This is summarised as follows:

- **SILVER** – led by a member of CMT on rotation, includes CMT, Public Health, Communications and Operations Room Management. TVP and CCG attend. Responsibility for tactical implementation of GOLD Strategy, escalates strategic decisions to GOLD, refers issues for resolution to task groups.
- **Task Groups** – usually led by an Executive Director or senior Officer  
Manages operational matters and escalate issues to Silver  
Task groups established include Finance, Human Resources and Business Continuity, Community Hub, IT, Children, Adults, Safer Public Spaces, Testing, PPE, Recovery, Local Outbreak Management Plan Cell and Workplace Safety Group. Some task groups stood down and ready to be reactivated if operationally required.

## 2.5 Comments of Other Committees

A report on this subject, in the same terms, will also be submitted to full Council at its next meeting.

## 3. Implications of the Recommendation

### 3.1 Financial implications

3.1.1 Any financial implications of significant decisions taken by officers in connection with the need to deal with the consequences of the Covid-19 pandemic are monitored weekly by a special finance group and will be reported to cabinet as part of the usual financial reports to cabinet.

### 3.2 Legal implications

3.2.1 Any decisions taken by officers pursuant to the statutory regulations enacted by the Government to deal with the Coronavirus pandemic, to enforce business closures and restrict assembly, could potentially be challenged under the Human Rights Act 1998 as being a breach of article 11, relating to the freedom of assembly and association, and of Article 1 of the First Protocol to that convention, relating to the right to peaceful enjoyment of possessions. It is considered, however, that risks of successful challenge are low as, in the latter case, derogations are permitted to control use of property in the general interest and, in the former case, for the protection of public health.

Under the Council's Constitution, the Chief Executive has delegated power to act in case of emergency and urgency to exercise all council functions. Additionally, under the constitution, all matters not specifically reserved are deemed to be within the delegated authority of the Chief Executive and Directors for all purposes which fall within their directorate or budget area or area of responsibility to which they may be nominated from time to time

The Cabinet may ratify any decisions of officers falling within their functions.

### 3.3 Risk management implications

#### 3.3.1

That the Cabinet note and ratify the significant decisions taken by officers since the "lockdown" came into force.	Failure by Members to note and ratify these actions and decisions increases the risk of challenge and disruption. ### 3.4 Environmental implications

3.4.1 Carbon Emissions and Energy Costs: The Council have not at present carried out any systematic analysis of the effect on carbon emissions and energy costs of the decisions taken by officers since the “lockdown” took effect. It is considered that it is self-evident, however, that the restrictions on travel and the reduction in the use and occupation of Council premises and other council activities means that it is unlikely that there was an increase in emissions and energy costs during this period.

### 3.5 Equality implications

3.5.1 All the significant decisions set out in this Report were taken having regard, so far as was practicable in the circumstances, to the public sector equality duties and the protected characteristics set out in the Equality Act 2010.

### 3.6 Procurement implications

3.6.1 Procurement issues have been considered by Officers in relation to each decision and procurement processes would need to be followed where they apply.

### 3.7 Workforce implications

3.7.1 The decisions taken by Officers which have affected the workforce are set out in the schedule to this Report.

### 3.8 Property implications

3.8.1 The restrictions imposed by the Coronavirus Act 2020 on the ability of the Council as a landowner to take action to enforce payments of rents will have had an effect on the Council’s asset management position. Any long term effects on the Council’s property portfolio and asset management strategy evaluated and reported to the cabinet as part of the Council’s normal financial reporting to the cabinet.
