THE BOROUGH OF SLOUGH WAITING RESTRICTIONS AND PARKING PLACES (CONSOLIDATION) ORDER 2017 (AMENDMENT No. 47) ORDER 2025 (Order 22 of 2025)

STATEMENT OF REASONS

This Order creates the CP6 parking scheme to incorporate the following roads: part of Bath Road and Galleymead Road, together with the introduction of waiting restrictions operating at all times into certain sections of Poyle New Cottages.

The purpose of this Order is to introduce a Controlled Parking Zone (CPZ) in line with the CPZ Borough Wide policy. This focuses on introducing CPZs as a standard approach for the provision of parking restrictions which would bring consistency in the management of road space and enable priority for parking to be given to residents and/ or businesses.

The introduction of CPZs will enable the Council to:

- Prioritise parking for residents and/ or businesses within the operational times using permits. Visitors vouchers will also be available
- Take account of the impact on the local amenities e.g. shops and schools
- Reduce congestion, obstructive and inconsiderate parking especially at junctions, bends and on footways
- Control the number of cars parking on the highway within CPZs
- Manage displacement parking
- Promote sustainability and improve air quality by encouraging commuters to use alternatives to the private car.
