

COUNCIL MEETING – 24 NOVEMBER 2020

QUESTION FROM ELECTOR UNDER PROCEDURE RULE 9

1. From Kevin Barry to Councillor Swindlehurst

“Given that recent reports in the news indicate that there will be a much greater need for social and affordable housing in the aftermath of Covid-19, and with talk of the former ICI Paints Plant site being a major supplier of Slough's housing numbers going forward, can you please provide an update on the progress in bringing this site forward?”
