

SLOUGH2040

The Slough 2040 Vision outlines our ambitions for the future of Slough.

This vision has been created by engaging with the local people of Slough - our residents, elected councillors, and the organisations that serve the people of the town. By listening to their voices, we have created a bold and ambitious shared vision of Slough's future. Over the next 20 years, we will work in partnership with the residents, public bodies, charities and businesses of Slough to transform this vision into reality.

The Slough 2040 vision outlines the shared ambitions of organisations working in partnership in this town, including:

It will blend together retail, leisure, business and housing to create a space that is exciting, busy and thriving throughout the day.
