

**Adoption Statement
Slough Borough Council
Statement of Community Involvement (December 2025)**

An updated Statement of Community Involvement (SCI) was adopted by Cabinet on 17th November 2025. The SCI sets out how the local community and other stakeholders can get involved in the preparation of local planning policy documents and decisions on planning applications.

The preparation and revision of an SCI is a requirement under the Planning and Compulsory Purchase Act 2004 (Section 18) and the Town and Country Planning (Local Planning) (England) (Amendment) Regulations 2017 (Regulation 4).

Any person with sufficient interest in the decision to adopt the SCI may make an application to the High Court for permission to apply for judicial review of the decision. Any such application must be made promptly in any event no later than 6 weeks after the date on which the SCI was adopted.

The 2025 SCI replaces all previous versions of the SCI.

A consultation was held on the revised SCI from the 4th July to the 29th August 2025, and a consultation statement has been prepared which sets out the representations received and the Council's response to them. This consultation statement is available to view on the Council's web pages (linked below).

The SCI and this adoption statement are made available for public inspection in the following locations:
