Council Response

Thank you for your petition which was received on 4th July 2022.

You have requested a residents parking scheme to be introduced to Cecil Way.

Unfortunately, due to the current financial position of the Council, we are not able to consider any requests for new parking restrictions at this time. I have however added your request to a list and we will be in touch with you once we are able to accept new requests.

I apologise that I cannot be of further assistance at this time.
