therefore an important element of our strategic narrative in explaining our ambitions for Slough's future. It also describes the role of the Council in achieving this, recognising the importance of working with communities and putting people first in everything the council does.
- 5.3 The Five Year Plan is updated every year and an Annual Report is also produced to demonstrate progress against the Five Year Plan. The Annual Report includes case studies and performance indicators setting out how priority outcomes are being delivered.
- 5.4 The final version will be designed and formatted to include photographs that sit alongside the highlights and case studies for publication on the Council's website with a limited print run of hard copies.
