Learning Disability Strategy Updates – First Year

- The Commissioner for Learning Disabilities and Autism presented the Learning Disability Strategy updates for the first year of implementation.
- Members reviewed the progress made across key strategic priorities and discussed areas for continued focus.
- Discussion has taken place on how to promote activities and knowledge among the community, and several proposals were made.
- The group feels positive about starting at least some of these activities in January.

Tea Break

Safe Places Scheme – Task and Finish Group

- NS presented her experience of chairing the task and finish group dedicated to the Safe Places Scheme.
- The task and finish group worked collaboratively with the council, the Community Safety Partnership, and the local police to revamp the Safe Places Scheme.

- Service users were actively involved in the process, talking to businesses to ensure they understood how to provide support and access available resources. Businesses participating in the scheme were supported to adhere to its requirements and equipped with the necessary knowledge and tools

Carers Support Offer – Presentation

- The Carers Support and Development Officer presented the support offer available to carers in Slough.
- The presentation outlined how carers can reach out for information, assessment, and ongoing support.
- Members were encouraged to share this information with carers in their networks.
- Presentation will be shared with members
