### Labour Group Amendment

#### ~~anti-S~~Antisemitism & Islamophobia

This Council expresses alarm at the rise in ~~anti-S~~Antisemitism and Islamophobia in Britain, and resolves to:

- a) Endorse Labour Leader, Cllr. Swindlehurst's, statement in relation to the Slough Labour Party dated May 2019, as follows:

*“Over 20 years ago I signed up to the values of the Labour Party, on our membership card it states we are working to build a ‘community where we live together freely in a spirit of solidarity, tolerance and respect.’*

*I always have, and will continue to condemn ~~anti-~~Antisemitism and discrimination in any form. It is a scourge and should be called out and rooted out wherever it is found in our society.*

*We are fortunate in Slough to have a large and active Labour Party of over 1,700 members. Despite our size we have only had a couple of discriminatory comments on social media over the past few years and local party officers acted decisively and immediately to report the perpetrators, resulting in the immediately suspension of the authors from the Labour Party. There is no space for ~~anti-~~Antisemitism to exist or be perpetuated within Slough Labour Party.*

*Given there is now a live investigation by the EHRC into the national Labour Party organisation’s response and handling of complaints, that should be enabled to run its course and I look forward reading its findings and conclusions and will make a further comment when the investigation is complete and its findings are available.”*

b) Acknowledge ~~anti-~~Antisemitism as a fundamental issue and hereby adopt the International Holocaust Remembrance Alliance’s (IHRA) definition of ~~anti-~~Antisemitism, with its working examples;

‘Antisemitism is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of ~~anti-~~Antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities.’

- Calling for, aiding, or justifying the killing or harming of Jews in the name of a radical ideology or an extremist view of religion.
- Making mendacious, dehumanizing, demonizing, or stereotypical allegations about Jews as such or the power of Jews as collective — such as, especially but not exclusively, the myth about a world Jewish conspiracy or of Jews controlling the media, economy, government or other societal institutions.
- Accusing Jews as a people of being responsible for real or imagined wrongdoing committed by a single Jewish person or group, or even for acts committed by non-Jews.
- Denying the fact, scope, mechanisms (e.g. gas chambers) or intentionality of the genocide of the Jewish people at the hands of National Socialist Germany and its supporters and accomplices during World War II (the Holocaust).
- Accusing the Jews as a people, or Israel as a state, of inventing or exaggerating the Holocaust.
- Accusing Jewish citizens of being more loyal to Israel, or to the alleged priorities of Jews worldwide, than to the interests of their own nations.
- Denying the Jewish people their right to self-determination, e.g., by claiming that the existence of a State of Israel is a racist endeavor.
- Applying double standards by requiring of it a behavior not expected or demanded of any other democratic nation.

- Using the symbols and images associated with classic antisemitism (e.g., claims of Jews killing Jesus or blood libel) to characterize Israel or Israelis.
- Drawing comparisons of contemporary Israeli policy to that of the Nazis.
- Holding Jews collectively responsible for actions of the state of Israel.

and the MEND definition of Islamophobia;

'Islamophobia is a prejudice, aversion, hostility, or hatred towards Muslims and encompasses any distinction, exclusion, restriction, discrimination, or preference against Muslims that has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise, on an equal footing, of human rights and fundamental freedoms in the political, economic, social, cultural or any other field of public life.'

c) ~~Write to Slough MP Tan Dhesi, requesting him to lobby Jeremy Corbyn to follow Slough Labour Party's lead in taking action against anti-Semitism.~~ Welcome the educational initiatives taken by the Labour Party Leadership and the launch of the new Antisemitism educational material.
