SAFEGUARDING FOR LEARNERS

What to do if you are at risk of or being abused or neglected in some way

Inform your tutor or any member of staff

The member of staff will discuss your concerns

The member of staff will ask their manager for advice

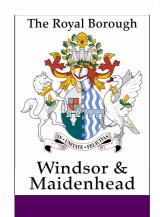

If the manager agrees there is a safeguarding concern they will report it to Adult Social Care Team

The Adult Social Care
Team may then
contact you about
your concern

If criminal abuse is suspected or likely then report it to the police – dial 999

We may suggest you speak to a local agency (ask for our list of agencies)

We report on the 'SA1 form' and will take notes on your concern
