- preserve the character of the road in a case where it is especially suitable for use by persons on horseback or on foot;
- preserve or improve the amenities of the area through which the road runs, or
- prevent the use of the road by vehicular traffic of a kind which, or its use by vehicular traffic in a manner which, is unsuitable having regard to the existing character of the road or adjoining property, or
- for any of the purposes specified in paragraphs (a) to (c) of subsection (1) of section 87 of the Environment Act 1995 (air quality).
