

Original Motion

This Council acknowledges:

- That Slough Borough Council is in an exceptional financial crisis and notes the Secretary of State's comments regarding the "poor leadership" which led us to this point, and

Resolves to:

Request that the Council's Investigating and Disciplinary Committee consider the capability of the Chief Executive of the Council to lead us to financial recovery.

Labour Group Amendment

This Council acknowledges:

- That Slough Borough Council is in an exceptional financial crisis and notes the Secretary of State's comments. ~~regarding the "poor leadership" which led us to this point, and~~

This Council Resolves to:

- ~~Request that the Council's Investigating and Disciplinary Committee consider the capability of the Chief Executive of the Council to lead us to financial recovery.~~
- Work to lead financial recovery, supporting the Council Leader and Cabinet who will set out revised expectations of the Chief Executive and Executive Board to deliver at pace the changes required to put this Council on a sound financial footing.
- Receive at September Full Council a plan including key milestones to achieve financial recovery and specific expectations for individual directorates. These will be regularly monitored through appropriate Lead Member(s) meeting with their executive directors and contributing to the performance management of senior officers through our new Objectives and Key Results performance management framework (which have been recently agreed via the Transformation Programme).

Substantive Labour Group Motion

This Council acknowledges:

- That Slough Borough Council is in an exceptional financial crisis and notes the Secretary of State's comments.

This Council resolves to:

- Work to lead financial recovery, supporting the Council Leader and Cabinet who will set out revised expectations of the Chief Executive and Executive Board to deliver at pace the changes required to put this Council on a sound financial footing.

- Receive at September Full Council a plan including key milestones to achieve financial recovery and specific expectations for individual directorates. These will be regularly monitored through appropriate Lead Member(s) meeting with their executive directors and contributing to the performance management of senior officers through our new Objectives and Key Results performance management framework (which have been recently agreed via the Transformation Programme).
