3a. **Slough Joint Wellbeing Strategy Priorities**

The Slough Wellbeing Strategy 2016-2020 was launched at the Board's partnership conference in September 2016. The Wellbeing Strategy includes four priorities:

1. Protecting vulnerable children
2. Increasing life expectancy by focusing on inequalities
3. Improving mental health and wellbeing
4. Housing

As the current strategy is coming to an end, a new 2020-2025 strategy is awaiting formal approval. This new strategy contains four updated priorities:

1. Starting Well
2. Integration
3. Strong, Healthy & Attractive Neighbourhoods
4. Workplace Health

The work of the Slough Wellbeing Board over the 20/21 year will aim to address these priorities, as well as meet the statutory requirements of the Board.

3b. **Joint Strategic Needs Assessment (JSNA)**

The priorities in the Wellbeing Strategy are informed by evidence of need contained in the Joint Strategic Needs Assessment. Therefore, the work outlined in the work programme is built upon the evidence outlined in the JSNA.

3c. **Council's Five Year Plan Outcomes**

The work of the Board and the Wellbeing Strategy contributes to the five priority outcomes in the Council's Five Year Plan:

- Outcome 1: Slough children will grow up to be happy, healthy and successful
- Outcome 2: Our people will be healthier and manage their own care needs
- Outcome 3: Slough will be an attractive place where people choose to live, work and stay
- Outcome 4: Our residents will live in good quality homes
- Outcome 5: Slough will attract, retain and grow businesses and investment to provide opportunities for our residents

In particular, the work of the Slough Wellbeing Board contributes to Priority One and Priority Two of the Council's Five Year Plan.

5. **Supporting Information**

5.1 This work programme outlines some of the work the Wellbeing Board will be involved in over the next year. In particular, some of the statutory responsibilities of the Board have been scheduled into the work programme, in order to ensure these pieces of work are addressed at the most suitable time of year. This scheduling has taken place by drawing on conversations with officers from the appropriate organisations, as well as conversations with the Chair of the Wellbeing Board.
