#### 5. **Supporting Information**

5.1 At the last meeting of Overview and Scrutiny Committee for each municipal year the committee receives the draft Annual Scrutiny Report.

5.2 Annual reports are an opportunity to review the scrutiny work programme for the past year and assess the impact scrutiny has had on influencing policy. Looking at an annual report can help us to understand the nature of the work undertaken by Overview and Scrutiny and to assess its effectiveness. It also gives an opportunity to reflect on any lessons learned during the year to help guide future work.

5.3 The production of an annual report is a constitutional requirement and in addition the committee “must report annually to the full council on future work programmes and amended working methods if appropriate.” The Overview and Scrutiny Committee is provided with a draft of the Annual Scrutiny Report which highlights some key achievements from the year where scrutiny has made a difference.

5.4 This year the structure of the report has been altered to try to focus on particular examples of effective scrutiny by the Overview & Scrutiny Committee and the three scrutiny panels. Further information has been included on the work of the scrutiny chairs via the joint working group.

#### 6. **Comments of Other Committees**

6.1 The Annual Scrutiny Report will be considered by the Overview & Scrutiny Committee on 26<sup>th</sup> April 2021. If the Committee makes any amendments to the draft contained in Appendix A they will be reported to Council.

7. **Conclusion**

- 7.1 The Local Authority, through its Overview and Scrutiny Function, has an influential, as well as statutory, role in scrutinising the activities and performance of the Cabinet and External Bodies (e.g. the Clinical Commissioning Group). The Annual Scrutiny Report provides an opportunity to communicate the work the committee and its panels have undertaken, challenges faced and the improvements made as a result of scrutiny.
