Drawing Notes

1. Do not scale from this drawing, all dimensions to be verified on site.

2. It will be the responsibility of the contractor to ensure that all temporary traffic management shall be in accordance with the Traffic Signs Manual chapter 6 2009.

3. All signage placement will be subject to available safe working space and all signage will be secured / ballasted with straps or sandbags.

4. A minimum lateral safety zone of 0.5m will be maintained at all times.

5. A minimum running lane of 3.0m will be maintained for vehicles.

6. A safe segregated working area will be provided and maintained at all times.

7. Minimum size of temporary signage will be 750mm.
