Dear Sir/Madam,

**Town and Country Planning Act 1990**

Re: Land at Manor Farm and land north of Wraysbury Reservoir, Slough

Thank you for your Full Planning application, which we received on the 17-Dec-2024. Unfortunately, we are currently unable to process your application as it does not contain all the information and documentation we require.

To enable us to process your application please submit the following:

**Please can you confirm the description of work:**

**Demolition of existing buildings and redevelopment to comprise a Data Centre (Use Class B8) and Battery Energy Storage System (BESS) with ancillary substation, offices, associated plant, emergency backup generators and associated fuel storage, landscaping, sustainable drainage systems, car and cycle parking, and new and amended vehicular and emergency access from Poyle Road and other associated works.**

**Please confirm the site address is correct:**

**Land at Manor Farm and land north of Wraysbury Reservoir, Slough**

Documents can be submitted via e-mail at [planning@slough.gov.uk](mailto:planning@slough.gov.uk)

Please return the required documentation by 13-Jan-2025 including the site address and planning reference number on all correspondence. Once we receive all of the outstanding information and documents, we will be able to begin processing your application.

If we do not receive the information by this time your application will be returned to you. If we have previously received the application fee, this will be returned to you minus a 20% administration charge.

If you have any questions, please do not hesitate to contact us using the details provided above. Alternatively, you can visit our website at [www.slough.gov.uk/planning-and-building-control](http://www.slough.gov.uk/planning-and-building-control) for more information.

Yours faithfully,

Technical Support  
Development Management
