**THE BOROUGH OF SLOUGH OFF-STREET PARKING PLACES
(CONSOLIDATION) ORDER 2017 (AMENDMENT No. 7) ORDER 2025
(Order 43 of 2025)**

STATEMENT OF REASONS

Slough Borough Council currently operates free parking provision at several council owned sites across the Borough, most notably at parks, open spaces and leisure facilities.

The council has become aware of increasing abuse of these free parking facilities by commercial operators (airport parking and car traders), commuters using Slough and Burnham train stations, and residents and non-residents for over-spill residential parking. We also have a number of rough sleepers using these facilities. This unauthorised use impacts on the accessibility and availability for legitimate users of these services.

It is recommended that car parking restrictions and charges are introduced in the identified car parks. The proposal will help eliminate current unauthorised and inappropriate use of the car parks by commercial operators (airport parking and car traders), commuters, residents and non-residents.
